

### STATE CAPITOL NOTES

**ROLLEF BERG.**  
Rollef Berg of Courtenay, was the chief clerk Wednesday and visited the capitol.

**FINE PROSPECTS.**  
Chief Clerk Vold of the office of Secretary of State, has received word that the crops on his 1,600 acre farm on the Totten reservation, are looking fine.

**COMMISSIONER TAYLOR HAS RETURNED.**  
Insurance Commissioner Taylor has returned from an official visit to Grand Forks, Minneapolis and other points.

**NORMAL BOARD.**  
The regular May meeting of the State Normal board will be held in Minot on Tuesday, the 26th, at which time the new normal school buildings, which have been completed, will be inspected, with a view to acceptance. Sept. E. J. Taylor, who is president of the board, will be present.

**EDITOR GOES WRONG.**  
Evidence has been discovered in the office of the secretary of state which may lead to the expulsion of a prominent editor from the ranks of the State Editorial association. Newspaper men in the capitol were wroth Wednesday when it was learned that Frank Goddard, editor of the Ellendale Leader, had made application for an automobile license, claiming to be the owner of a machine. There are many breaches of propriety but this is the unpardonable one and the least that Mr. Goddard can expect is a severe reprimand from the state association.

**LIBRARY COMMISSION.**  
The semi-annual meeting of the State Library commission will meet at the capitol in this city June 2.

**TO LAY OUT ROADS.**  
State Engineer Bliss left on No. 4 Wednesday for Hope, Steele county, where he will lay out some roads. He is accompanied by Ad. Folcner and A. D. Patterson, as assistants.

**INDEX COMPLETE.**  
The office of Secretary of State is installing a new up-to-date index of foreign corporations dating from the beginning of the territorial days. The domestic corporation index was finished the latter part of last year.

**GRADUATE BIG CLASS.**  
On Friday of this week, Governor Hanna and Supt. E. J. Taylor will attend the commencement exercises at Lisbon, when 124 pupils will be graduated from the eighth grade. Both gentlemen will address both the afternoon and evening exercises.

**AUTO LICENSES.**  
Applications for auto licenses are falling off a little this week, owing to the spring rush of business. Last year there were 13,975 automobiles altogether, and 913 motor cycles also, registered. By the end of this week the auto record will have exceeded that of 1913, while there will be over 800 motorcycles registered.

**SETTING TREES.**  
Superintendent Reider is now on the job of setting young trees about the capitol grounds. The trees were sent from the school of forestry and are beautiful specimens. So thoughtfully does Billy Laist enjoy such work that he goes out occasionally and takes a hand in the work. This is to be a valuable addition to the capitol grounds.

**NEW NOTORIES.**  
Notarial certificates have been issued by the secretary of state to the following parties: Frank L. Kellogg, Jamestown; H. F. O'Hara, Garrison; C. O. Heckle, Lisbon; R. Halding, Ransom; Franklin J. Kroman, Bowbells; Walter M. Post, Dose; Michael Panovitz, Grand Forks; Ethel B. Haight, Mandan; M. H. Gores, Harvey; Harry F. Beidler, Dickinson.

**NATIONAL MEET.**  
Owing to her recent illness and the pressure of business in the office, Mrs. Bredlow will be unable to attend the annual meeting of library commissioners, which is to be held in Washington, D. C., May 25. Miss Margaret Greene, librarian of the Minot public library, also Clarence W. Sumner, librarian for the State University, will probably attend.

**LOAN ASSOCIATION.**  
Secretary of State Thomas Hall has issued a charter to the Williston Building and Loan association. From all appearances this concern expects to do business on a large scale, having been capitalized at \$1,000,000. The incorporators are James H. Cooper, N. Hyde, George F. Carpenter, S. M. Hyde, Willis C. Rawson, J. Byron Lyon, Thomas F. Craven, A. N. Eidsness and George Farries.

**NEW SALEM MAN IN CITY.**  
Henry Pfening of New Salem, auditor for the Mandan Mercantile company, arrived in Bismarck last evening and transacted considerable business with local men. He will leave this morning for Wilton to look after matters for his company.

**WILL HAVE DIME SOCIABLE.**  
The ladies of the Presbyterian church will give a dime sociable at the church chapel, Thursday afternoon at 3 o'clock. A cordial invitation is given everyone to come and partake of the good things that will be served. The object of the event is to raise money for the church and its enterprises.

**RAMMED CUNNINGHAM'S CAR.**  
Late Wednesday afternoon someone with little regard for the rights of others and caring less about the traffic ordinances, drove his car on the wrong side of the street in front of the postoffice and crashed into the fender of George C. Cunningham's car, which was standing there. The damage to the fender and front of the car was sufficient to put it temporarily out of commission.

**BALL GAME WITH MANDAN SUNDAY.**  
Next Sunday morning the Bismarck baseball team will leave for Mandan on train No. 3 to meet the aggregation of the shop town beyond the Big Muddy. They will go primed to bring home the scalps of the boys on that side of the river, and feel with pride that the team is capable to so harness the ball that the Mandan hard hitters will simply fan the atmosphere instead of connecting with the elusive sphere.

**WILL BECOME CANDIDATE.**  
E. Moeckel of Wishek, secretary of the Liberty League, and who has charge of the league's political headquarters in this city, is about to announce himself a candidate for the office of state representative from the 36th district. Mr. Moeckel is of German extraction; educated at Mendota Lutheran College at Mendota, Illinois and entered the ministry at the Lutheran church.

**Organized Churches at Wishek.**  
Mr. Moeckel organized a number of churches in the vicinity of Wishek and for a time served as their pastor. He has retired to the farm and will now enter politics at the solicitation of a number of his friends. He has no opposition thus far in the campaign.

**"WITHIN THE LAW"**  
"Within the Law" is the real under-world play of today" wrote Police Commissioner Geo. S. Dougherty to Mr. Bayard Veiller, author of the tremendously successful melodrama, which comes to the Auditorium Theatre on Monday, May 25th and which has had the almost unprecedented record of a twelve months' run in New York City and in one theatre—the Elling. Before writing this play, Mr. Veiller was practically unknown. The day after its production, he received so many offers of contracts to write plays that he was forced to flee out of town to keep from signing away enough of his time to cover the remainder of his natural life. This is what inevitably happens to the dramatist who writes a big success. But only a few playwrights achieve such a hit as "Within the Law" during a century of dramatic writing. "Ben Hur" and "Uncle Tom's Cabin" are perhaps the two nearest modern instances of hits approaching that of the Veiller play—both in the matter of interest created and money earned. Remember the curtain opens at 8:15.

**Assist Nature.** There are times when you should assist nature. It is now undertaking to cleanse your system—if you will take Hood's Sarcaparilla the undertaking will be successful. This great medicine purifies and builds up as nothing else does.—Adv.

### Club Notes

A large number of North Dakota club women are planning to leave the first of June for Chicago, where they will attend the biennial meeting of the general federation, which will be held there during the month. Among the delegates who were chosen at the state federation meeting are Miss Minnie J. Neilson, president; Mrs. H. A. Presler, Valley City; Mrs. L. B. Dochterman, Williston; Mrs. Henry Johnson, Lankin; Mrs. N. C. Young, Fargo; Mrs. Andrew Carr, Minot; Mrs. Walter Reed, Amenia; Mrs. E. L. Kinney, Hankinson. The alternates chosen were: Mrs. M. A. Ealdwin, Fargo; Mrs. Percy Cole, Kenmare; Mrs. M. C. Badlong, Bismarck; Mrs. F. L. McVey, Grand Forks; Mrs. J. W. Bush, Oakes; Mrs. W. B. Wanner, Wembleton; Mrs. C. F. Rathman, Jamestown; Mrs. A. M. O'Connor, St. Thomas.

Friday afternoon, in the parlors of the church the Mothers' club of the Presbyterian church of Minot met for their regular social and study meeting. Of absorbing interest was the instructive paper of the afternoon, delivered by Mrs. P. P. Taylor, on "The Bible." The speaker referred to the Bible as a literary masterpiece and quoted a number of passages, in which tragedy and romance appear. Mrs. Taylor's paper was cleverly gotten up and was a production of study and thought. A group of songs were given by the mothers, after which Mrs. Person, whose piano selections are always a delight to her listeners, charmingly played "The Serenade" from "Charmaine." The afternoon was concluded by the service of a dainty lunch by the hostess, Mrs. Ed. Robinson.

A large number of guests were entertained by the Corosis club of Valley City. Members of the clubs of Valley City and the five federated clubs of the county, including Sanborn, Getchell Prairie, Eckelson, Fingal and Wembleton received invitations for the

program at the Rex and afterwards the visitors from out of town were entertained at the Domestic Department of the Normal school at refreshments. The program at the Rex was very good indeed and thoroughly enjoyed by those who were privileged to witness it.

Mesdames Sternberg and Mayland played a piano duet by Nevin, after which Prof. Wemett spoke to the ladies on the subject of the waste of war, Monday being Peace Day. Mesdames Froyssa and Craswell delighted their audience with their splendid rendition of the "Barcarolle" from Tales of Hoffman, and also sang a little German cradle song very well. Mrs. W. C. Lyon favored the guests with a pipe organ solo which was very well done.

Another feature of the program and one which undoubtedly did good, was the film "The Fly" showing the danger of flies and carelessness in allowing them to live. Mrs. Bernice Shank, formerly an instructor in the Normal school here, and now a resident of Ann Arbor, Mich., gave a paper on "Eugenics." This closed the program at the little theatre and after a short automobile ride around the city, the ladies were entertained by the members of the P. E. O. in their little playlet, "How the Bote Was Won." At the close of this part of the program, light refreshments were served to the out of town guests and a general social time was enjoyed.

**THE first requisite of a soap for the toilet is mildness.**

Mildness depends upon the quality of the materials used in the making, the absence of free alkali and the absence of bleaches, fillers and other foreign matter.

Ivory Soap is made of the best materials that can be bought. It contains no free alkali. Nothing is put into it to make it white, to increase its weight or to soften water.

That is why Ivory Soap is so mild that it can be used with comfort and safety on the tender skin of a child.
