

BUTTERMAKERS' ORGANIZATION

Chartermembership of 15; Meeting Held Dec.; All Members on Slope

Mandan, N. D., Nov. 23.—With a charter membership of fifteen, the Western North Dakota Buttermakers' association was formed here Saturday, as one of the activities in connection with the Booster Day program.

The officers elected were: President, Adam Beyers, Hebron; Vice President, Frank Kilzer, Richardson; Secretary and Treasurer, L. A. Graunke, Center.

Besides the fifteen charter members, who are all actively engaged in butter making, there is an honorary membership of over 20, composed of the officers and others actively engaged in the creamery and produce business.

Climate Failed; Medicine Effective

Sufferers from tuberculosis often think that medicine will not help them. Fresh air, regular habits and good food aid in restoring health, but more is often needed. Many have been restored to health by Eckman's Alternative. Read this—

Weldon, Ill.

"Gentlemen—Through your instrumentality I have been saved from a premature grave. On December 14, 1904, I was taken with Typhoid Pneumonia, which developed into Tuberculosis (bacilli were found). In February, 1905, I went to Fort Worth, Texas, and later to Canon City, Colorado. After being there two weeks my physician informed me that my case was hopeless. Three weeks later I returned home, weighing 103 pounds, the doctor having given me no assurance of reaching there alive. On July 14, 1905, I began taking Eckman's wonderful remedy for Lung Trouble. Now I am stout and well and can do any kind of work about my grain elevator." (Abbreviated).

ARDITH WEBB, Eckman's Alternative is so effective in bronchial catarrh and severe throat and lung affections and up-building the system. Contains no harmful or habit-forming drugs. Accept no substitutes. Small size, \$1; regular size, \$2. Sold by leading druggists. Write for booklet of recoveries. Eckman Laboratory, Philadelphia.

MOTHER! YOUR CHILD IS CROSS, FEVERISH, FROM CONSTIPATION

If tongue is coated, breath bad, stomach sour, clean liver and bowels

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow. If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."

Bad Prairie Fire

Wildfire—One of the worst prairie fires this district has ever suffered from this district has ever suffered from a premature grave. On December 14, 1904, I was taken with Typhoid Pneumonia, which developed into Tuberculosis (bacilli were found). In February, 1905, I went to Fort Worth, Texas, and later to Canon City, Colorado. After being there two weeks my physician informed me that my case was hopeless. Three weeks later I returned home, weighing 103 pounds, the doctor having given me no assurance of reaching there alive.

HARD TIMES DANCE

The Copper is here. So be of good cheer. Your protection is guaranteed. Don't try to flirt. With your best friend's skirt, Or he's liable to show you some speed.

At the A. O. U. W. Hard Times Dance tonight.—Adv.

WILL CONTEST KNITE'S WILL

Relatives Say His Last Will Made When His Mental Condition Was Bad

Devils Lake, N. D., Nov. 23.—A new will made but a short time before John Knite died, in which local families that had shown him kindnesses were substituted for legal heirs living at Holland, Mich., is to be contested in the courts, according to a decision reached here following the funeral of the old salt water sailor and later steamboat captain on the lakes.

For kindnesses of Mrs. J. C. McEldery in various ways, including hot coffee, she is given two residence properties in Devils Lake. For kindnesses from Mrs. L. C. Mason, Knite bequeathed a home in Devils Lake. The Mason family live on the lower floor occupied by Knite. A niece, Mrs. D. Kenyon, living near Golden Valley, N. D., is given the remaining house and lot.

Knite was buried here yesterday, the Grand Army post of which he was a member, conducting the services. He was a man 73 years of age, who has lived in Devils Lake as a bachelor for years.

A peculiar fact in connection with the old veteran's life is that "Knite" is his name only by common usage, the result probably of poor penmanship of a recruiting officer when he enlisted back in the sixties. His legal name was John Kuite. He joined Company I, Thirtieth Michigan infantry. The war department records showed that John Kuite served in this company. In order to receive the pension benefits, without going to the trouble of having the records straightened out, the name Knite was accepted. Relatives at Holland, Mich., adhere to the old family name of Kuite.

Morton county has a cigar factory located on a farm ten miles from the nearest railroad station. George D. Graham, the manufacturer, makes and sells 26,000 Mikado cigars every month.

NOVAK DOWNS ALLEN. Richardson, Nov. 23.—Saturday night at Richardson, N. D., Joe Novak of Bismarck defeated Allen in a wrestling match, best two out of three falls. Allen got the first fall after a hard tussle of 15 minutes, but Novak had his measure by that time and secured the next two falls in short order, the second in 1 minute and the third in 4 minutes. Allen outweighed Novak by about 30 pounds. A large crowd witnessed the bout. The six-round boxing bout proved an uninteresting slaughter.

OLD-TIME COLD CURE—DRINK HOT TEA!

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold. Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB RHEUMATISM FROM STIFF, ACHING JOINTS

Rub Soreness from joints and muscles with a small trial bottle of old St. Jacobs Oil

Stop "dosing" Rheumatism. It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuralgia. Limber up! Get a 25 cent bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

BISMARCK WANTS BRIQUETTING PLANT

Company Manufacturing 300 Tons Daily Has Eyes on Capital City for Location

Bismarck, through the Commercial club, is offered an opportunity to obtain a briquetting plant capable of handling 300 tons of lignite daily, and with an estimated annual net earning of \$199,200.00, on an original investment of \$200,000.00.

The plant would employ about fifty men and would pay out about \$40,000.00 per year in wages. Its daily product would include fifty tons of steam briquets, of an estimated value of \$6.00 per ton; 98 tons of coke briquets, at \$6.00; 3.3 tons of ammonium sulphate, at \$63.00; 300 gallons of naphtha at 14 cents and 900 gallons of creosote at 12 cents.

The plan proposed has been worked out by a competent firm of western engineers, who claim it to be the only satisfactory process in existence. The system has already been tried out in New Mexico, and the concern appears confident of its ability to deliver the goods.

The Commercial club is looking into the proposition, and if it finds that the engineers are willing to back up their faith with some good, hard cash, it may endeavor to interest sufficient additional capital to assure the location and operation of the plant.

Why those Pains?

Here is a testimonial unsolicited

"If I had my will it would be advertised on every street corner. The man or woman that has rheumatism and fails to keep and use Sloan's Liniment is like a drowning man refusing a rope."—A. J. Van Dyke, Lakewood, N. J.

Sloan's Liniment

for RHEUMATISM, SPRAINS, SORE MUSCLES

from blood-poisoning in his foot for several days is not improving. Martin Munsin's fine new house, northwest of Regan, will soon be completed.
