

R. M. Miller, Jr. of Charlotte has been selected as Chief Marshal at Davidson College on Commencement occasion in June next.

Charlotte went wild with joy on Monday night over the re-election of Mayor Johnston and a democratic Board of Aldermen.

The Hickory Press says: Mr. Henry Hawn, an old and respectable citizen of Catawba, sold in this market some time since, two pigs, only 41 months old, averaging 155 lbs each—net.

The Rockingham Courier says: We heard while in Wadesboro, that the descendants of one of the first settlers, Mr. Huntly, of that county, now number 800. This was considered a very remarkable fact.

The Magnolia Record says: Mr. Geo. M. Tatum, of Sampson county, recently killed five pigs, five months old, weighing respectively 140, 131, 117, 116, and 115 pounds, making an aggregate weight of 618 pounds.

The Hickory Press says: From a friend who recently visited Caldwell county, along the Brushy Mountain range, we learn that notwithstanding the peaches all seem to be killed, yet there is an abundance of apples.

Calvin J. Rogers, Esq., the former postmaster at Raleigh, was found drowned in a creek last week in Wake county. It is supposed that he had a fit and fell in the water while fishing.

The Democrats of Cleveland county, have declared in favor of the re-election of Gen. Robt. B. Vance to Congress from the 8th District.

The North Carolina Synod of the Evangelical Lutheran Church was to have met yesterday at St. Ensch's Church in Rawn county, eleven miles from Concord.

The Republicans tried to stop the election in Raleigh, on Monday, and failing in that did not put out a ticket. Hence the Democrats have full control of the city affairs.

The Democrats of Cleveland county, in public meeting, declared in favor of the re-election of Gen. Robt. B. Vance to Congress from the 8th District. He has, indeed, made an efficient and working Representative.

The Portsmouth Enterprise says: Wm. Stokes, who fishes on Perquimans river, caught during the last year's fishing ten thousand shad. This season, he has already caught fourteen thousand shad, and the season is hardly half advanced.

The Deaneport Eagle says: The first pony penning of the season will be on Core Banks, ten miles from Beaufort, on the tenth of May. Parties from a distance will find comfortable and fast sailing boats on Morehead city on the arrival of the train to convey them to the penning of any other point in the harbor. Larger boats will be at the port to transport any ponies that may be purchased to the railroad. About three hundred ponies will be penned on this occasion.

The Weldon News says: As a matter of importance to the farmers we give the following statement of the latest spring frosts for the last three years:

In 1873, April 26th, there was frost and ice.

In 1874, April 30th, there was a very heavy frost, and some ice, hail and snow.

In 1875, April 24th, there was frost, and in May for three mornings in succession, the 17th, 18th and 19th there was slight frost.

The U. S. District Court convened in Newbern on Tuesday of last week and after a four days session adjourned Friday. Judge Brooks presided. James L. Brooks, charged with counterfeiting, was sentenced to pay a fine of \$150,00 and cost. Neodham Smith for a violation of the revenue law to pay a fine of \$50 and cost. Joseph Richards and Samuel Osborn the two colored boys, convicted of robbing the Post Office in Washington, North Carolina, to two years imprisonment at hard labor in Albany penitentiary.

The Statesville American says: The case of the United States vs. Henry Turner and Lucy Turner occupied the time of the court from Friday morning until Monday night, and was very fiercely contested, resulting in the conviction of Henry Turner, and the acquittal of Lucy Turner. He was sentenced to the penitentiary at Albany, N. Y., for three years at hard labor. He had stolen eight registered letter packages from C. D. Waddell, route agent between Raleigh and Fayetteville, the stealing having taken place at Sanford. Wm. S. Baggs prosecuted for the government and Wm. H. Dalley defended.

The Concord Register is glad to report that a much larger amount of grasses have been sown in that section this year than ever before.

Democratic Victory. INDIANAPOLIS, Ind., May 3.—Noon. The Democrats carried the city by a 4-0 majority and elect 11 out of 13 councilmen. After minor disturbances during the day a serious fight occurred which lasted twenty minutes. Pistols, clubs and bricks were freely used. One negro was killed and two probably mortally wounded. There are eight wounded at the surgical institute and several whites and blacks have been taken to their homes.

CUT THIS OUT. IF MAY SAVE YOUR LIFE. There is no person living but what suffers more or less with Lung Disease, Coughs, Colic or Consumption, yet some would not rather pay 75 cents for a bottle of medicine that would cure them. Dr. A. BISHOP'S GERMANY STRIP has lately been introduced in this country from Germany, and its wonderful cures astonishes every one that try it. If you doubt what we say, in print, cut this out and take it to your Druggist William Howard and get a sample bottle for 10 cents and try it. Two doses will relieve you. Regular size 75 cents.

CHURCH STATISTICS.—We have been kindly furnished by Rev. F. D. Swinfield, of this place, with the statistics of leading Protestant denominations in the United States, as follows:

METHODIST. Universal Ministers, 20,453; Local Ministers, 24,384; Lay members, 3,173,229.

BAPTIST.—Statistics of 1874. Regular Ministers, 15,354; Members, 1,761,710. Add to this the Irregular Baptist, and up to 1875 there was a total of 2,335,737.

EPISCOPAL. Ministers, 3,140; Members, 273,092.

CONGREGATIONAL.—1896. Ministers, 3,009; Members, 272,975.

AGREEMENT OF CHURCH PROPERTY IN 1870. Church Edifices. Value of Property. Methodist, 21,337; Baptist, 13,962; Presbyterian, 7,071; Episcopal, 2,901; Congregational, 2,900; not known.

THE PROTESTANT EPISCOPAL CHURCH began its work here, perhaps first of all these under auspices of the church of England of which it was then a part. It was formed into separate organization just after the Revolution. The first in age but next to the smallest in number and property.

THE CONGREGATIONAL church, smallest of the above named began in 1620 at Plymouth, Mass., under Elder W. Brewster. The first Presbytery was organized in 1704 and from that time Presbyterianism may date its regular formation.

THE FIRST METHODIST sermon in America was preached in 1706, and the first society then formed. The first conference was held in 1773. The Methodist church is altogether the youngest of these bodies, but for the larger number of churches. The Episcopal and Congregational churches are about 150 years older, with one fifteenth as many members. The Baptist 135 years older, with half as many members and a little over. The Presbyterians 70 years older with one fifth the members.

WERE TOLD TO TAKE OUR PLACES FOR THE FIRST SET. 'Twas then that the young ladies showed their greatest advantage for they proved able to dance on any look well in calico, but what is much harder to do, could dance well by the very poorest music. These fiddlers must have been the trio who brought the following from the saloon: "Great Orpheus played so well he moved old Nick, But these move nothing but their fiddlestick."

THE YOUNG LADIES OF THE SCHOOL all looked especially well with their calico dresses and calico trimmings and seemed to enjoy the full treat they were giving their elders, but the most interesting part of the programme for the evening to the boys was the part that called for cake and ice cream. The baser fabric of the masculine nature here showed itself.

THE BOYS GENERALLY had spent the evening sitting around the wall apparently half asleep, but when the calico dresses of female beauty came in, they were all a lively interest in things around that one would have supposed was in them a few minutes before and if they could see as much energy and determination in their striving after place and fortune in life as they did in their endeavors to put themselves outside of us into the calico dresses as possible, they will make a success of life and the future prosperity of Tarboro is assured.

AFTER SPENDING A MOST PLEASANT evening in the mazes of the dance, pleasant converse and in investigating the remarkable qualities of the centennial pencil the company dispersed about one o'clock every one sorry that "twelve" had not come and hoping that the young ladies would give just such another at each returning May day. X.

THE EPISCOPAL CONVENTION.—At a meeting of the vestry of St. Peter's Episcopal Church, of Charlotte, held Monday evening, the following delegates were appointed to attend the Diocesan Convention at Tarboro, on the 17th inst., viz: Gen. Thos. F. Drayton, Col. E. A. Osborne, Dr. T. K. Cureton and Col. H. C. Jones. Alternates: Capt. Fred Nash, Capt. Jno. Wilks, Col. W. A. Williams and J. S. Myers.

GUILTY OF MANSLAUGHTER.—Hertford Superior Court.—Henry T. Barnes gets 5 years for manslaughter. One of the defendants in the case of the manslaughter of a woman named Mary Ann, who was killed by a man named Henry T. Barnes, was found guilty of manslaughter and sentenced to five years imprisonment in the penitentiary at hard labor.

DEAR SOUTHERNER.—At about 5 P. M., on the 24th inst., Judge Moore had the negro Elijah Skinner brought into the Court House at Winton. Skinner's plea of "not guilty" to indictment for murder for which he was tried and convicted last week was cancelled, and a plea of guilty of manslaughter entered in his behalf.

A verdict of guilty of manslaughter was then directed to be entered in place of that of murder found by the jury. The prisoner was therefore sentenced to ten years imprisonment in the penitentiary at hard labor.

Hertford county Superior Court adjourned for the term on Wednesday, 26th inst. Judge Moore shows a commendable disposition to dispatch visitors. One evening's sitting divorce suit, which had been on the docket for four or five years, was found an examination of plaintiff's witnesses to have nothing at all in it, and was very sensibly dismissed, as was another, without being submitted to the jury.

Henry T. Barnes, a white boy 13 years old was tried for attempt at arson, convicted and sentenced to 8 years in the penitentiary.

Solicitor J. J. Martin is an able and efficient prosecuting officer. He sees the strong points of his cases, presents them forcibly and cogently and anticipates all possible verbiage. He is spoken of for the republican nomination for Congress in this district, and is in every respect the best man so far named in that connection.

THE CONGREGATIONAL exercises of the Chowan Baptist Institute take place on the last Wednesday in June (28th). The Annual Address will be delivered by Rev. T. L. Eaton, of Petersburg. There will be twenty graduates. The customary vocal and instrumental concert comes off at night.

A COMMUNION day at the Wesleyan Female College is fixed for Tuesday, 20th inst. The exercises of the week, however, will commence on the Sunday previous. So soon as the railroad speakers are selected I will announce their names through the Southerner.

CAMPAIGN RATES.—We will send the SOUTHERNER to any address from now to the close of the campaign, about seven months, for ONE DOLLAR.

This bids fair to be one of the hottest political campaigns ever fought in North Carolina. The stake to be won by taxpayers has never been greater. They are to say whether the State Government shall be reformed, whether the burdens shall be thrown off. The question of the amendments affects the poor as well as the rich.

Therefore every voter should keep thoroughly posted. This we will earnestly endeavor to make him.

CLUB RATES. Any one sending us seven new subscribers with \$7, will be entitled to a copy gratis. It makes no difference whether all are to be sent to the same or different Post Offices.
