

**Pan-Dandy's Made With Pure, Rich Milk**

Pan-Dandy Bread is made with milk which is tested scientifically for purity, and which must show in addition at least three and one-half per cent of butter-fat. And every other ingredient must measure up to the same standard.

That means a bread not alone delicious and wholesome, but one of the most nourishing of foods.

**Pan-Dandy Bread**

Children and grown folks alike appreciate Pan-Dandy. It combines nutriment, flavor and cheapness—and they mean something in these high-cost-of-living days.

At all good grocers. The genuine bears our label.

**HEED THE WARNING**

Many Alma People Have Done So. When the kidneys are weak they

give unmistakable warnings that should not be ignored. By examining the urine and treating the kidneys upon the first sign of disorder, many days of suffering may be saved. Weak kidneys usually expel a dark, ill-smelling urine, full of "brickdust" sediment and painful in passage. Sluggish kidneys often cause a dull pain in the small of the back, headaches, dizzy spells, tired, languid feelings and frequent rheumatic twinges.

Doan's Kidney Pills are for the kidneys only; they help weak kidneys to rid the blood of uric poison. There is no better recommended remedy. Read the statement that follows:

Bert Hagerman, farmer and painter, R. F. D. No. 2, Elwell, Mich., says: "I had all the symptoms of kidney trouble. I think that handling turpentine was what caused it. The kidney secretions were unnatural and irregular in passage and I suffered from severe attacks of backache. Finally I used Doan's Kidney Pills and they cured me. Whenever I have needed a kidney medicine since, Doan's Kidney Pills have fixed me up all right."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hagerman had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.—adv. 67
