

Swing Into Line With the Spirit of Springtime Take a Tip From Old Mother Nature

Maybe your house would look better with a coat of Paint, or possibly, the fence, outbuildings or screens seem a little dingy in the bright Springtime. How about your floors? Are they showing heel marks? And has some of the furniture been scratched up? Painting or Varnishing will not only beautify, it will make the wood last so much longer that it's actually cheaper to Paint than not. Paint fills the cracks and holes where germs lurk.

Spring calls for a general "Clean-Up and Paint Up."

The best place to buy all these necessary articles, such as Paint, Varnish, Floor Wax, Finishes, Linseed Oil, Turpentine, Putty, Shellacs, Wood Dyes, Garden Rakes, Hoes, Spades, Shovels, Garden Hose, Mops, Brooms, Polishing Oil and a thousand and one articles that will be needed soon, is at the
