## Big Surplus On Hand

Chicago, Nov. 23.—"More than \$5,000,000 is already in the treasuries of the Methodist Episcopal conference and of the board of conference claimants, as an endowment fund to pension preachers," said Dr. J. B. Hingeley, secretary, today.

Dr. Hingeley says: "It is difficult to state in millions of dollars the exact situation regarding the 1915 campaign for ten million dollars, because the movement is in a condition of flux, and the movement is changing every day.

"The amount needed by way of permanent investments to make stable the claims of retired preachers is \$15,000,000. Of this amount \$5,000,000 is already in the treasuries of the Conference and of the board of conference claimants, besides subscriptions as yet unpaid, leaving \$10,000,000 as a conservative statement of the campaign in its present phrases.

"Hence in the general literature of the campaign, it is spoken of today as the \$10,000,000 campaign—to secure money enough to pay each retired minister half the average salary in the conference of which he is a member."

## DECIDE YOURSELF

The Opportunity is Here, Backed By Bismarck Testimony. Don't take our word for it. Don't depend on a stranger's statement. Read Bismarck endorsement. Read the statements of Bismarck citizens. And decide for yourself. Here is one case of it. J. W. Serres, prop. Banner House, Bismarck, says: "Lumbago used to trouble me and I had backache and pains in my sides. I knew that my kidneys were at fault and I began using Doan's Kidney Pills. They immediately strengthened my kidneys and cured the backache. Since then when I have had an attack of kidney trouble, I have taken a few doses of Doan's Kidney Pills and they have relieved me."

## JAMESTOWN WINS FROM BISMARCK

Turn Tables On Local Aggregation of Pin Artists In Games at That City.

Jamestown defeated Bismarck in the second inter-city bowling clash of the season at Jamestown last Saturday night, and incidentally avenged the "trimming" suffered here at the previous date in the initial clash of the two teams. High scores of 222 and 209 by Bettcher and Seamans, respectively, contributed liberally to the total of 947 pins the Jimtown artists scored in the first of the three games which gave them a lead and sufficient confidence to win the contest in handy fashion. Bettcher's bowling was a feature of the meeting, scoring 222 and 214 for high scores, with an average of 204 for the night's work. The Bismarck contingency was loud in praising the courtesy and social features provided for them by the Jamestown boys at the Y. M. C. A., the ladies and gentlemen combining to make their stay in that city a most
