Has Always Been

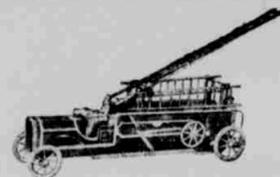

## The Gift Store of Gratiot County

This year more than ever we deserve this credit. Our store is full to the ceiling with gifts for the whole family, from grandmother to baby, and you will be pleasantly surprised at how reasonable we are able to sell our Holiday Merchandise. *Plenty of experienced help, no long waits, courteous treatment, and just what you want,* are things that are making this store justly popular.

### TOYLAND

While many stores are offering excuses for not having toys because of labor conditions, we positively state **OUR LINE IS EVEN GREATER THAN BEFORE**, with about the old prices prevailing.
