FEELS LIKE A NEW WOMAN

As Lydia E. Pinkham's Vegetable Compound Dispelled Backache, Headaches and Dizziness.

Piqua, Ohio.—"I would be very ungrateful if I failed to give Lydia E. Pinkham's Vegetable Compound the praise it deserves, for I have taken it at different times and it always relieved me when other medicines failed, and when I hear a woman complain I always recommend it. Last winter I was attacked with a severe case of organic weakness. I had backache, pains in my hips and over my kidneys, headache, dizziness, lassitude, had no energy, limbs ached and I was always tired. I was hardly able to do my housework. I had taken Lydia E. Pinkham's Vegetable Compound on one other occasion, and it had helped me so I took it again and it has built me up, until now I feel like a new woman. You have my hearty consent to use my name and testimonial in any way and I hope it will benefit suffering women."—Mrs. ORPHA TURNER, 431 S. Wayne St., Piqua, Ohio.

Women who are suffering from those distressing ills peculiar to their sex should not doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

If you want special advice write to Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

BUSINESS VISITOR.

COLLEGIAN GOLFERS HOLD TOURNAMENT

Teams From Eight Colleges Will Take Part in Matches at Garden City, L. I.

At Garden City, L. I., this week, collegian golfers will traverse the links of the local club in quest of the annual award of team and individual championship honors from the Intercollegiate Golf association. The first three days and probably the early part of Thursday will be devoted to the decision of the team championship title and during the remainder of the tournament a qualifying play round, followed by rounds of match play, will be the order for the individual prize. Eight teams are expected to take part in the first half of the tourney, representing Yale, Harvard, Pennsylvania, Princeton, Cornell, Williams and probably Amherst and Dartmouth.

Yale and Harvard have furnished the only championship teams since the intercollegiate association was organized, Yale having won twelve games and Harvard six. Yale has held the honor since 1905, with nine consecutive victories. In the first three of these nine contests Princeton was the runner up; Harvard was second for the next five seasons and the last year at the Huntington Valley Country club, Philadelphia. Williams reached the final stage, but was beaten by Yale, six matches to three. Yale also holds the honor of having won the greatest number of individual championships; the New Haven collegians having finished first eight times, while Harvard won six and Princeton four of the 18 premier medals awarded.

If you need coal, use the New Babylon Lignite, it is the best. Geo. Robbins, Agent, 112 Eighth Street, or phone 56 or 34-2.—Adv.

MANY ENROLL IN HIGH SCHOOL

In Spite of Drawbacks, Enrollment on Opening Day Is a Record Breaker.

In spite of the disagreeable weather, the legal holiday, and the opening of the hunting season, the opening attendance at the opening of the High School year yesterday was 150 students. This enrollment is almost as large as the total High School enrollment for the school year, two years ago.

The grade school enrollment comes today, and the classes will assemble in rooms as designated in the Sunday Tribune. There are several boys in the High school this year who are very desirous of finding some work to do in their spare time, with which they can pay their way, in whole or in part. It will be much appreciated if anyone having such work, or knowing of it, will inform the superintendent at once.

There are many people in the city who are desirous of securing the services of girls who will do spare time work in exchange for their board, but there are very few girls to be found to take these places, so far. Any who are desirous of securing positions of this kind, can be directed to places where their services are desired, by applying to the superintendent.

DR. SHAW IS WOMAN OF ATTAINMENTS

Noted Suffragist Who will Speak Here Sept. 18, Has Well Filled Life.

On September 18, the people of Bismarck will have the pleasure of hearing the distinguished orator, Anna Howard Shaw, and those who fail to come out will miss a treat. Following is a short biography of the life of this well known woman: Shaw, Anna Howard (Miss), Clergyman. Born Newcastle on Tyne, England, February 14, 1847, daughter of Thomas and Nicolas Stott Shaw. When she was 4 years old the family emigrated to Massachusetts, and subsequently removed to Big Rapids, Mich., where she received a common school education. Began teaching at 15 and taught for five years. Her eloquence as a public speaker led the district conference of the Methodist Church, of which she was a member, to grant her a local preacher's license, which was annually renewed for eight years. In 1872 she entered Albion college, Michigan, and in 1875 the theological department of Boston university, from which she was graduated with honor in 1878. During the last year of her course she was pastor of the Methodist Episcopal church of Hingham, Mass. Her second pastorate was the Methodist church of East Dennis on Cape Cod, where she remained seven years, and for six years of that time supplied also the Congregational church of Dennis. Although she passed the best examination of any candidate, she was refused ordination on account of her sex by the New England Methodist Episcopal conference. Her case was again refused when appealed to the general conference in Cincinnati in 1880, and she then applied to the New York conference of the Methodist Protestant Church, being the first woman ordained in that denomination. She supplemented her theological degree by one in medicine at Boston university. Becoming deeply interested in practical reform she finally resigned her pastorate to lecture for the Massachusetts Woman Suffrage association and was also National Superintendent of Franchise for the Woman's Christian Temperance Union. In 1892 she was elected vice president of the National American Woman Suffrage association, and in 1904 became its president, which office she now holds.

TOURNAMENT IS POSTPONED

Mixed Foursome Will Be Held on Thursday, Sept. 10; Intended For New Members.

A mixed foursome golf tournament will be held at the Country club Sept. 10, starting at 10:00 a. m. As this has been specially arranged for the benefit of the members who have not yet started to play golf, the committee in charge asks the cooperation of the entire club for this event. It is not material if any member has ever played golf or has seen a game take this opportunity to walk over the links to see what a beautiful golf course we have and what has been accomplished in a year and a half. Let us establish a record in the United States by having Bismarck, a city of 7000 having 123 golfers on the links in one morning.

The committee will be at the club house at 10 a. m. until 5 p. m. to start the players, but no group of four will start after 5. This will be a two ball foursome and two prizes will be awarded to the team turning in the lowest score. The men will drive from the odd number tees and the women drive from the even number tees, playing alternately from each tee to the hole. Any player missing hitting the ball will let his or her partner make the next stroke.

The first man mentioned in each group of four in the list below is considered the captain and will arrange with his partner and their two opponents as to what hour they can meet for play, and furnish any substitutes needed. Any member whose name is not in this list should consider themselves as substitutes and the committee will arrange play for any member not mentioned and desiring to play.

SHOT SELF THROUGH HAND.
David Pir, a Russian living near St. Anthony, was brought to this city yesterday, suffering with a bullet wound through his left hand. He was handling a revolver, which was accidentally discharged. The wound was dressed, and he was taken to St. Alexius hospital.
Pir said he was on his way north with a party and several teams, to go into the threshing fields. He was walking beside his wagon, and was twirling the cylinder of the revolver, when it was discharged. Unless

blood poisoning sets in, his recovery will be rapid.

Mix the Breakfast Biscuits the Night Before—

Set Them Away in a Cool Place and Bake them Fresh in the Morning

If the family do not all eat breakfast together, you can bake a few at a time. If you are having hot biscuits for supper, mix and cut out enough more for breakfast. They will be much nicer freshly baked than warmed over.

Of course you can't do this very successfully with sour milk and soda or with any of the old fashioned, single acting baking powders, but this convenient way of making hot biscuits and muffins for breakfast is entirely satisfactory if you use

K C BAKING POWDER

which is really a blend of two baking powders, one of which begins to give off leavening gas as soon as moisture is added. The other is inactive until heat is applied. The dough will remain in a partly leavened condition for hours and when put in the oven will come up just as light and fluffy as if freshly mixed.

Get a can of K C today and try this easy way of baking biscuits at once. You'll never go back to the old way. 51
