**HENRY TATLEY RETURNED HOME**

Delighted to Return to Bismarck After a Pleasant Winter in California.

Henry Tatley and wife, who have been in California for the past four months, returned to Bismarck yesterday on No. 2. Both enjoyed the winter immensely and Mr. Tatley, whose health was not good when he went west last fall, has so improved that he says he feels as good as he ever did.

**Ardent Booster.**  
 Mr. Tatley is an ardent booster for Bismarck. When away, he reports having run into real estate men on every corner, who were touting the merits of this or that section in California and trying to induce the Dakota delegation to make the western state a permanent home. However, he believes in Bismarck, so as soon as the springtime opened up, he returned home. He is delighted to get back here and stated last evening he was also pleased with the idea of improving the city's appearance and is an endorser of the paving plan.

She writes, "My little son, William, Jr., just loved it because it is so pleasant to take, and everybody talks about his being such a fine, healthy boy."  
 Dr. Caldwell's Syrup Pepsin is a compound of simple laxative herbs, free from any opiate or narcotic drug, and is the standard remedy for constipation in thousands of homes throughout the land. Drug stores everywhere sell it for fifty cents a bottle. Get a bottle of this excellent remedy, and have it in the house. A
