Important Remedy—Dr. Mitchell's Eye Salve.

ACERTAIN, safe and effectual cure for sore, weak and inflamed Eyes, designed especially for diseases of the Eye. The unparalleled success which has attended the use of this preparation, and the acknowledged necessity for some article which can be relied upon, as a remedy in severe cases of Ophthalmic affections which are so prevalent in this country, induce the proprietor to make arrangements through his Agents, to place his Salve within the reach of every individual who may need the benefits which may result from its use. The great advantages possessed by this article over every other, its certainty, safety, convenience and economy. All Physicians admit that great danger is to be apprehended from dragging the eye when in an inflamed and unhealthy state. In the use of this Salve this objection is entirely removed, as no harm can possibly result from its use; it being, in all cases applied to the external portions of the eye; thereby avoiding all the inconvenience, pain and danger, which necessarily attend the introduction of any pungent article into the eye. Its activity in subduing the inflammation is so great that but few cases require the use of more than one Bottle to effect a perfect cure. The above Medicine is for Sale in this City by Messrs. Williams, Haywood & Co. and by Messrs. Pescud and Johnson; and at the North Carolina Bookstore, by Mr. Turner; and by other Agents throughout the State. Raleigh, Sept. 13, 1848. 723-9m.

To the Afflicted—Hastings' Compound Syrup of Naphtha.

IS now being used in nearly all our hospitals, and is also coming in rapid use among our best Physicians, for coughs, colds, and all diseases of the lungs. It has been recommended in the worst state of consumption by the celebrated physician, Doctor Mott, of New York; and Dr. Arnold, of Savannah, Geo., writing to the agent at New York, under date of Jan. 30, 1848: "I received the half-dozen Hastings' Naphtha Syrup, ordered from you, and have conveyed the Naphtha in a single ingredient. Enclosed is twenty-five dollars, for which you will send me two dozen and a-half bottles more. I have two patients in the Marine Hospital, whom I think will be benefited by it."

Dear Sir—At the suggestion of Dr. Arnold, the physician of the Hospital of which I am one of the directors, I would like to supply myself with Hastings' Wood Naphtha. The Doctor has recommended it since, some for the use of the Hospital. Should you deem proper to send the article on liberal terms, I can forward the sale of it in our city. Yours truly, TURNER & BROS. None genuine without the Fritten Signature of M. A. F. HARRISON on the wrapper. Price one dollar a bottle. Six bottles for five dollars. The usual allowance to the trade.
