

Instruction Week for All Beginners

Members of the tennis committee of the Country club will be at the courts from 4 to 6 o'clock every afternoon and from 10 to 12 o'clock on Monday and Saturday mornings of this week, for the purpose of assisting and instructing those members of the club who desire to take up tennis and also to meet non-members resident in the city who would like to play tennis during the season just opening.

On Monday and Saturday mornings and on Wednesday afternoons lady members of the committee will be in attendance.

The committee earnestly hopes that all who have a liking for tennis, whether of experience or otherwise, will avail themselves of the opportunity which the asphalt courts of the country club affords for play. These courts are without equal in this part of the country; they are fast, and are always available. It is to cultivate the use of these courts and to encourage those who have played tennis but little or not at all, especially young girls and boys, to avail themselves of an opportunity for healthful outdoor exercise, that this week has been set aside for work of instruction and introduction to play. Advice as to the kind of racquet, balls, and garments

to buy and how to play will be cheerfully given to all.

JUDGE SPALDING WILL MAKE RUN

Former Supreme Court Justice Will Seek Renomination at Primaries.

Judge B. F. Spalding has been prevailed upon to allow the use of his name as a candidate for the state supreme court. The former supreme court justice has been reluctant to enter the race, and despite hundreds of letters from all parts of the state urging him to be a candidate, had fully made up his mind not to run. However, as the result of the urgent plea of a delegation of citizens, who waited on him last evening, he has decided to enter the contest.

PAGEANT OPENING IS BIG SUCCESS

Thousands of People Line Streets of Fargo to Witness Big Procession.

Fargo, N. D., May 6.—Many thousands of people lined the route of the greatest pageant procession ever held in this part of the northwest, and crowded into Island park to witness the reception to the court of Queen

Elizabeth—the opening feature of the tricentenary celebration of the death of William Shakespeare.

A week of celebration could not have opened under more favorable circumstances. It was a beautiful summer day, encouraging people to venture out in spring garb and it was a gorgeous sight along the streets in Fargo and Moorhead on which the procession passed. The few warm days greatly improved the condition of Island park and the reception to the court of Queen Elizabeth was presented under most favorable circumstances.

The pageant procession and the reception at the park were glowing examples of what can be done by public spirit and showed what the people of Fargo and Moorhead can do when

they get to working together.

Last evening and this morning every train to the cities brought large numbers of out of town people, who came for the express purpose of taking in the great celebration that has been advertised all over North Dakota and over the western half of Minnesota. Large numbers of people are expected every day next week to take in the Shakespearean dramas, which are to be presented by the educational institutions at the Orpheum theatre. Large numbers of those in town today intend to remain over in order to take in the first play, which is presented this evening at the Moorhead Normal school in Moorhead.

The pageant procession started from St. Mary's cathedral on North Broadway, shortly after 2 o'clock. Al-

though there was a slight delay in getting started, the entire procession was pulled off in a manner that reflects great credit upon those in charge of this part of the work. It is a tremendous job to line up a couple of miles of parade, but the details had been worked out to such a point of perfection that there was little confusion.

Next Monday evening, May 8, the girls of Comstock hall of the Moorhead Normal school and Miss Eva Parker White, dean of women, will give an informal dancing party in the gymnasium for the girls of Wheeler hall and Dean Natalie Thornton.
