OSTEOPATHY is a science which teaches that the human body is capable of producing within itself all substances necessary for the building and repairing of human tissues, provided there is no mechanical interference with the circulatory or nervous system. Correction of such mechanical interference permits a free flow of forces and nourishment between the parts, which restores normal tissues and re-establishes the harmony of conditions and action known as health.

Choir Members Hold Progressive Dinner

An interesting social event in church circles last evening was the progressive sleighing and dinner party given by members of the First Baptist church. The young people met at the church at 6:30 and proceeded to the home of Mr. and Mrs. J. O. Varney in Second street, where the first course was served. After a drive around town they returned to the church, where the meat course was served. Later they went to the home of Mr. and Mrs. Charles Staley in Sixth street, where the salad course was served, and from there to the home of the choir director, Mrs. C. C. Stein, in West Main street, where the dessert was served. At each place a short musical program was presented and a social time enjoyed. It was after midnight when the festivities came to a close.

HELP FOR WORKING WOMEN

Some Have to Keep on Until They Almost Drop. How Mrs. Conley Got Help.

Here is a letter from a woman who had to work, but was too weak and suffered too much to continue. How she regained health—

Frankfort, Ky.—"I suffered so much with female weakness that I could not do my own work, had to hire it done. I heard so much about Lydia E. Pinkham's Vegetable Compound that I tried it. I took three bottles and I found it to be all you claim. Now I feel as well as ever I did and am able to do all my own work again. I recommend it to any woman suffering from female weakness. You may publish my letter if you wish."—Mrs. JAMES CONLEY, 516 St. Clair St., Frankfort, Ky.

No woman suffering from any form of female troubles should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous remedy, the medicinal ingredients of which are derived from native roots and herbs, has for forty years proved to be a most valuable tonic and invigorator of the female organism.

All women are invited to write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special advice.—It will be confidential.

the home of Rev. and Mrs. F. C. Proehl in Sixth street. During the business session officers of the year were elected. They are: President, Mrs. H. J. Zimmerman; vice president and secretary, Miss Derrick; program committee, Mrs. Zimmerman and Miss Teske. A social hour followed the business.

"Snowball" Dance.
Those in charge of the "snowball" dance, which the Ancient Order of United Workmen and the Degree of Honor will give in Patterson hall Tuesday evening next, promises to make it one of the big events of the season. The hall will be artistically decorated to make it resemble the polar regions and a special feature will be the snow storm dance. F. W. Snyder is chairman of the entertainment committee and will have charge of the ticket sale.

Concert Saturday Night.
An interesting musical event this week in the capital city is scheduled for Saturday evening in the Evangelical church, when the Coates Concert company will give one of their pleasing entertainments. The personnel of the company is Prof. Alfred C. Coates, director and violin and cornet soloist; Mrs. Callie E. Coates, reader, singer and cellist; Miss Dorothy Coates, harp and piano; Miss Carolyn C. Coates, violin and piano. The entertainment is one of the series in the entertainment course.

Missionary Society Meeting.
The Woman's Foreign Missionary society of the McCabe Methodist Episcopal church met yesterday afternoon with Mrs. George Niles at her home in Second street. "China a Nation at School" was the subject studied. Discussions on the subject were made by

Mrs. H. S. Lobach, who gave a summation on the school work in China; Mrs. Haigh gave the response; Mrs. N. S. Jewett on "The Needs of Schools in China" and Mrs. J. H. Hannan gave a reading on "A Girls' Beautiful Thought." A leaflet was read on the work of Miss Jennie Hughes and Dr. Mary Stone, missionaries of the Kiang district. A social hour followed the program.

HAIR COMING OUT?

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a 25-cent bottle of Danderine at any drug store, pour a little in your hand and rub it into the scalp. After a few applications the hair stops coming out and you can't find any dandruff.

EAT WITHOUT FEAR OF INDIGESTION OR SOUR, ACID STOMACH

Instant relief! "Pape's Diapepsin" ends your stomach trouble forever.

Wonder what upset your stomach—which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapepsin and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.
