### ALL WORN OUT

Does morning find you with a lame, stiff and aching back? Are you tired all the time—find work a burden? Have you suspected your kidneys? Alma people endorse Doan's Kidney Pills. You can rely on their statements. Ask your neighbor!  
Mrs. A. A. Patterson, 220 Rockingham Ave., Alma says: "About a year ago my back caused me a great deal of trouble. At times, I had a dreadful pain just above my kidneys and found it very hard to stoop over. I certainly was in a wretched condition. Dull, aching pains settled in my head and it seemed as though every nerve was jumping up and down. My kidneys troubled me considerably and I felt tired and worn-out. I worried a lot and was often irritable and depressed. I was advised to use Doan's Kidney Pills and I purchased a box at the Look-Paterson Drug Co. They rid me of the trouble in first class shape and I have been feeling fine ever since."

## Low-Cost Mileage—in Goodyear Tires for Small Cars

There is no economy in buying so-called bargains in tires offered at sensationally cheap prices when a well-made tire delivers mileage at a considerably lower rate of cost.

Add the time and trouble occasioned by frequent replacements and it is fully apparent why tire users, seeking real mileage economy, are not attracted to very cheaply priced tires.

The popularity of Goodyear Tires, of the 30x3-, 30x3½- and 31x4-inch sizes, is based on the fact that they are built to deliver exceptional mileage at low cost and consistently do so.

If you own a Ford, Chevrolet, Maxwell, Dort or other car taking these sizes, go to your nearest Service Station for Goodyear Tires—for true Goodyear mileage, value, economy.

30 x 3½ Goodyear Double-Cure Fabric, All-Weather Tread \$23.50  
30 x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? \$4.50  
30 x 3½ size in waterproof bag.
