FACT

Local Evidence Evidence that can be verified. Fact is what we want. Opinion is not enough. Opinions differ. Here's an Alma fact. You can test it.

Fred A. Davis, carpenter, 112 Wheeler ave., says: "About a year ago my back was in bad shape. Mornings when I got out of bed, I suffered terribly. I had to get up slowly and my back was so lame and sore that I could just about lift. When I worked very hard, black spots appeared before my eyes and at times I was almost blinded. My kidneys were very weak and I had to get up often during the night. The secretions scalded in passage and were highly colored. Doan's Kidney Pills were recommended to me and I got a few boxes at Murphy's Drug Store. They cured me."

For a Disordered Stomach. When the stomach fails to perform its functions the bowels become deranged, the liver and kidneys congested. The important thing is to restore the stomach and liver to a healthy condition and for this purpose Chamberlain's Tablets are excellent. Give them a trial. They only cost a quarter.—72-4w.

Please your taste—Both are Good

Swift & Company realize that taste is a matter of the individual; therefore, they make both Premium Oleomargarine and Gem Nut Margarine.

Both products are equally pure and delicious.

They are made from different ingredients and differ, slightly in flavor to please individual taste.

Their delicate flavor makes them suitable for serving at table; their fine shortening qualities make them favorites wherever good cooks turn out superior cakes and pastries.

The fact that they are most moderately priced as well as most nutritious is an added advantage.

Both products share in the advantages of the famous Swift system of wide distribution.

Both are made in fourteen conveniently located factories, so both are fresh, pure, and delicious when they reach you.

Not a hand touches either product in manufacture or in packing.
