**North Dakota Boy Won't Join Allies**  
 Braddock, N. D., April 1.—Word was received here a few days ago from Gordon McLaughlin to the effect that his brother, Jack, had joined the Canadian army and was preparing to leave for the front. No sooner had the word been received here by his mother, Mrs. Ed. Savage, when she wired the Canadian officials that Jack was an American citizen and a minor, and that she protested against him joining the army.

When the word was received in Canada it found Jack attired in his uniform, but now Jack will make Old Mother Earth spit forth bushels of grain to feed the British army, instead of shooting the Germans.

**Sister: Read My Free Offer!**

I am a woman. Know a woman's trials. Know her need of sympathy and help.

If you, my sister, are unhappy because of ill-health, if you feel unfit for household duties, social pleasures, or daily employment, write and tell me just how you suffer, and ask for my free ten days' trial of a home treatment suited to your needs. Men cannot understand women's sufferings. What we women know from experience, we know better than any man. I want to tell you how to cure yourself at home at a cost of about 12 cents a week.

If you suffer from women's peculiar ailments causing pain in the head, back, or bowels, feeling of weight and dragging down sensation, falling or displacement of pelvic organs, causing kidney and bladder weakness or constipation and piles, painful or irregular periods, catarrhal conditions and discharges, extreme nervousness, depressed spirits, melancholy, desire to cry, fear of something evil about to happen, creeping feeling along the spine, palpitation, hot flashes, weariness, sallow complexion with dark circles under the eyes, pain in the left breast or a general feeling that life is not worth living,

**I INVITE YOU TO SEND TODAY FOR MY FREE TEN DAYS' TREATMENT**

and learn how these ailments can be easily and surely conquered at home without the dangers and expense of an operation. When you are cured, and able to enjoy life again, you can pass the good word along to some other sufferer. My home treatment is for young or old. To Mothers of Daughters, I will explain how to overcome green sickness (chlorosis), irregularities, headaches, and lassitude in young women and restore them to plumpness and health. Tell me if you are worried about your daughter. Remember it costs you nothing to give my home treatment a ten days' trial, and does not interfere with daily work. If health is worth asking for, then accept my generous offer and write for the free treatment, including my illustrated booklet, "Women's Own Medical Advice." I will send all in plain wrappers postpaid. To save time, you can cut out this offer, mark your feelings, and return to me. Send today, as you may not see this offer again. Address:
