

Men Fight On Their Stomachs

Napoleon so said. A man with a weak stomach is pretty sure to be a poor fighter. It is difficult—almost impossible—for anyone, man or woman, if digestion is poor, to succeed in business or socially—or to enjoy life. In tablet or liquid form

Dr. Pierce's Golden Medical Discovery

helps weak stomachs to strong, healthy action—helps them to digest the food that makes the good, rich, red blood which nourishes the entire body.

This vegetable remedy, to a great extent, puts the liver into activity—oils the machinery of the human system so that those who spend their working hours at the desk, behind the counter, or in the home are rejuvenated into vigorous health.

Has brought relief to many thousands every year for over forty years. It can relieve you and doubtless restore to you your former health and strength. At least you owe it to yourself to give it a trial. Sold by Medicine Dealers or send for trial box of Tablets—Dr. Pierce's Invalids' Hotel & Surgical Institute, Buffalo, N.Y.

You can have Dr. Pierce's Common Sense Medical Advisor of 1008 Pages for 31c.

New Herbal Balm for Skin Disease

So many alleged cures for skin disease are now on the market that care is necessary. We sell all the well-known skin remedies, but we will say this, that when we advise you to use DEXMA, the new herbal balm, we are advising you right. We have found nothing that begins to equal this formula, made exclusively from Nature's healing herbs—ours after cure and from reports all cures seem to be permanent. The best part is, it gives instant relief from the most intense suffering. The Lakeview Laboratories of Chicago have just given us the exclusive right to sell DEXMA in our home town. We like this because DEXMA is going to make us many friends through giving satisfaction to skin sufferers. Come in today and get a box on our personal guarantee that if it doesn't soothe and cool you nothing. If you are not thoroughly cool and begin healing at once, it will satisfy, come and get your money back.

JOS. BRESLOW, Druggist.
