## SACRED CONCERT; ORGAN REVIVAL

The sacred concert to be given in the Presbyterian church Sunday evening will be opened by an organ recital by Prof. J. E. Fuerbringer, organist and choir director of the church. This will be followed by an extensive program of sacred numbers with solos by a number of the best known singers of the city.

During the service, the pastor, Dr. Charles W. Harris, will give a brief address on three of the well-known hymns. Many interesting features of these hymns will be told by Dr. Harris. Prof. Fuerbringer has prepared a special program of numbers for the organ. The song service will begin at 7:30.

### Bismarck Visitor.

Miss Kathelen Gabert of the Lucas store had for her guest over Thanksgiving, her brother, Joseph Gabert, of Dickinson.

### Entertains Club.

Members of the G. A. club were entertained jointly Thanksgiving evening by Miss Ida Yockim and Miss Sophia Scervinski, in the home of the former, on Front street. A Thanksgiving dinner was a feature and covers were laid for 12. Following the dinner games and music were enjoyed.

### Teachers Visit Here.

The Misses Blanche and Ethel Snell of Fort Rice township, were in the capital city yesterday calling on Assistant Superintendent of Schools Mrs. Nellie Everts. Miss Blanche teaches the Croft school while Ethel is the teacher at the Gibb school.

### Announces Birth of Daughter.

Announcement has been made of the birth of a daughter to Mr. and Mrs. Fred J. Grady of Third street, Friday, November 26, in the Bismarck hospital. Mother and daughter are doing nicely.

### Entertains at Luncheon.

Miss L. M. Ferrell has hosted Thanksgiving afternoon at her home in Broadway to a limited number of friends at a prettily appointed luncheon. Following the luncheon the afternoon was spent in games and music.

### Thanksgiving Guests.

Mr. and Mrs. Richard Penwarden of Broadway entertained as their guests over Thanksgiving, Mr. and Mrs. Arthur J. Hollensworth of Mandan.

### Dance a Success.

The Hard Times dancing party given by the A. O. U. W. and the Degree of Honor was voted a grand success by all those in attendance.

Costumes worn by the dancers shone in every respect. Three prizes were given for costumes most appropriate to the occasion. Fred Knudson won first prize of a \$4 hat, so kindly donated by A. Rosen, the winner to have his choice at Rosen's clothing store. The second prize was won by Max Siegel, being a pair of \$2 gloves. The third prize, a pound box of candy, was won by Mrs. Geo. Lalone.

The decorations and the Hard Times booth completed the setting for the entertainment. Miller's five-piece orchestra furnished the music for the dance. The A. O. U. W. wish to announce that before long other similar parties will be given for the benefit of the Workmen and their friends.

### Guild Meeting.

The St. George's Guild of the Episcopal church met yesterday afternoon with Mrs. W. A. Stickley at her home in Second street. The Guild was represented, and a number of important matters were discussed. A social hour followed the business session.

### MUCH GRAIN BONDED.

Langdon, Nov. 26.—Customs Officer Myers states that 130,000 bushels of grain has been bonded by him for shipment from Mowbray. The opening of the new shipping point at Windygates will no doubt take a considerable percentage of the grain that would have been shipped from Mowbray or points on this line.

Fairmount has gained quite a reputation for raising poultry and lately large quantities, several carloads at a time, have been shipped to the eastern market.

## BREAKS A COLD IN JUST A FEW HOURS

"Pape's Cold Compound" ends gripe misery—Don't stay stuffed-up!

You can end gripe and break up a severe cold either in head, chest, body or limbs, by taking a dose of "Pape's Cold Compound" every two hours until three doses are taken.

It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffing! Ease your throbbing head—nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, and causes no inconvenience. Be sure you get the genuine.

## SILENT DRAMA MORE POTENT FORCE THAN SPOKEN, SHE ARGUES

Emily Stevens.

New York, Nov. 26.—When a brilliant actress of the fame of Emily Stevens who scored a sensational success this season in "The Unchastened Woman," declares that the filmed drama is a more potent factor in the education of the American people than the drama of the stage, why, it is time for the old-line conservatives who frown on moving pictures to sit up and take notice.

When the noted star was interviewed and asked how it felt to be playing to an audience of millions instead of hundreds, she replied:

"It's great. It's impressive. It gives me a feeling of—really, it does, of terrible responsibility. Not just that, but every audience is different. I try and imagine the people who will see me play some time and the cosmopolitan nature of the audience seems so odd that I cannot realize it. I try to think what the western ranchman will say, how my expression will appeal to the Alaskan mine prospector, and whether I shall interest the tired worker sufficiently to keep him from falling asleep."

"Then, again, acting in moving pictures is so exciting. On the stage you can see and feel; the stillness or the restlessness, or the something that I cannot describe; the spiritual and the sensuous response; these tell you whether you are understood or not. But here with only the camera before you, it's tremendously more difficult. The camera is a hard, cold thing; it is inordinately selfish; it takes all and gives nothing."

## WILTON HAS NEW MOVIE THEATRE

The Playhouse Was Opened to the Public Thanksgiving Day With Large Attendance.

Wilton, N. D., Nov. 26.—Wilton's handsome new Grand theater and moving picture house was opened to the public Thanksgiving day with a free afternoon performance and a packed house in the evening. The building, which is of pressed brick, was erected by C. V. Danielson, one of Wilton's prominent business men, at a cost of \$100,000. The new theater is electric lighted and furnace heated with a ventilating system of the latest improvement.

Late Model Machine. The picture machine is an up-to-date model, and Mr. Danielson has announced the best films obtainable. An electric piano, which can be handled by the operator of the picture machine, has been installed, and has drums, cymbals, bells and other attachments. The building will seat 375 people and is one of the best arranged and most comfortable show houses in the state.

The stage is large and roomy and equipped to accommodate good sized road companies, and Mr. Danielson expects to secure a number of first-class attractions during the winter months.

## MINNESOTA EXECUTIVE DECLINES FORD INVITATION

St. Paul, Nov. 26.—Governor W. S. Hammond late today telegraphed Henry Ford, declining his invitation to participate in the proposed mission of peace for Europe. The governor commended Mr. Ford on his decision to help bring about peace, but said that business would prevent him from making the trip.

WASHBURN TO HAVE LIGHT. Washburn, N. D., Nov. 26.—An electric light plant will be established here soon, the city council having granted a franchise to Charles C. Arvig. The franchise runs 25 years, and though quite liberal in its terms, it gives the city adequate protection against excessive rates. Mr. Arvig intends to establish a plant here at once.

**WOMAN'S HOURS OF LABOR.** Pittsburg, Pa., Nov. 26.—Dr. Robert Olesen of the Pittsburg branch of the United States public health service left today for Milwaukee, Wis., where he will assist the Wisconsin State industrial commission in a survey of industries of that state to determine the number of hours a day woman can be employed without endangering her health. The federal government was invited to assist by the state industrial commission. The investigation will require about six months, according to Dr. Olesen.

### HANDY RECIPES.

**Toasted Salad Sandwiches.** Mash a cream cheese and moisten with French dressing. Cut graham bread in one-fourth inch slices, spread with cheese mixture and sprinkle with chopped pecan nut meats. Put together in pairs, remove crusts and cut in finger-shaped pieces. Toast, pile log-cabin on a plate and serve with salad course.

**Cranberry Salad.** Jellied Cranberries, nut meats, stuffed olives, celery. To the jellied cranberries, while still warm, add the chopped olives (one half cup of each to one quart of cranberries) and celery. Pour into individual molds. When cold turn out on a leaf of head lettuce, sprinkle with chopped nuts. Serve with a cream mayonnaise.

**WORTH KNOWING.** The secret of a light omelet is to froth the eggs. One egg well beaten is worth two not well beaten.

Keep a long wooden needle in the kitchen and, after frying omelets, string them over the handle. Support the two ends on the edge of a pan and leave the doughnuts there to dry. Some cooks find it more satisfactory to dip the hot doughnuts into very warm water just for a second before letting them dry. This removes all surplus grease from them.

When sewing buttons on a coat where there is apt to be a strain, sew a flat button on the inside as a stay, putting the thread through at once. This makes a neat finish inside and prevents any tear of the cloth.

When sweeping carpets always remember to sweep the way of the grain. To brush the wrong way is not only bad for the carpet, but tends to brush the dust in instead of out.

An easy and cheap way to clean the food chopper is to take a piece of raw potato and put it through the chopper, by doing this each particle of food is forced out, leaving only the potato in the machine, which is very easily rinsed out.

**A WELL-SPENT LIFE.** To keep on in face of grim defeat. And give a cheery smile to all you meet; And when the burdens on your shoulders press Forget to sigh and wish that they were less; To measure up to what you've tried to be In moments when you've felt hope's ecstasy; To grow accustomed to the daily trend Of irksome duties—e'en your aid to lend; To those who like you struggle with defeat. Yet lack the courage tactfully to meet And face the issue; to be kind and true To all who place their confidence in you; Serene and patient when in sorrow's stress, Not envious of another's happiness—These are the virtues which to gain or lose Remains for you alone to wisely choose.

Announcement that a German professor has discovered a means of converting straw into food is not startling. We have all sampled foods that tasted like that.

One low-spirited person declares that there are only 100 good poets in the United States. But even 100 poets, if they work full time, will soon glut the poetry market.

And now another professor says we sleep too much. Who shall decide when professors disagree? Well, the ordinary citizen generally does anyway, irrespective of the professional opinions.

If the man who makes two blades of grass grow where one grew before is a benefactor of his race, what is to be said of the man who cuts down the cost of gasoline, and thereby makes life more auto-matic for the general population?

A man who brought suit for damages against a defendant whom he charged with alienating his wife's affections won his case and was awarded six cents damages. Without definite knowledge regarding the woman in the case it is impossible to say whether or not he came out ahead by resorting to the courts.

## SKATERS ADOPT THE CHIN CHIN COLLAR

This season's skating costumes excel anything that has yet come to the fore in fashions for this sport. And one of the most popular innovations is that of the "chin chin" collar, which is shown here. The picture shows Louise Boldt in a blue divette trimmed with coney. The hat is of white velour trimmed with black seal.

## SCOTT REX GIVES UP HIS PRACTICE IN CITY

Grand Forks, N. D., Nov. 26.—Scott Rex, one of the leading lawyers of North Dakota, has dissolved partnership with States Attorney O. B. Burtness, and a new law firm has been organized.

W. A. McIntyre, who for the past ten years has been practicing as an attorney at Langdon, succeeds Mr. Rex in the partnership, and after the end of December the new firm will be known as McIntyre & Burtness.

During the winter Mr. Rex will practice at Stockton, Cal. He has made no final plans for his future action after this winter, but it is a practical certainty that he will make his permanent home on the Pacific coast. Ill-health has caused Mr. Rex to make this change. His family will remain here during the winter.

After graduating from the Minnesota university in 1906, Mr. McIntyre started in practice at Red Lake Falls, Minn., where he remained for five years. Next he went to Langdon, where he has been engaged in his profession up to this time. Mr. McIntyre will arrive here Saturday.

For North Dakota: Partly cloudy Saturday and Sunday; cooler Saturday.

The Missouri Slope Poultry association will hold its second annual exhibition at Dickinson, December 15-18. The time set for entries to reach there is December 8.

## DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

## RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled. This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, get absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

## SCHOOL OPENS NEXT MONDAY

Owing to the fact that there has been a rumor afloat that the Thanksgiving recess would be extended on account of an epidemic, it seems best to make a special announcement that school will open again Monday, as previously planned.

**Vaccination Certificates.** In this connection patrons should be reminded of the rule of the state board of health, which reads as follows: "No child shall be permitted to enter any school in the state until satisfactory evidence of successful vaccination has been given to the proper authorities."

Certificates of vaccination from any physician or certificates showing immunity will have to be furnished.

## GOLD MINE OF FACTS COMES TO LIGHT

New Universities Dictionary Contains Valuable Department of Information.

A veritable gold mine of useful information has been discovered under the caption, "Facts Worth Knowing," in "The New Universities Dictionary" being offered to the readers of this paper. A perusal of this department discloses an encyclopaedia in miniature. It is remarkable for the value and completeness of its contents.

Regular and emergency rules of the state department at Washington for the issuance of passports to citizens desiring to travel abroad are fully explained and the foreigner who simulates to this country can find out how to become a naturalized citizen of the United States. Rules governing the issuance of patents, the use of the mails and the workings of the postal savings department are other subjects treated in an interesting manner. Statistics are given showing, according to the latest census figures, the population of the United States, the ranking of the states, the apportionment of representation in congress and the population of the principal cities.

The value of the dictionary is further enhanced by numerous illustrations done in color plates and duotones, all designed to lend additional clearness to the text. In all its features the book is thoroughly new and up to date. Hundreds of new words and phrases, not found in any other dictionary, are clearly defined and properly classified.

## PROTRACTED MEETINGS EMINENTLY SUCCESSFUL

The service last night at the First Baptist church was one greatly appreciated by all who were present. Rev. William Hutcheson, pastor of the First Methodist church, delivered a splendid sermon that deeply touched the hearts of those who heard him. He used as his text, Rev. 2:17, "To him that overcometh, to him will I give of the hidden manna, and I will give him a white stone, and upon the stone a new name written, which no one knoweth but he that receiveth it." He pictured in a most clear and forcible manner the great blessings which God stands ready to pour out upon him that overcometh. Those who heard Dr. Hutcheson last night will not soon forget the message.

Called to Jamestown. In introducing Dr. Hutcheson, the pastor, Rev. Bruce E. Jackson, stated that Rev. E. A. Gilmore, who it had been expected would speak, had been called to Jamestown by the sudden death of one of the deacons of his church and that at a late hour in the afternoon Dr. Hutcheson had responded to his invitation to speak. Mr. Jackson expressed his great appreciation of the favor done the church through Dr. Hutcheson's consent to speak.

Dr. Gilmore Will Return. Rev. E. A. Gilmore will return to the work here for Monday night of next week. Mr. Jackson will be the speaker at the services on Sunday. There will be no service tonight, but tomorrow there will be a special service at 10:30 a. m., at which time the choir, under the able direction of Mr. I. L. Sechrist, will sing. A children's service at 3 p. m. and a song service and gospel sermon at 7:30 p. m. The large chorus, under the direction of Prof. J. E. Fuerbringer, will be present and render special numbers at the evening service.

## BIBLE READING AS A PENALTY.

Sentencing criminals to the navy has become unpopular. The navy did not like it, and most judges came to respect the natural prejudice against forced recruitments of this kind. It has remained for a Los Angeles judge to discover a new and unique substitute for the penitentiary. Many new things come from Los Angeles, but no Los Angeles phenomenon has been more amazing than this of a judge sentencing a young offender to read the Bible. The culprit was given the choice of ten years in the penitentiary or 30 days in the county jail devoted to careful and exhaustive study of Holy Writ, says Cleveland Plain Dealer. The latter alternative was chosen, and just at present the young man is displaying all the virtues of the most conscientious student. He is reading his Bible early and late, and reading it with care and thoughtfulness. For at the end of 30 days the judge, who is a Bible student himself, will hold an examination of this class of one. Questions will be asked which will tend to prove or disprove the honesty of the Bible reader's application to his task. If a satisfactory record is made the student will be allowed to go free. If he "flukes" the penitentiary will receive him.

## ITCHING BURNING SKIN TROUBLE

Scatched and It Would Burn and Hurt. Spread Larger and Larger. Used Cuticura Soap and Ointment. In Two Weeks Well.

Joppa, Ill.—"I was annoyed both day and night by itching and burning on my legs. The trouble broke out with a rash something like heat, was raw and began to get worse. It itched very badly. I would scratch until the blood would come out then Oh! how it would burn and hurt. It began to spread larger and larger. It would hurt when my clothing touched it."

"I tried several remedies, such as Salve, etc., without success. I had this trouble about ten months before I began to use Cuticura Soap and Ointment. First I would wash the affected parts with Cuticura Soap and then apply the Cuticura Ointment. In two months I was completely well and it has not returned." (Signed) Roscoe Taylor, July 9, 1914.

Cuticura Soap to cleanse and purify and Cuticura Ointment to soothe and heal are most effective toilet preparations.
