J. W. BURCH LEGISLATIVE CANDIDATE IS SUCCESSFUL FARMER

PROGRESSIVE BURLEIGH CO. FARMER OPERATES MODERN 1,000 ACRE FARM.

Endorsed For Legislature.

J. W. Burch of Stewartdale, is a candidate for the republican nomination on June 24 as a member of the legislature from Burleigh county.

Mr. Burch is a farmer in Missouri township, and has a well improved farm of 1,000 acres two miles south of Stewartdale. Being a farmer, himself he understands the needs of the farmers and will naturally favor any legislation that will benefit his constituents.

Mr. Burch settled in Burleigh county in 1883, coming here from Indiana, and his family consists of his wife and eight children. Since the organization of the Bismarck branch of the Farmers' Educational and Co-operative Union of America, Mr. Burch has been its president, and he has always taken an active part in the affairs of the local union. It was only after persistent urging on the part of Burleigh county farmers that he became a candidate.

Great interest has been taken in the dairy industry in this section of the state within the past few years. Mr. Burch knows from practical experience that the industry is a paying proposition, and will naturally favor any measure that may be brought up which will benefit the farmer interested in dairying.

This season besides having 700 acres under cultivation Mr. Burch has 30 fine milk cows, which demonstrates his belief in the cow as a money maker.

Diversified farming has been advocated by Mr. Burch for years. Realizing that the slope country was not adapted for the raising of small grain exclusively he determined to diversify, and he has made a success of his undertaking. In fact, cattle, corn and hogs are money producers, according to his way of thinking. He has 325 acres of corn this year, and if conditions continue favorable he will gather a big crop.

The man who has been successful in a business way for himself will be successful in looking after the interests of his constituents, and he will appreciate your support and influence at the primary election. Adv

DANDRUFF AND FALLING HAIR CAN BE STOPPED WITH HERPICIDE

Every woman who is obliged to wear false hair, or man a toupee, feels that it is a misfortune. What makes the burden so doubly hard to bear is the knowledge that the loss of natural hair could, in most instances, have been easily avoided.

The arch enemy of good hair is the dandruff germ. This is now a well established scientific fact. There is one remedy on the market which, used regularly, will clean the scalp and keep out every trace of dandruff.

This remedy is Newbro's Herpicide, long known as "the original Dandruff Germ Destroyer." By keeping the scalp clean, Herpicide not only prevents the hair from falling out but allows it to grow as nature intended. Begun in time and its use persisted

in, this valuable remedy insures a nice healthy head of hair. Herpicide imparts a life and luster to dull, dead, brittle hair, making it light, fluffy and beautiful. Don't wait. Begin now to save your hair.

Newbro's Herpicide in 50c and \$1.00 sizes is sold by all dealers who guarantee it to do all that is claimed. If you are satisfied your money will be refunded. Applications may be procured at the better barber shops and hair dressers.

A nice sample booklet on the care of the hair will be sent to anyone upon receipt of 10c in postage or silver. Address The Herpicide Co., Dept. R., Detroit, Mich.—Lehart Drug Store, special agents. Adv.

Advertisement for Whittall Rugs featuring an illustration of a large rug in a room and the text: 'Can You Beat It? One million people walked across a Whittall Rug and it isn't worn out.'

At Columbus, Ohio, a believer in Whittall Rugs put one on the sidewalk in front of the store. Three hundred ninety thousand people walked across that rug in seven days and only one of those days was pleasant.

After Vacuum Cleaning It Was In Fine Condition

During the Centennial celebration between 600,000 and 700,000 more people walked across that same rug—it was in fine condition. What do you think of that?

You must think that the rug that will withstand such hard usage as that and still be in even fair condition is remarkable. And that is why we make a specialty of

He Has Made Good

Congressman P. D. Norton Third District. His Record

Congressman Norton is the author of the Rural Credit Bill to give farmers long time farm loans at four per cent through government backing. He is the only Congressman from North Dakota to make a statement before the rules committee favoring the investigation of grain exchanges in the interests of the farmer. He supported currency reform. He voted against placing farm products on the free list. On every important question before Congress was a sterling, courageous fighter for progressive legislation. He secured the passage in the House of a bill to open coal lands of the Fort Berthold Indian reservation; secured the \$100,000 appropriation for the eradication of dourine; secured the passage through the House of the \$100,000 appropriation for purchasing cattle for the Indians on Standing Rock reservation.

He has been active, energetic and has uniformly obtained results for his constituents, notably in the case of August Budan, the Russian-German immigrant from Liepsig, Russia, who was saved from unjust deportation only by Norton's securing one of the most important reversals of a department of immigration ruling obtained in years. He has accomplished more in his first term than was ever accomplished by any congressman of North Dakota during the same time. He has made good and deserves re-election.—Advertisement.
