HELPED CLEAR THE LAND

Geo. VanNorman, 602 River Avenue, Had to Clear a Place to Build His Own Home.

When Mr. VanNorman reached here, the spot where Alma now stands was woods. He had to cut down trees so that he would have room to build. He told us the other day that in fifty years he has seen Alma change from a few log cabins to a town of 7,500 people. Anyone living in a place for that length of time is sure to have the interest of the community at heart. Mr. VanNorman has always tried to help his friends and neighbors. That he still wants to be of service to Alma folks is evidenced by the following statement of his experience with Doan's Kidney Pills:

Mr. VanNorman says: "I had suffered for a good many years with a lame back. I had terrible pains in my back and I was often caught when I was lifting something. These pains hurt me so that I could just about drag myself around. I often had catches when in bed and I have seen stars lots of times when I got dizzy and often little black specks came before me and I could just about see. I lost a lot of sleep through the irregular action of my kidneys and the secretions were badly colored and often very painful. I suffered night and day when a friend recommended Doan's Kidney Pills. I got a few boxes at Brunner's Drug Store and they cured me. I haven't had any trouble since."
