ROYAL WELCOME FOR GOV. HANNA

Complete Plans for Home Coming of State's Chief Executive Made at Fargo.

Fargo, N. D., Aug. 3.—Complete plans for the home coming of Governor Hanna on his return to North Dakota this week from Norway, where he went to officially present the bust of Abraham Lincoln to the Norwegian government as a gift of North Dakota, have been arranged by the general committee in charge.

The governor and his party will be met at Dilworth by the reception committee named by Mayor Emery, where he will leave the train and be escorted back to Fargo and his home on the corner of Third avenue and Ninth street south.

Judge Charles A. Pollock of the Third judicial district, will act as chairman of the reception committee, and as such will be the first to officially greet Governor Hanna as he steps from the train. This is most appropriate, as the governor and jurist have been close neighbors for many years, their home properties being separated only by the alley which divides the block in which they reside.

Judge Pollock's associates on this committee will be Judge Charles F. Amidon of the United States district court, Dr. Lewis T. Guilt, Commissioner Alex Stern, former Mayor William D. Sweet, Judge Edward Engerud, Com. J. J. Jordan, Postmaster H. C. Plumley, Pres. George H. Tolliver of the Northern Trust Co., Pres. E. J. Weiser of the First National bank, Pres. W. A. Scott of the Pioneer Life Insurance Co., and of the North Dakota State fair, Com. Robert B. Blakemore, former Pres. John H. Watson of the Fargo Commercial club, Vice Pres. H. W. Gearey of the Merchants National bank, O. S. Hadeland, Hon. Smith Stimmel, Com. Joseph L. Ames, J. P. Dotson, Peter Myrvold, and former Ald. August Hanson.

Reception at Night. The public reception celebrating Governor Hanna's return from Nor-

way will be held from the governor's residence at 8 o'clock in the evening. Citizens will gather at the corner of Broadway and N. P. avenue, where they will form in line and march to the governor's residence, headed by Pres. Herbert L. Lomist of the North-western Savings & Loan, who will act as marshal of the day.

The procession divisions will include the John F. Reynolds post of the Grand Army of the Republic, Co. I, of the North Dakota National guard, the Sons of Norway and citizens in general.

The line of march will be south on Broadway to Front street, west on Front street to Eighth street south, south on Eighth street south to Third avenue south, west on Third avenue south to Governor Hanna's residence on the corner of Third avenue and Ninth street south.

Welcomed by Amidon. Judge Charles F. Amidon of the United States district court has been selected to deliver the address of welcome. He will be introduced by Mayor Emery.

The mayor will welcome the governor back to Fargo on behalf of the citizens of the city.

Judge Amidon will welcome the governor on behalf of his old friends and neighbors and the citizenship of the state in general.

MAN FOUND DEAD BENEATH BRIDGE

Young Laborer Whose Name Is Not Known May Have Been Pushed from Height.

Moorhead, Minn., Aug. 3.—Coroner Vincent went to Hawley to view the remains of an unknown young man whose body was found under the bridge about a half mile east of Hawley. It appears the man either was pushed over or fell off the bridge. In the fall the face struck the reinforcing rods of the concrete pier and the head and face were so badly mangled as to be almost unrecognizable.

It is not known who he was as there were no articles found on the body by which he could be identified. He was a young laboring man, was dressed in good clothes and apparently was not broke. His hat was purchased in Fargo and his shoes came from Brainerd. He had black hair and was of medium height. The coroner will wait a few days for further clues before disposing of the remains.

CHARGED WITH MURDER

S. A. Burns Removed from Williston to Ward County Jail to Await Trial.

Minot, N. D., Aug. 3.—Sheriff Erickson has removed S. A. Burns from Williston to the Ward county jail at Minot, for greater safety. Burns is charged with murder in the first degree as the result of the finding of the body of Henry Saxe in the Missouri river with a bullet hole in his breast. Saxe was Burns' neighbor on the south side of the Missouri river, in McKenzie county, a few miles southwest of Williston. The evidence against Burns is circumstantial, but of a nature that leaves the authorities and people of the neighborhood with no reasonable doubt of the guilt of Burns. Strong feeling against him exists and to guard against any chances of difficulty during the long wait until the next session of the district court the sheriff made application to Judge Fisk, who issued an order to have the prisoner taken to the Minot jail.

HILDRETH IN WASHINGTON.

Washington, Aug. 3.—M. A. Hildreth of Fargo, N. D., is a capital visitor. It is understood that he is here in the interests of his candidacy for appointment as United States attorney for the district of North Dakota.

H. P. Knapp, editor of the Palladium, Bismarck, is at Washington, this week, and has presented to the attorney general a petition largely signed by residents of North and South Dakota, asking for the pardon of Andrew W. Lindquist and Charles G. Lindquist, now confined in the prison at Stillwater, Minn. The Lindquists were convicted at the May term of the United States court in South Dakota. The case arose out of irregularities connected with a bankruptcy proceeding. The attorney general has asked the trial judge and the United States attorney of South Dakota for a recommendation.

The bereaved parents are prostrated over their loss, this being their only daughter, and the sympathy of all goes out to them in their hour of sadness.

Near Tragedy at New Rockford When Auto Load of Young Folks Was Spilled.

New Rockford, N. D., Aug. 3.—An automobile accident, which might have resulted fatally, occurred in the neighborhood of the David Henry farm, northeast of this city, when the O. H. Foster car, containing his young people, turned turtle and rolled into a ditch, stopping when it was upside down and pinning five of the young people under the car, the sixth being thrown clear.

The accident occurred on a high grade and was caused by a deeply washed out place in the grade and the fact that the driver, Elmer Moe, was not familiar with the automobile he was driving and failed to get the emergency brake to work when he discovered the bad spot in the road. The party received several bruises and the driver suffered a couple of fractured ribs. The car also was badly demolished, the top, wind shield and one wheel being broken.

D., Aug. 3.—William Keller w-o farmer, the Nathan Flator farm out southeast of this city several years ago, but who has since resided in Barlow following his trade as a carpenter, died at the home of Fred Speck, two miles south of this city, having suffered a sunstroke. WOMAN REFUSES OPERATION

Tells How She Was Saved by Taking Lydia E. Pinkham's Vegetable Compound.

Logansport, Ind.—"My baby was over a year old and I bloated till I was a burden to myself. I suffered from female trouble so I could not stand on my feet and I felt like millions of needles were pricking me all over. At last my doctor told me that all that would save me was an operation, but this I refused. I told my husband to get me a bottle of Lydia E. Pinkham's Vegetable Compound and I would try it before I would submit to any operation. He did so and I improved right along. I am now doing all my work and feeling fine.

"I hope other suffering women will try your Compound. I will recommend it to all I know."—Mrs. DANIEL D. B. DAVIS, 110 Franklin St., Logansport, Ind.

Since we guarantee that all testimonials which we publish are genuine, is it not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help these women it will help any other woman who is suffering in a like manner?

If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound.

Write to Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
