A Clear Complexion

RUDDY CHEEKS—SPARKLING EYES—MOST WOMEN CAN HAVE.

Says Dr. Edwards, a Well-Known Ohio Physician.

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets, you will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter that one's system collects.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasant results.

Thousands of women as well as men, take Dr. Edwards' Olive Tablets now and then just to keep in the pink of condition.

Harris of the Presbyterian church, in the presence of a few members of the Kimball family, as the members of the Kimball Piano company style themselves. Mr. and Mrs. Woods will make their headquarters for the winter in Bismarck. Mr. Woods is a special representative of the Kimball Piano company and will work from the Bismarck branch. The best wishes and congratulations of numerous friends in Bismarck as well as Minneapolis are extended to them. A number of Mr. Woods' friends connected with the Kimball Piano company planned yesterday afternoon to give him and his bride a unique reception as soon as the ceremony was concluded, which they carried out as joyfully as they had planned it.

WOMEN MAY BE STRONG

and enjoy life whether in the home or business world if they can keep at bay those ailments peculiar to their sex. If every woman realized how Lydia E. Pinkham's Vegetable Compound, that simple remedy made from roots and herbs, goes to the root of the trouble and overcomes such symptoms as backache, headaches, nervousness, and irritability, they would be healthier, happier and stronger. If you suffer from any form of female ills why don't you try it. It will pay you to do so.—Adv.
