"ROBIN HOOD" HERE WEDNESDAY NIGHT

Popular English Light Opera to Be Sung by DeKoven Opera Company.

The next attraction at the Auditorium will be the De Koven Opera company, in an ambitious production of "Robin Hood," Wednesday night. This is the company organized by Reginald de Koven, the composer, for the purpose of restoring the glories of English light opera.

The principals were recruited from the grand opera houses of Europe and America, and a revival of "Robin Hood" was made at the New Amsterdam theatre in New York two seasons ago, where it ran for six months to capacity houses, was then transferred to the Knickerbocker theatre for another run and subsequently toured the country to enthusiastic welcome.

It was Mr. de Koven's intention to make it a permanent organization, consequently most of the original company have been retained and are making their third tour of the country, taking in only the large cities.

The chorus and orchestra of the mother country remain intact and are those that will be seen here. Heading the present company are Ivy Scott, dramatic soprano from the Metropolitan Grand Opera, New York, who sang Maid Marian all last season, and James Stevens of the Chicago Grand Opera, who sang Little John last season.

Another valuable member this season is Wm. Schuster, whose excellent work with the Century Opera company will be remembered, and who will be seen in the role of Friar Tuck. Others in the company from last season are Phil Branson and Tillie Salinger, and the rest of the cast includes Cora Tracy as Alan-a-Dale, Ralph Brainard as Robin Hood, Carolyn Andrews as Anabel, Sol Solomon as Sir Guy and Herbert Waterous as Will Scarlet.

The production is the same one used at the New Amsterdam theatre. There is a special orchestra carried by the company and the large chorus some chorists have been picked not only for their voices but their fitness to wear the tights and jerkins of Robin Hood's merry men.

This engagement bids fair to be the musical and social event of the season, and patrons should secure their seats well in advance, as they may never again have an opportunity to hear this comic opera rendered by grand opera singers. The performance will be entirely in English.

AFTER SIX YEARS OF SUFFERING

Woman Made Well by Lydia E. Pinkham's Vegetable Compound.

Columbus, Ohio.—"I had almost given up. I had been sick for six years with female troubles and nervousness. I had a pain in my right side and could not eat anything without hurting my stomach. I could not drink cold water at all nor eat any kind of raw fruit, nor fresh meat nor chicken. From 178 pounds I went to 118 and would get so weak at times that I fell over. I began to take Lydia E. Pinkham's Vegetable Compound, and ten days later I could eat and it did not hurt my stomach. I have taken the medicine ever since and I feel like a new woman. I now weigh 127 pounds so you can see what it has done for me already. My husband says he knows your medicine has saved my life."

Mrs. J. S. Barlow, 1624 South 4th St., Columbus, Ohio.

Lydia E. Pinkham's Vegetable Compound contains just the virtues of roots and herbs needed to restore health and strength to the weakened organs of the body. That is why Mrs. Barlow, a chronic invalid, recovered so completely. It pays for women suffering from any female ailments to insist upon having Lydia E. Pinkham's Vegetable Compound.

LUSITANIA CASE REPORTED

(Continued from page one) tonight. The agreement is prefaced with the statement that submarine warfare in the North Sea was inaugurated by Germany in retaliation for what she regarded as the "illegal" British blockade under the orders in council. It then states that the method of conducting submarine warfare in the North Sea has been modified, on account of the friendship Germany has for the United States and because

of the fact that American lives have been lost.

Willing to Co-operate. Germany says that the killing of Americans was not intended, because reprisals should not be pointed to neutrals, and in addition to expressing regrets for the loss of American lives assumes liability and offers reparation in the form of indemnity.

The last portion of the document expresses the readiness of Germany to co-operate with the United States in any effort looking toward the freedom of the seas.
