CLOSE CALL FOR WOMAN IN STORE FIRE

Mrs. Henry Reed, of Baylor, Mont., Narrowly Escaped Being Burned to Death.

Baylor, Mont., Oct. 2.—The store of Henry Reed, located 19 miles south-east of this place, was burned to the ground during the night and Mrs. Reed was dragged, unconscious, from the burning building, with her clothing on fire.

The fire caught from a stove. Mr. and Mrs. Reed had retired to their rooms above the store and were awakened by the dog barking, but it was too late, for the entire north end of the store was ablaze.

Mrs. Reed seemed to have some heart trouble, which affected her and she fell to the floor when she saw the condition of the building. Mr. Reed had proceeded to the lower floor and was engaged in removing articles from the store as hurriedly as possible, and failed to notice that the smoke drove him out of the place. He then rushed back, only to find that her clothing was beginning to burn, and immediately removed her from the building and put out the fire in her clothing, burning his hands in the effort. Mrs. Reed is not in a serious condition.

The Reeds run a country store and were alone when the fire occurred. The loss is about \$2,500, partly covered by insurance.

BARN BURNED.

Supposed Children With Matches Caused Fire Near Ray.

Ray, N. D., Oct. 2.—The large barn on the H. A. Nelson farm south of town burned to the ground together with the usual contents of a farm barn and also about four thousand bushels of grain were destroyed. The fire started near noon and the alarm was spread. Mrs. Nelson, who was in the house at the time, was notified by her two little children, about three and four years old, that the hay in the barn was burning. It is presumed the children had been playing with matches and started the fire. Within a few minutes after the

SAGE AND SULPHUR DARKENS GRAY HAIR

Brush this through faded, lifeless locks and they become dark, glossy, youthful.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmothers made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture by asking at any drug store for a 50 cent bottle of "Weyl's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. Besides, it takes off dandruff, stops scalp itching and falling hair. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By spraying the gray hair disappears; but that delights the ladies with Weyl's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

alarm was given over one hundred men had gathered at the place coming from the nearby farms and threshing rigs. When the fire started there was only one team of horses in the barn and these were gotten out by Mrs. Nelson, as it was just before the noon hour, otherwise the barn would have been filled with the farm teams.

The fire spread so rapidly that it was impossible to save the other contents, consisting of tools, harness, fanning mills, etc. Within an hour after the fire started the barn was only a mass of ashes. Mr. Nelson estimates the loss at about \$4,500 to \$4,800 with only \$2,500 insurance.

MOHALL WILL SOON HAVE ELECTRIC LIGHT.

Mohall, N. D., Oct. 2.—At a special meeting of the city council, the ordinance granting Louis Heiner, an electric franchise, passed its second and final reading, and now it is up to Mr. Heiner to get busy and install the plant as soon as possible, which he intends to do.

This is a public improvement the city has long needed, and when Mr. Heiner has installed his proposed plant, Mohall will have an electric lighting system second to no city in the Mouse River Loop. The conditions under which the city council grants the franchise are most favorable and the city is fortunate in getting such a capable man to handle the light problem.

WOULD EXTEND ROAD.

Beach, N. D., Oct. 2.—Some of the contractors on the Northern Pacific extension work here report that it has been suggested to them to leave their machinery here until spring as there may be a further extension of the Northern Pacific line now being completed to Ollie, south of here, to connect with the present Mott line. Some years ago it was proposed to extend the Fargo-Edgley Northern Pacific branch to the Cannonball river to connect with the Mott line, and then extend from Mott to some point in Montana on the main line. It is now asserted that the extension will be made from Beach instead of from some Montana point. As a result of the rumors the people of Beach are elated as the south extension may be of much greater importance than originally announced.

LANKIN HARDWARE STORE IS ROBBED.

Lankin, N. D., Oct. 2.—The Myers hardware store at Lankin was robbed during the night. On opening the place of business in the morning Mr. Myers found the building had been entered through a rear window, which had been pried open. A Colt's revolver and a few cash notes were taken. No clue has been found of the burglar.

MANURE WANTED.

We will pay 20 cents per load for good, clean manure dumped at our nursery, which is just as convenient as the city dump. Adv. OSCAR H. WILL & CO.

AWARD PRIZES AT MANDAN FAIR

John Christianson and John Dawson Both Strong Winners in Horse and Cattle Class.

Yesterday was the concluding day of the Missouri Slope Fair. The judges in the various exhibits were especially busy all through the fair, and in some departments there was difficulty in determining the awards. John Christianson of New Salem this year again won the Northern Pacific cup awarded to the farmer showing the best two dairy cows from one farm.

John Dawson was winner of the champion sweepstakes for herd exhibition. Christianson won the sweepstakes on Holstein bulls. Diet Schwaning of New Salem taking second. Dawson took sweepstakes on cows, heifers and calves.

His herd of 20 black Polled Angus beef cattle came in for a share in the sweepstakes, and has been one of the features of the show. He has seven bulls and 13 females, including calves. One of the calves has secured a special honorary award and is without a doubt one of the best ever raised in the west.

Mr. Dawson took the first premium on Chester White boar and sow, took the sweepstakes in that class, took first premium for sow and litter and took first and second on Chester White pigs. He has also sold much stock, including four boars, two of his prize Angus bulls and other animals. In the horse department Mr. Dawson took the sweepstakes premium on stallions with his great Percheron, Hovet. He also took first premium on the horse with foal exhibit and on several of his Percheron colts.

In the swine department J. Robinson, who lives south of the city, took all of the prizes for Berkshires. George Mason, proprietor of the Sunny stock yards, took the first and second prizes, \$130, for the best litters weighing over 1200. The animals shown were Duroc Jerseys.

William Hoffknecht's imported Belgian stallion took the first premium in its class and second champion sweepstakes. Charles Seaman took a blue ribbon on his 3-year-old Percheron and on many Percheron mares. Joe Zachmeyer won premiums on his Percheron mares.

FARMERS HOLDING GRAIN.

Grand Forks, Oct. 2.—According to reports which have been received here by officials of the several railroad headquarters located in the city, North Dakota farmers are in no great haste to market their grain, believing that even higher prices will be secured before winter sets in. On the Dakota division of the Great Northern, an average of 117 cars of grain have been shipped during the week, and that is an exceptionally low figure for this period of the year.

By reason of the delayed marketing, it is probable that the freight business will continue active over a longer period than in other seasons. The coal movement from the Head of the Lakes will be under way soon, and both big transportation problems will have to be handled at the same time.

Reports also indicate that many farmers are holding their grain. At this time they may give more attention to their fall plowing operations, which have become quite general. All in all, the crop of this season looks like one of the most profitable that has been raised in several years.

NOTICE.

Try some of the New Salem coal when you are going to fill your basement. It is free from dirt. Geo. Robedou, Agt. Phone 56 or 342.—Adv.

The Anamosa opera house is being put in shape for basketball.

ERUPTION ON BABY ITCHED AND BURNED

Something Terrible, Whole Body Affected, Almost Impossible to Sleep, Disfigured Face, Cuticura Soap and Ointment Healed.

Everwood, Mich.—"My baby was six months old when he first began to break out with little pimples on his head and face. Then they would run water and keep getting worse until his head was a regular sore eruption and stream from it and his face also. His whole body was affected. They were little white pimples which heched and burned something terrible. His clothing seemed to irritate him and it was almost impossible for him to sleep at night. They also disfigured him as they were on his face.

"We tried medicine but without success. The trouble must have lasted three or four weeks when I thought I would try the Cuticura Soap and Ointment. I would bathe him with warm water as warm as he could stand and Cuticura Soap, then apply the Cuticura Ointment. The very first time that I did this it seemed to relieve him as he slept well and inside of two weeks he was completely healed. It is fifteen months old now and never has had any more trouble." (Signed) Mrs. L. White, Jan. 20, 1914.

Samples Free by Mail

A single cake of Cuticura Soap (25c.) and box of Cuticura Ointment (50c.) are often sufficient when all else has failed. Sold throughout the world. Sample of each mailed free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

THE DAILY HINT FROM PARIS.

Youthful evening gown of yellow mirlin de soie over yellow satin. Lace underbodice, silver ribbon tissue sash.

State Weddings

BURLESON-BREESH. Ernest Burleson and Miss Alvina Breesh were happily married at Jamestown, last week, in the office of Judge Hemmi.

ENGLERMAN-WOARD. At Linton, Miss Mary Englerman of Braddock and Ora Woard of Pawhuska, Okla., were united in marriage by Judge Chas. E. Cofford.

WOLGAST-NEILANS. Joseph W. Wolgast of Hansboro and Miss Margaret Neilans of Gardener were married at Fargo. They will go to housekeeping on a farm near Hansboro.

ACKERMANN-WOHL. A wedding which took place in Linton Sunday and which was attended by large numbers of relatives and friends of the contracting parties was that of David Ackerman and Miss Rose Wohl, Rev. Mr. Timmeke performing the ceremony.

ASHLEY-BLAUER. A very pretty wedding took place at the J. B. Ashley farm home, near Goodrich, when Gertrude E. Ashley became the wife of Ernest F. Blauer of Heaton, N. D. The ceremony was performed by Rev. Wm. Peterson of Goodrich.

ALEXANDER-CROFFORD. The wedding of two well-known young people of northern Statesman county occurred at Jamestown, when Blanch Alveta Alexander, daughter of Mr. and Mrs. John B. Alexander, Sr., was married to Harvey Augustus Crofford, both living near Edmunds, the groom being a young farmer in that vicinity. The ceremony was performed by Judge Hemmi. Mr. and Mrs. Crofford will reside at the farm home.

BERGTHAYER. A wedding of more than ordinary interest to the postoffice and printing office forces at Church's Ferry, occurred when E. M. Berg, son of Mr. and Mrs. Hans Berg of Epworth, was united in marriage to Miss Bessie E. Thayer, daughter of Mrs. C. M. Thayer of Ashley, Mich. The bridegroom is a young man well known to Church's Ferry people, having lived there for a number of years, where he attended the public schools. For the past two years Mr. Berg has held the position as assistant postmaster.

LAW REQUIRES "ADVT." Many people request the abbreviation "Advt." omitted from their local readers. This is direct violation of national law and should not be requested by thinking people. The Tribune must ask them to do their own law-breaking as we most certainly will obey the law and continue to print it Advt.

HOLSTEIN CATTLE FOR SALE. Forty head cows, heifers and bulls; some fresh and to freshen this fall. Prices and terms reasonable. GROSVENOR FARMS, Casselton, N. Dak.

HURT IN EXPLOSION. New Salem, N. D., Oct. 2.—Emil Christiansen, an employe at the D. C. P. company mine, set off a charge of dynamite and, misjudging the length of time it would take for the fuse to burn, stayed too long in the chamber and got caught by the explosion. Instead of death he was fortunate in escaping with a badly wounded left arm. The main charge seems to have struck the point of the elbow and followed both up and

Club Notes

The members of the Tuesday club of Valley City held their first meeting of the fall season. The meeting was held at the residence of Mrs. Leo Combs, and there was a good attendance. The club has taken up the study of birds. During the afternoon delegates were elected from the Tuesday club to the annual state federation at Jameson.

The Bathhouse Womans' Study club held its first meeting of the season with Mrs. Wilson. There was a fair attendance and a very profitable meeting held. Chief among the subjects handled was the "Annual Meeting at Chicago." Mrs. Hillis read a paper on this subject.

The first regular meeting of the Domestic club, Valley City, after the summer's vacation was held at the home of Mrs. Wm. Story.

The following officers were elected for the ensuing year: President—Mrs. J. H. S. Thomson. Vice President—Mrs. John Enerson. Secretary—Mrs. C. E. Moore.

A demonstration on soup making was given by Mrs. Story and "Laying a Luncheon Table" by Miss Josephine Benson.

An elaborate three course luncheon was then served by Mrs. Enerson and Mrs. Story, in Russian style. Red and white sweet peas graced the table and a color scheme of red and white—the club colors—was carried throughout the service.

CHEAPER MEATS. Get in the habit of buying your meats at DOHN'S MEAT MARKET, 516 Broadway, and save money.—Adv.

German Coffee Cake

Made Without Yeast
By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine.
There's no warm bread quite as appropriate for Sunday morning breakfast as German Coffee Cake, yet it is seldom made by housewives who do not bake their own bread. If K C double raise Baking Powder is used it will be just as good as if raised with yeast and it will have the further advantage of being fresh and warm. Save this recipe and try it next Sunday.

K C German Coffee Cake

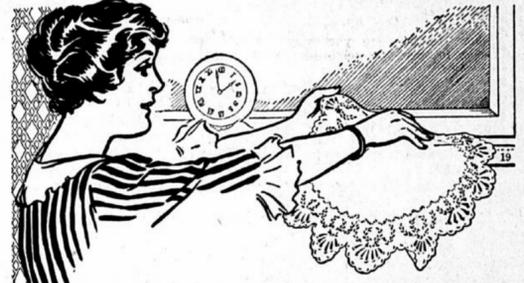

Two and one-fourth cups sifted flour; 3 level teaspoonfuls K C Baking Powder; 1 level teaspoonful salt; 2 tablespoonfuls melted butter; 2 tablespoonfuls sugar; 1 egg; milk.

Sift dry ingredients together, beat the egg, add milk and butter to the egg to make one and one-quarter cups; stir all together with inverted spoon to a stiff batter. Turn into biscuit pan and spread even. Brush top lightly with melted butter. Sprinkle sugar and ground cinnamon over the top. Bake in moderate oven.

Dutch Apple Cake or Prune Kuchen can be made with this same batter by covering the top with pared and sliced apples, or cooked prunes with the pits removed, skin sides down. Dredge with sugar and cinnamon the same as for Coffee Cake.

"The Cook's Book" contains 90 just such delicious recipes. You can secure a copy free by sending the colored certificate packed in 25-cent cans of K C Baking Powder to the Jaques Mfg. Co., Chicago, being sure to write your name and address plainly.

ALMOST every housewife owns some very fine laces, linens, draperies, etc., which she uses only on "state" occasions.

But no matter how carefully they are handled and put away, they generally need freshening up when they are taken from the attic trunk and almost always before they are returned to it. Yet one hesitates to wash such exquisite articles.

Use Ivory Soap and you need have no fear of washing any of them as often as necessary. It is so pure and mild that it will injure nothing that water itself will not harm. Its quality is in keeping with the choicest fabrics. That is why it washes them so safely and so beautifully.
