

AUTOMOBILE DERBY DURING CONVENTION

Big Races Will Be Staged on the Chicago Speedway During Convention Week.

Chicago, Feb. 7.—With the republican national convention opening June 7 and the second annual Chicago Automobile Derby scheduled for Saturday of that week, June 10, David F. Reid, president of the local speedway association, wishing to give the race thrill seekers an even run for their hotel reservations, yesterday made arrangements to establish a hotel information bureau at Speedway headquarters, where out of town spectators may obtain up to the minute information on hotel accommodations and make room reservations by mail or telegraph.

The bureau will probably be opened when the tickets are first placed on sale. The hotels have agreed to cooperate with the Speedway management and each day will make a report on how many rooms are available during the week of Chicago's double major attractions.

Distance and purse reduced. President Reid is confident that this year's Motor Derby will attract spectators from all over the country and that the attendance from out of town will be greater than last season, when the race had its inception and lacked the prestige that it now holds by virtue of the record breaking time in 1915. Every mail brings in letters of inquiry concerning the race, although it is more than

four months away. For example, an enthusiast yesterday wrote that he was planning to chaperon a party of 24 Virginians to witness the June 10 contest and made reservations for four boxes.

Not only has the distance and purse of the 1916 race been reduced, but the speedway directors have cut the admission prices as well. No gate money will be charged for this year's event, whereas in 1915 it cost \$2 to get inside the grounds and an additional expenditure was necessary if one wished to have a seat in the grandstand or bleachers. The following scale of prices have been decided upon for the June 10 contest:

Box seats, including admission, \$7, \$8 and \$10; grandstand seats, including admission, \$3.50, \$4 and \$5; bleachers, \$1.50 and \$1; paddock, \$2 and \$1; parking spaces, \$5 and \$10. This represents a cut of approximately 50 per cent from the admission prices that prevailed last year, when the choicest box chairs sold for \$25 and the best grandstand seat cost \$7. The cheapest bleacher seat in 1915 represented a total outlay of \$3, as \$2 was charged for general admission.

CORRESPONDENCE

STANTON.

Sheriff Wm. Haevischer leaves today for New York City, armed with extradition papers for George Post, who escaped some weeks ago, after having been charged with the crime of rape of a young girl in the western end of Mercer county. A reward of \$100 offered by the local authorities was claimed by New York officials this week by wire.

A snow plow made its initial trip over the Stanton branch of the Northern Pacific during the storm the other day. It seems as though railroad officials are making an especial effort to give good service, as all trains have been on time on this line, while reports are that the main line trains are from four to fourteen hours late. Stanton's all-home champion baseball team of 1915 will be in the field this year, stronger than ever before. A meeting was held recently, at which time D. M. Holland was elected manager and Frank Sherlock, captain for the coming season. A dance and basket social was held Saturday night, at which time \$200 was raised with which to start the season. Stanton has lost but one man, in A. D. Brown, who recently moved to Deulbach, and sufficient material has presented itself so that this hole will be filled.

WASHBURN.

Emanuel Schulz, manager of the Schultz store, returned from the east this week. He bought his spring stock of goods for his up to date store and he will continue to please his customers.

Mr. and Mrs. Fred Schofield and

two little boys started for Fargo last week. They were stalled in Bismarck a couple of days on account of no trains on the N. P., but are now in Fargo. Mrs. Schofield will undergo an operation while there.

McLean county is considerably richer since the Soo Railroad company paid their taxes, last week. They sent a check for \$28,847.31. This is nearly \$5,000 more than they paid last year.

County Superintendent and Mrs. John L. Brekken are rejoicing over the arrival of a son and heir, who came to make his home in the Brekken family last week.

Andrew Grosz is still in a hospital in Bismarck, but is said to be getting along nicely.

Mrs. Wm. Chas. Arvig and Arthur Sheldon went to a hospital in Bismarck for treatment this week.

Dr. G. L. Gordon is in Chicago, receiving treatments for rheumatism. He expects to send a doctor here to fill his place while he is away.

One of McLean county's pioneers celebrated his 71st birthday last week by giving a big dinner to a number of his friends. Mr. Herred has lived here since the eighties and is known by all the old-timers.

John Koeng, a prominent farmer near Underwood, passed away last week. He leaves a wife and seven children to mourn his death.

Washburn is a flax straw center and ice center this winter. An agent

Makes Stubborn Coughs Vanish in a Hurry

Surprisingly Good Cough Syrup. Easily and Cheaply Made at Home.

If some one in your family has an obstinate cough or a bad throat or chest cold that has been hanging on and refuses to yield to treatment, get from any drug store 2 1/2 ounces of Pinex and make it into a pint of cough syrup, and watch that cough vanish.

Four 2 1/2 ounces of Pinex (50 cents worth) into a pint bottle and fill the bottle with plain granulated sugar syrup. The total cost is about 54 cents, and gives you a full pint—a family supply of a most effective remedy, at a saving of \$2. A day's use will usually overcome a hard cough. Easily prepared in 5 minutes—full directions with Pinex. Keeps perfectly and has a pleasant taste. Children like it.

It's really remarkable how promptly and easily it loosens the dry, hoarse or tight cough and heals the inflamed membranes in a painful cough. It also stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough. A splendid remedy for bronchitis, winter coughs, bronchial asthma and whooping cough.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, rich in quinine, which is so healing to the membranes.

Avoid disappointment by asking your druggist for "2 1/2 ounces of Pinex," and do not accept anything else. A guarantee of absolute satisfaction goes with this preparation or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

is collecting flax from the farmers. It will be baled and shipped east. A number of small towns on this branch get their summer supply of ice at this place. C. A. Brummund has handled this line of business for several years.

Rev. J. G. Reid is in Jamestown this week, attending a conference of the ministers of the Methodist church.

B. W. Elder will be here again next week to buy horses for the army. He has done some big business in this state during the last year.

Washburn is in line for a farmers' institute. One will be held here on March 1 and 2. In the past these meetings have been well attended and are always a benefit to everyone.

Mrs. M. P. Lenhart of Bismarck were here this week, visiting at the home of Mrs. Lenhart's sister, Mrs. P. M. Ferguson. The Lenharts were former residents of Washburn and their many friends are always glad to see them.

Emil Christensen, who owns a quarter near the Oberg farm, won second prize in flax at the Grain Growers' convention in Fargo.

The ladies of the Methodist church have organized an Aid society. Mrs. Reid is president, Mrs. Packard, secretary; Mrs. H. O. Danford, treasurer. They will hold their first meeting at the Exchange on Thursday. A good lunch is served all the time.

John Satterlund went to Minneapolis today on a short business trip. He has been very busy all winter shipping coal from his Blumina mine here.

In account of the deep snow the rural route carriers are only making half a round each day. The farmers now realize what it is to have daily service.

VALLEY CITY NEWS.

C. E. Burgess of Jamestown was a business caller here the fore part of the week.

Mr. and Mrs. W. W. Smith entertained at cards on Friday afternoon, at their home on Seventh avenue. Two tables of bridge which were played. The high score being made by Mrs. C. F. Mudgett, who received a handsome prize. Dainty refreshments were served. All report a good time.

C. C. Chaffee, manager of the Chaffee Department stores, left on Monday for a buying trip to the Twin Cities and Chicago. He expects to be gone several weeks.

Ex-Gov. Frank White spent a couple of days at Sheyenne on business. He reports lots of snow on the branch.

Prof. L. B. McMullen of the Normal faculty was able to be out the first of the week, after a long siege of a gripe. While not able yet to attend to his duties as yet, we are wishing him a speedy recovery.

Atty. Leo Combs has been attending legal business matters at Fargo and Grand Forks this week.

E. M. Thompson, a leading business man of Wimbledon, was a visitor to Valley City for several days this week. M. T. Miller of Grand Prairie spent

Tuesday in the city, calling on his many friends.

Mrs. B. L. Cheney of the north country left for her home on Monday, after being confined to the Riverside hospital in this city for more than two weeks.

M. Marquise of Wimbledon was a business visitor to Valley City on Monday. Mr. Marquise is interested with his brothers in the Wardrobe Clothing Co. here.

Martin Chandon of Eckelson paid Valley City a pleasant call the fore part of the week.

E. L. McCre and daughter, Miss Ann, left last week for Hot Springs, Ark., where they will spend several weeks. From there they expect to go on west to California and return by way of Portland and Seattle, stopping at Butte.

Among those attending the Auto show at Minneapolis this week were Frank Heius and Peter Ludwig.

Miss Elsie Stenschoel, teacher in the Rogers public schools, spent Sunday with her sister, Miss Clara.

President Geo. McFarland of the Normal returned to the city, after an absence of several weeks' visiting at Cleveland, Ohio.

Miss Blanche Rogers of Herman,

SALTS IN HOT WATER CLEARS PIMPLY SKIN

Says we must make kidneys clean the blood and pimples disappear.

Pimples, sores and boils usually result from toxins, poisons and impurities which are generated in the bowels and then absorbed into the blood through the very ducts which should absorb only nutriment to sustain the body.

It is the function of the kidneys to filter impurities from the blood and cast them out in the form of urine, but in many instances the bowels create more toxins and impurities than the kidneys can eliminate, then the blood uses the skin pores as the next best means of getting rid of these impurities which often break out all over the skin in the form of pimples.

The surest way to clear the skin of these eruptions, says a noted authority, is to get from any pharmacy about four ounces of Jad's Salts and take a tablespoonful in a glass of hot water each morning before breakfast for one week. This will prevent the formation of toxins in the bowels. It also stimulates the kidneys to normal activity, thus coaxing them to filter the blood of impurities and clearing the skin of pimples.

Jad's Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia. Here you have a pleasant, effervescent drink which usually makes pimples disappear; cleanses the blood and is excellent for the kidneys as well.

Minn., left for her home last Monday after visiting with her cousin, Jessie Sargent, during the month.

Editor and Mrs. Trubshaw attended the Press Association meeting at Grand Forks last week. They report a very nice time.

Robert Anderson left Saturday for St. Paul, where on Monday he will be joined by Mrs. Anderson. Both will visit Chicago, Hot Springs, Ark., and proceed to California for the remainder of the winter.

WATCH SANGER GROW

The Sanger improvement association has been organized and at a public meeting held Friday, it was decided to ask for bids for a new hall to be erected in the near future, same to be used for dances and other amusements.

Digby & Bagnell shipped another car of hogs to South St. Paul Friday. This makes the fourth car of hogs shipped from this point in the last two months.

Miss Florence Johnson of Wilton is the new teacher in the Sanger school. Miss Clara Gilbertson, who was taken seriously ill with appendicitis last week, was taken to the hospital in Bismarck, where an operation was performed, and is doing as well as could be expected. Her many friends hope for her speedy recovery.

A big Valentine dance is to be given at Yucca on February 12 and several from Sanger are planning on attending.

Horace Beardsley, the well-known poultry fancier of Sanger who made such a creditable showing at the Dickinson show, has some very fine fowls on exhibit at the Fargo show this week and reports from that city speak very highly of his birds.

Mr. Chas. Noble, who has been in the Bismarck hospital for some weeks is reported to be gaining, which will be pleasant news to his many friends here.

It is rumored that there will be two or three new business enterprises started in Sanger this spring.

A large number of McLean and Burleigh county farmers are availing themselves of the splendid river traffic and are trading at this point as it is the most convenient for them.

MORE COLOR IN MEN'S CLOTHES

Kansas City, Mo., Feb. 5.—More color in men's clothes and more attention to effect rather than fit were the two predominant topics in the discussions of the 36th annual convention of the International Custom Cutters' association which closed here today.

"Men have been dressed entirely too somberly heretofore," said Farr L. Scott, of Toledo, president of the association. "One of the problems of the 20th century tailor will be to see that

more color is used. Put men beside fashionably dressed women and they look like they were going to a funeral. "Another important change in the tailoring business is the plan to make clothes that will give the man an appearance of perfection. The tailor used to make clothes to fit the man's form and these clothes usually magnified his defects. Now the designer pays more attention to effect. He knows what kind of a suit looks good on an average man—5 feet, 8 inches tall, weighing 145 pounds—so he designs the suit with the idea of making the man look perfect even if he is not."

The custom cutters made a strong effort to standardize the nation's styles. Members of the fashion committee stated that there was much difference in the styles of the east and the west but that a systematic campaign was being waged to make men's styles national rather than local.

Notice White & Richmond's ads every day. See the special today on page 5.

Glass of Hot Water Before Breakfast a Splendid Habit

Open sluices of the system each morning and wash away the poisonous, stagnant matter.

Those of us who are accustomed to feel dull and heavy when we arise; splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, lame back, can, instead, both look and feel as fresh as a daisy always by washing the poisons and toxins from the body with phosphated hot water each morning.

We should drink, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to flush from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary tract before putting more food into the stomach.

The action of limestone phosphate and hot water on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast and it is said to be but a little while until the roses begin to appear in the cheeks. A quarter pound of limestone phosphate will cost very little at the drug store, but is sufficient to make anyone who is bothered with biliousness, constipation, stomach trouble, or rheumatism a real enthusiast on the subject of internal sanitation. Try it and you are assured that you will look better and feel better in every way shortly.

STOMACH UPSET?

Get at the Real Cause — Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics or trying to patch up a poor digestion, they are attacking the root cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

If you have a bad taste in your mouth, tongue coated, appetite poor, lazy, don't-care feeling, no ambition or energy, troubled with undigested food, you should take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief, so you can eat what you like. At 10c and 25c per box. All druggists. The Olive Tablet Company, Columbus, O.
