STATE PRINTER RETURNS.

Taylor Thompson, state printer, returned last night from a visit of several days in Minot. His home until he was appointed to the office he now holds. Taylor was one of the pushers behind the Y. M. C. A. boom, but was unable to be here for the banquet. "I read the story about it," said he, "and if it was anything like that it was all right."

DISTRICT COURT CLOSED.

The present term of district court is virtually closed. All the cases on the calendar have come up, and all that remain are a few which were referred to a later date, and which are now to be decided by Judge Naessle. The judge goes October 7 to Linton where he opens a term in Emmons county. From there he will proceed to Sheridan county to open another term the 22nd of the same month.

MOST PLEASANT EVENT.

Sunday afternoon four young men of Bismarck hired saddle horses at the Hinckley livery barn and proceeded to enjoy themselves. After viewing the capital building they rode about the city taking in the various sights that the city of Bismarck prides itself on. When darkness was approaching they slowly rode to the barn avowing that if ever they go riding again they will have cushions furnished. It is whispered about town that the "boys" are "some sore."

PROF. LARSON RETURNED.

Prof. Alfred Larson of the Public Health Laboratory returned from his two weeks vacation yesterday much refreshed and enthused over his trip

—especially in his mention of scenery along the line and in the fast growing convention city of Denver. When Alfred started out on his trip via Duluth and the twin cities on this extended visit some of the boys assumed grave expressions on their faces and with suspicious winks nimbled something about benedictines—may even hinted that someone might commit matrimony. Mr. Larson, however, falls to see even remote grounds for such suspicion and pleads—absolutely not guilty.

FUEL FOR SALE.

Corn cobs make the hottest fire of any fuel and are cheapest at 50 cents per load, at Will's Seed Warehouse, corner Main and Ninth streets.—Adv.

ALL COMFY AT THE COURT-HOUSE.

The courthouse officials and their deputies and clerks are feeling cozy again—the janitor has returned from hunting and has turned on the heat, and now a warm glow pervades the rooms and causes the typewriters to rattle louder than ever. And if that weren't enough to ask, the courthouse has acquired a fine new water fountain which makes life very pleasant and worth while. The tin cup is now at the disposal of the first rubber, sheet iron and tin cap peddler to come.

BISMARCK NURSERY.

Go to the nursery and select the trees and shrubs you want, have them dug and pruned, take them home and plant them before they have a chance to dry out.

(Adv.) OSCAR H. WILL & CO.

THE GOLDEN RULE

A young farmer went to his banker a short time ago and asked to borrow \$300. After consulting the depositor's ledger and noting the condition of said farmer's account, the banker said: "All right, sir, you can have it. I observe that, while your account is not large, yet it has been gradually increasing, which shows that you are succeeding. I also note that you are apparently doing all your business with us, which shows that you are our friend, and we always feel like helping our friends." Was the banker's conclusion logical? This bank preaches and practices the Golden Rule.

BE PRETTY! TURN GRAY HAIR DARK

Look young! Nobody can tell if you use Grandmother's simple recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy" you will get a large bottle of this famous old recipe for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy.
