I was nervous, and had very little appetite, no ambition, melancholy, and often felt as though I had not a friend in the world. After I had tried most every female remedy without success, my mother-in-law advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and gained in strength every day. I have now no trouble in any way and highly praise your medicine. It advertises itself." - Mrs. S. T. HURLEY, Eldon, Missouri.
