

IMPORTANT NOTICE

Great Closing Out Sale Of Vast Importance to Every Home!

THE Baldwin Piano Co. instructed me to close several agencies in this part of the state and ship the instruments to Bismarck to be sold **AT ONCE**. The instruments are now in our Bismarck Store and the public of Bismarck and vicinity are invited to avail themselves of the greatest **BARGAIN OPPORTUNITY** of their lives in the purchase of a strictly high-grade Piano or Player Piano. I never dreamed of being able to sell these world-renowned instruments at such low prices. The instruments are all new, having been shipped direct from the manufacturers during the past few months to agents in several towns in this part of the state.

WE realize, to close out our large stock of beautiful Pianos, Player Pianos in a few days, is a big undertaking; we know that to do it we must not only sacrifice all profit, but sell for **LESS THAN COST**. We will forget and not consider the cost or value, but will make prices so low that no home in this entire country can afford to be without a Piano or Player Piano.

JUST think of it! The highest grade Pianos and Player Pianos made in the world, at the price of cheap pianos. Don't fool yourself or let anyone else fool you into believing you will ever have another opportunity like this. Don't delay your call. **VERY EASY TERMS TO THOSE WHO CAN'T PAY CASH.**
