### LANGDON PROGRESSES WITH AUDITORIUM

Langdon, N. D., June 6.—At a meeting of the subscribers to the funds for the proposed auditorium, a temporary organization was formed for the purpose of securing a charter, and it begins to look as if the new auditorium for Langdon was going to be a reality.

The charter has already been applied for, and as soon as this is received the corporate seal will be attached to a contract with Mr. Pruden, the present owner of the opera house, and then everything will be ready to go ahead with a contract for the work of reconstruction. As soon as the charter is received another meeting

will be called and the permanent organization will be formed.

The name selected for the company is the "Langdon Auditorium Company," and the amount of capital stock has been placed at \$10,000. These details had to be settled before the charter could be secured.

A board of five directors was elected, consisting of C. E. Johnston, M. O. Strom, G. Grimson, Geo. W. Price and Morris Winter. Following the regular meeting, the board of directors organized by electing C. E. Johnston, president; Geo. W. Price, vice president, and Morris Winter, secretary-treasurer.

### Summer Catarrh Never Gets Well

A cold in summer soon passes into catarrh. Dust, pollen and heat keep up a constant irritation on the tender membranes of nose and throat. Nature accommodates herself to this condition, but it often leaves chronic catarrh, which never gets well of itself.

### Peruna Overcomes Catarrh

It cleans out the poisons from the system, purifies the blood, reinvigorates the membranes, soothes their soreness, and starts the victim toward Wellville. Thousands once afflicted owe present health to its administration.

Treat your cold in time, use Peruna regularly, and you will not have catarrh. But if you have neglected it, don't worry. Let Peruna do the work. It's proved its usefulness by 44 years of success.

## Are You Troubled?

**Dr. Pierce's Golden Medical Discovery**

Perhaps this case may be similar to yours

**J. Wesley Tilly of (Box 672) Selma, Cal., writes:**  
Gentlemen: "It gives me much pleasure to be able to send you a testimonial, if by its reaching some sufferer your medicines will do as much for him as they have for me. At the age of fourteen I was troubled with a great deal of malaria and biliousness, accompanied with the worst sort of large boils. I was persuaded by my parents, who have always been strong believers in Dr. Pierce's remedies, to try the Golden Medical Discovery. I took one bottle and the boils all disappeared, but I did not stop at one bottle, I took three and the malaria all left me and I have had no more boils to this day, thanks to the Golden Medical Discovery for my relief.

"Following an operation for appendicitis two years ago I was troubled very much with constipation and I have been trying Dr. Pierce's Pleasant Purge Pills and they have rid me of the troublesome gas and have aided me in conquering the whole trouble. They are the best for the 'Boils' and for the advice I have obtained from The People's Common Sense Medical Adviser." Send only 25 cents for this 100 page book.

for over forty years has been lending its aid to just such cases as this. In our possession we have thousands of testimonials of like character.

Perhaps you are skeptical, but isn't it worth at least a trial in view of such strong testimony? Isn't it reasonable to suppose that if it has done so much for others it can do as much for you?

Your druggist will supply you in liquid or tablet form, or you can send 50 cent stamps for a trial box. Address

The Woman's Medicine. Good for All Ages. Mrs. Harold Smith's Experience.

Clarksburg, W. Va.—"I am writing to tell you the good your medicine has always done me and I hope my letter may be the means of helping some other suffering woman. When I was 16 years old I caught cold and had suppression for two months. I got so weak I could scarcely drag myself up the stairs. I went to two doctors, then my mother got a bottle of Lydia E. Pinkham's Vegetable Compound and I took it. I never had any more trouble and got strong fast. Then I took it again before my little girl was born and it helped me a good deal and I give the Compound the credit for it. Then this spring I felt very badly again, but I took the Compound and have been well all summer. I cannot be grateful enough for your medicine."—Mrs. HAROLD M. SMITH, 470 Water Street, Clarksburg, W.
