

## MINE ACTIVITY PREVAILS IN GREAT BRITAIN FIELDS

### MINERS ARE RAPIDLY GOING DOWN SHAFTS

Easter Holiday Prevent Some Work in English and South Wales Pits

Men in Scotland May Have Trouble Between Strikers and Non-Unionists

Will Be Several Days Before Coal Is Placed on the General Market

By Associated Press. LONDON, Eng., April 8.—General activity prevails in all the coal mining districts of Great Britain today. In Scotland and North Wales there is a large increase in the number of miners who descended the shafts, while in the English and Southern Welsh coal fields, where the Easter holiday was being observed, small gangs of men went down the pits in order to clear the roadways, and to prepare for a general resumption of work tomorrow. A full contingent of men are working in North Wales, and as most of the mines in that district were cleared last week, thousands of tons of coal were raised this morning. In Fife-shire, 6,000 miners have started to work again, and in the Derbyshire pits men are preparing for coal getting tomorrow. In Fife-shire, Scotland, the men have decided not to return to work until the funds in the treasury amounting to \$150,000 have been expended, and as the authorities fear trouble be. (Continued on page 8.)

## YOUNG MAN WAS DRAGGED TWO MILES BY WILD HORSE

Had Tied Halter Rope Around His Arm and Was Dragged Like Dead Body

Clothes Torn Away and His Body Terribly Lacerated With Bruises

Special to The Tribune. JAMBERTON, N. D., April 8.—Bumping over stones and the uneven sides of steep cliffs, George Clark, a young man of this city was dragged yesterday afternoon by a rope tied securely to one of his arms and about the neck of a frightened run-away horse. Young Clark and others were enjoying an outing on the bluffs some distance from the city and while enjoying themselves unhitched and unharnessed the horse which Clark tied about the neck and attached the other end of the long rope to his own arm. The horse became frightened and when it jumped and pulled the rope taught about its neck it started at full speed for town. Clark kept his feet and tried to untie the rope, but soon lost his footing and was dragged like a dead body behind the animal. The horse ran for two miles and a half before it was stopped at the outskirts of the city. When the animal was quieted Clark got to his feet and untied the rope from his arm without assistance, although his face and body was a mass of cuts and bruises. He was taken to a nearby house and later carried to a hospital where, it is deemed he had suffered no internal injuries. The flesh on one arm is being washed away to the bone.

**BOARD TO MEET**  
The regular meeting of the board of education will be held at the Will school Tuesday evening, April 9. At that time the petition regarding the establishment of a free kindergarten in connection with the Bismarck public schools will be presented to the board.

## BONFIRE CAUSES GAS EXPLOSION

Two Men Were Seriously Burned by Burning Paper in Gasoline Barrel

Special to The Tribune. GLENDIVE, Mont., April 8.—Two men were seriously injured in a gasoline explosion here. The big tank was supposed to be entirely empty of gasoline and had been filled with water to test it for leaks. The gas had evidently formed within it, and the ignition came from a fire of waste paper which Floyd Williams, assistant postmaster, had just kindled along side of the postoffice. Both Williams and Frank Sloan an employe of Douglas Meed Company, were struck by the full force of the explosion. Williams suffered a badly fractured leg, a torn foot and a burned face, but he is now resting easily at a local hospital. Sloan was just as painfully, but less seriously injured.

## CAR BREAKERS WERE ARRESTED

Special to The Tribune. HEBRON, April 8.—While two young men from Minnesota, who were going to work for Eugene Miles, north of Hebron, were arrested at this point by Northern Pacific detectives for having broken into and robbed a car at Glen Ullin. They were caught with the goods and were held by Justice Landon to the district court under \$500 bonds each.

**EGG ROLLED**  
WASHINGTON, D. C., April 8.—Thousands of children today crowded the main grounds of the White House to join in the annual Easter Monday egg-rolling. The air was chilly, but otherwise the day was almost perfect.

## YOUNG CHINESE WOMAN REGISTERS AS A VOTER IN LOS ANGELES AND INTENDS TO AID IN WOMAN SUFFRAGE

MYRA LEE  
CHINESE WOMAN VOTER

LOS ANGELES, April 8.—Miss Myra Lee, 22 years old, is the first Chinese woman to register as a voter in California. She is an ardent suffragist and expects to go to China soon to instruct the youth of that country in modern western ways. Miss Lee is a daughter of a prominent merchant here and is educated in music and literature, being a graduate of the Polytechnic high school. Though she was born in this country and speaks English fluently, she also speaks her father's tongue.

## TEXAS CONGRESSMAN SAYS MEMBERS CAN ALL BE INFLUENCED

CONGRESSMAN  
C. B. RANDELL

By Associated Press. WASHINGTON, April 8.—Representative Choice B. Randell of Texas is the author of a bill which prohibits federal employes, including representatives and senators, from accepting any retainer from a corporation engaged in interstate commerce.

## GRAIN RATES NOT DISTURBED

Railroads Were Given Time to Adjust Rates in Middle West States

By Associated Press. WASHINGTON, April 8.—Interstate commerce commission today refused to disturb the existing through freight rates on grain in the middle west. The petition of the Sioux Falls Terminal Elevator company against the Chicago, Milwaukee and St. Paul railway and other rail carriers was rejected, except as to certain local rates. It was urged by the Sioux City petitioners that the existing rates in and out of Sioux City were discriminatory against that city as a grain center, and gave a preferential advantage to the cities of Omaha and Kansas City, direct competitors of Sioux City. Existing local rates on grain from the states of South Dakota, Minnesota, Nebraska and Iowa to Sioux City, however, were held to be unreasonable and the railroads were given time in which to readjust them.

## CAMPAIGNERS PAY ATTENTION TO PRECINCTS

Presidential Candidates Have Left the Field to Minor Office Seekers

Roosevelt Will Wind Up His Brainstorm in Cannon's District

Chicago Suffragists Will Be Represented at Every Windy City Precinct

By Associated Press. CHICAGO, April 8.—Political leaders today gave final instructions to their lieutenants in the Illinois campaign for the primary election tomorrow. The presidential preference vote continued to occupy the center of the stage politically. Roosevelt has planned to close his campaign in this state with speeches in the congressional district which for years has returned former Speaker Cannon to congress. The speaking campaigns of Taft and La Follette forces in state are over. On democratic side, the Wilson and Clark speakers ended labors Saturday.

Candidates for the gubernatorial nomination have rested, and the congressional aspirants and a host of seekers after minor offices turned their attention from the halls and audiences to the selection of watchers and personal workers who will take the field with the opening of the polls. The prizes are the 58 votes of the Illinois delegates in the two national conventions. Chicago has also to vote on the advisability of woman suffrage, and local suffragists have prepared to be represented at every polling place in the 1,314 precincts of the city.

## CONVENTION STARTS FOR EMPIRE STATE

Chairman and Thousands of Delegates are Now Holding Conference

By Associated Press. ROCHESTER, N. Y., April 8.—With the arrival of William Barnes, Jr., chairman of the state committee, and an advance guard of a thousand and more delegates to the republican state convention tomorrow, which is to elect four delegates at large to the national convention and adopt the platform, there began a series of conferences which continued throughout the day.

## NEGRO MADE THE CHILDREN GO BEGGING

Manager of "Orphanage" Gets \$50 to \$150 Daily From His Charges

CHICAGO, April 8.—Investigators from the state's attorney's office raided the Hudson Orphan Home, took "Rev." J. A. Hudson, a negro, into custody and sent twenty-six children found in the institution to charitable institutions and private homes. Representatives of the juvenile courts, who were responsible for the raid, say they will prosecute Hudson. He is accused of having beaten and otherwise abused the children. Although he derived from \$50 to \$150 a day from their begging on the streets, it is charged he underfed them. Parents of the children said they believed Hudson was giving them "industrial training" in the basement of the "home" were found many brooms which the children are said to have manufactured. Clothing and other property the children had obtained in the name of "charity" also was found in the house.

**BROUGHT TO HOSPITAL**  
Christian Kalmbach of Marsh, Mont., was brought to a local hospital for medical treatment. He is suffering from a dislocated hip which he has had for six years, and is now hopeful that the doctors here can make it well.

## DR. BADING BECOMES MILWAUKEE'S MAYOR TUESDAY, APRIL 9

MAYOR BADING

By Associated Press. MILWAUKEE, Wis., April 8.—Dr. G. A. Bading will be inaugurated mayor Tuesday April 9. He was elected by a combination of Democrats, Republicans and good government voters, defeating Mayor Seidel, Socialist. Seidel was elected two years ago in a three cornered fight, getting 22,000 votes. At the last election he got 30,000 votes, but the combination against him polled 43,000.

## PLOW RIGS LEFT AT GLEN ULLIN

Power Rigs Will Hurry Spring Plowing in Western Morton County

Special to The Tribune. GLEN ULLIN, N. D., April 8.—R. C. Lamberton, representing the Rumley company, was in the city last week and assisted in unloading four big Rumley traction engines which will be distributed to various farmers in this community. The engines will be used in spring plowing operations and prospects for a large acreage are good. Conditions are very favorable in this section of the slope country for a bumper crop this season.

## EMIL L. BOAS LIKELY TO BE BIG FIGURE IN INQUIRY INTO SO CALLED STEAMSHIP TRUST

EMIL L. BOAS

By Associated Press. NEW YORK, April 8.—Emil L. Boas, resident director of the Hamburg-American line, is likely to be the central figure in an inquiry that may be made into the operations of the so-called steamship trust. He is the active head of one of the biggest concerns identified with the combination that controls Atlantic traffic. In addition to the federal suit now pending against the lines in the Atlantic pool, a bill has been introduced in congress which is intended to force a dissolution of the combine by denying to ships that are in a pool the right to enter American ports. The bill was prepared by Attorney General Wickham and Representative Humphrey of Washington.

## CONDITIONS ARE IMPROVING ALONG THE MISSISSIPPI

### CREW SAVES BURNING LINER

Six Hour Fight Saves Passengers and Crew of Merchant Steamer

By Associated Press. DITCH PLAIN LIFE SAVING STATION, L. I., April 8.—The Merchants and Miners' liner steamer Ontario from Baltimore to Boston, which carried fifteen passengers and a crew of forty is on the rocks off Montauk with a fire raging fiercely in her hold. The passengers were taken off by a tug this morning and are now alongside the burning vessel. The crew is still aboard fighting the fire, which was under control after six hours hard work. The vessel is hard aground with a light sea running and but little wind. There is little danger, apparently, of her going to pieces.

### GASOLINE STOVE BURNS AN EDITOR

Special to The Tribune. HEBRON, April 8.—George Landon, editor of the Hebron Tribune, while lighting the gasoline stove at his home, found a leak in the stove and it lighted all over. Mr. Landon succeeded in getting it out of doors without damage to the house, but in doing so badly burned both hands.

**REARGUMENT ORDERED**  
WASHINGTON, April 8.—A re-argument of the so-called "intermountain rate cases" was today ordered by the supreme court of the United States. Chief Justice White gave no reason for the re-argument, merely stating they would be "restored for argument before the full bench."

### WARM SUN NOW GIVING FURTHER ENCOURAGEMENT

Levees in Flood District are Holding Strong But Men Work All Night

Nearly Two Hundred Narrowly Escaped When Bank Was Swept Away

Flood Along the Missouri River Through Dakota Slowly Subsiding

MISSOURI RECEDED  
With the recession of the flood water of the Missouri river at this point, no further danger is anticipated from high water. The water commenced to fall Saturday and is continuing to lower gradually. Monday morning the river was still a foot above the flood stage, but it is thought that within a few days the bottoms will be free from water.

Condition Improving. MEMPHIS, Tenn., April 8.—Flood conditions in the Mississippi valley showed some improvement today when a warm sun gave further encouragement to those conducting the work of rescue among the hundreds driven from their homes by the high water. (Continued on page 8.)

## MEN AND RELIGION WORKERS WILL CONDUCT FIRST MEETING TONIGHT

Five Man Team Arrives to Wage Enthusiastic Campaign at Capital

Everyone Urged to Attend Meetings Held at First Baptist Church

The Men and Religion Forward Movement Convention opens tonight in the First Baptist church. The team of five men, Rev. W. H. Mathews, pastor of the First Presbyterian church of Grand Forks, Prof. C. C. McCown, John W. Ogren, A. C. Nodine and Rev. Walter A. Snow, secretary of the international Sunday School Association. The first session of the convention will begin promptly at 7:30 this evening. The team will be introduced and a big mass meeting for men conducted which will be addressed by three members of the team presenting the purpose and plan of the campaign. Every man in the city interested in the spiritual and moral upbuilding of Bismarck is urged to be present and welcome this team to our city. These men have set aside their own work and have come to our city without remuneration to bring us the message of the Men and Religion Forward Movement. All of them are busy men and it has meant sacrifice and expense to them personally to come. Let show our appreciation of their effort by being present and lending enthusiasm to the first session. The team is made up of specialists, men who are fitted to bring us great messages before the five different lines of work in which the Men and Religion Forward Movement is interested—Bible study, boys' work, evangelism, missions, and social service. It is expected that a number of men will be in attendance from the surrounding towns and a marked interest has already been shown by the men of the city in this convention. Everything points toward a great three day campaign for the first session. (Continued on page 4)
