### NEW PROPOSALS EXPECTED IN THE LUSITANIA CASE

(Continued from Page One) matic relations is believed to be evident, notwithstanding the strong opposition of the Liberal and Hungarian parties and diplomats, who demand that an agreement shall be reached with Washington.

The reply to the first American note, it is declared, was drafted in Berlin. Such pressure was brought to bear on Austria that both Count Tisza and Baron Burian, who favored a policy of conciliation, had their hands forced and, therefore, it is claimed that the question more directly concerns Berlin than Vienna. It is considered that there is still a possibility of an agreement within the next 24 hours, but if the situation becomes to a rupture of diplomatic relations, not only Vienna, but Berlin would be effected.

### How To Make the Quickest, Simplest Cough Remedy

Much Better than the Ready-Made Kind and You Save 50%. Fully Guaranteed.

This home-made cough syrup is now used in more homes than any other cough remedy. Its promptness, ease and certainty in conquering distressing coughs, chest and throat colds, is really remarkable. You can actually feel it take hold. A day's use will usually overcome the ordinary cough—relieves even whooping cough quickly. Splendid, too, for bronchitis, spasmodic croup, bronchial asthma and winter coughs. Get from any druggist 2 1/2 ounces of Pinex (50 cents worth), pour it in a pint bottle and fill the bottle with plain granulated sugar syrup. This gives you—at a cost of only 64 cents—a full pint of better cough syrup than you could buy for \$2.50. Takes but a few minutes to prepare. Full directions with Pinex. Tastes good and never spoils. You will be pleasantly surprised how quickly it loosens dry, hoarse or tight coughs, and heals the inflamed membranes in a painful cough. It also stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough. Pinex is a most valuable concentrated compound of genuine Norway pine extract, rich in gnaiaol, which is so healing to the membranes. To avoid disappointment, be sure and ask your druggist for 2 1/2 ounces Pinex, and don't accept anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.
