Buy a Box of Valeurs

Brooks' Valeur Bittersweet Chocolates are made from the finest grade materials that can be found. Not a word of criticism can be passed upon these popular and delicious chocolates. Look for the "Valeur" trademark. Note the smooth texture of the candy. None others are so good.

insist on

Brooks' CHOCOLATES

Because you are discriminating is the reason why you should drink Chase & Sanborn's Seal Brand Coffee

IF CHASE & SANBORN were less particular about growing, ripening, sorting, blending, roasting and packing, they would still have pretty good coffee. But it wouldn't be "Seal Brand." Many families in Alma think the extra effort very much worth while.

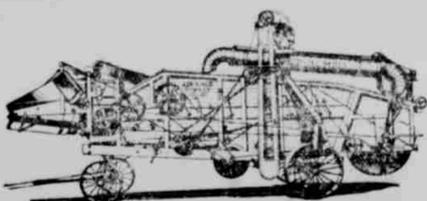

You will too, when you try a can of "SEAL BRAND" "The Finest Grown"

1, 2 and 3 pound cans, 15c, 85c \$1.25

SATURDAY

6 boxes Blue Star Matches 24c
Whit Soap Paste, 12c, 2 for 15c
Nutro Rolled Oats (large package) 22c
Some more of those "Real" Ginger Snaps, 35c barrel for 29c

A New Size of the Famous Rumely Ideal Thresher

In addition to the Ideal 28 x 44 we can now offer a still smaller Ideal Separator—the 22 x 36. The Advance-Rumely Thresher Company has developed this new size to meet the demand for a thresher for the farmer's individual use, to be run by a small tractor.

We don't have to go into the details and advantages of a man owning his own threshing outfit. It makes him independent of delays and tie-ups, the handicap of scarcity of labor—and then he can do his threshing when he is ready.

There is only one thing to be sure of and that is that the small separator you get is a real threshing machine. Unlike some of the small separators that have been put on the market, the 22 x 36 Rumely Ideal is one hundred percent real separator. You know you can't make a fanning mill do a real grain separator's job.

The main thing you of course want to be satisfied upon is that the new 22 x 36 is a real Rumely Ideal and that is just what it is—designed and built along the same lines as the larger Ideals and will give the same kind of long lasting, profitable service for which the Ideal has long been famous. The 22 x 36 Ideal will thresh up to 900 bushels of wheat in a day and a proportionate amount of oats.

Hook a 22 x 36 up to your tractor—and any tractor capable of successfully pulling three plows will easily handle it—and you will find that you have a real threshing outfit. Besides the 22 x 36, the Ideal is made in 28 x 44, 32 x 52 and 36 x 60 sizes.

The Japanese musical comedy entitled, "Miss Cherry Blossom" was given by the Breckenridge high school chorus, under the direction of Miss Linda T. Knorpp, musical instructor in the Breckenridge schools, on Friday and Saturday evenings in the Congregational church. It was a huge success and large crowds enjoyed both performances. The role of "Miss Cherry Blossom" was taken by Miss Josephine Johnson; "John Henry Smith" was taken by Milo Pomeroy; "Kokemo," Forrest Bissell; "Togo," Roy Anderson. Other important parts were taken by Miss Irah Hodge and Messrs. Charles Anderson, and Foster Mitchell. The Gessia girls were very attractive in their gorgeous costumes and sang very well. Besides these were the American young men and women who also did their parts well. Miss Ethel Sabin presided at the piano.

VESTABURG ITEMS

By Special Correspondent

Cause of Headache
By knowing the cause, a disease may often be avoided. This is particularly true of headache. The most common cause of headache is a disordered stomach or constipation, which may be corrected by taking a few doses of Chamberlain's Tablets. Try it. Many others have obtained permanent relief by taking these Tablets. They are easy to take and mild and gentle in effect.

But Not Half So Exciting.
To know thyself is better than trying to find out all about the neighbors.

The first showing of Wash Skirts

They are here with all their freshness. Modest gabardine, pique and surf satin that remain practical even while they take on airs, with straight silhouette, huge buttons and fancy belts.

Wooltex Pre-shrunk Wash Skirts assure that "Well-dressed look"

Because they are not just ordinary "tub skirts" but fine wash materials tailor-made in every detail. Let us tell you some inside facts about Wooltex that make these skirts wash tailormades.
