

MOTHERS ARE EXTOLLED BY TRAVELING MEN

U. C. T. Convention Asks Greater Recognition for Mothers' Day.

OWATONNA GETS NEXT CONVENTION

Approves Plan to Erect a Model Home for the Aged.

Minot, N. D., June 10.—The annual convention of the grand council of the United Commercial Travelers has been one of the most successful ever held.

Owatonna, Minn., gets the next convention. The large parade, six divisions, was the feature of today's program.

Mother's day was extolled by the delegates and resolutions passed urging greater observation of Mothers' Day.

One of the important steps taken by the grand council was the inauguration of a plan for the erection of a home for aged and indigent members of the organization.

Resolved: That the general legislative committee be continued and the grand council be authorized to appoint five members, three from Minnesota and two from North Dakota.

Resolved: That the recommendation handed to this committee by one of the sitting floor members as to individual effort looking to increase membership of the order for 1917 is appreciated.

Resolved: That in session assembled, we emphasize our consecration of this day in the remembrance of our mothers.

Resolved: That whenever possible each member fortunate enough to have a mother living, send to her a floral tribute.

Resolved: That on the last meeting previous to Mother's Day, a notice shall be given to each member of each council that its observance may not be neglected.

Resolved: That this committee deprecates the action of the North Dakota State Fair association at Fargo in conceding exhibition space to mail-order houses.

Chief Topic of Discussion Is the Nomination of Justice Hughes.

SLIGHT FIGHT ON AGAINST MARSHALL

St. Louis, June 10.—Out of the echoes of the Chicago convention there came tonight the sound of advancing hosts of democracy that are to meet here next week to name the standard bearers of their party for the presidential campaign.

All discussions centered on nominations made at Chicago, and what effect and hearings they would have on the campaign.

SENTENCED FOR WHITE SLAVERY

Maurice Williams Convicted by Jury in Fargo Federal Court.

Fargo, N. D., June 10.—Maurice Williams of St. Paul, declared guilty by a federal court jury of violating the Mann white slave act, was sentenced by Judge C. F. Amidon to fifteen years in federal prison.

The transportation of Lucile Elberts from St. Paul to Minot, N. D., several weeks ago, as well as transportation of Marguerite Keller from St. Paul to Minot at the same time, formed the basis for the charges against Williams.

NORTH DAKOTA GOES TO JUSTICE HUGHES

Chicago, June 10.—The North Dakota delegation voted: Hughes, 10, for president, and Burkett, 10, for vice president.

PRESIDENT MAY OUTLINE PLANS NEXT TUESDAY

Has Not Considered Anyone to Succeed Justice Charles E. Hughes.

Washington, June 10.—President Wilson remained in the White House throughout today, receiving reports on the republican and progressive conventions, putting the finishing touches on his draft of the democratic platform and conferring with the democratic political leaders.

The trend of the present campaign speeches will probably be indicated in his address Tuesday, at the West Point graduation exercises and at a flag day celebration following a parade here.

Justice Hughes' resignation was received at the White House with strict formality.

President Wilson has not begun considering a successor to Justice Hughes of the supreme bench.

Chicago, June 10.—The Progressive national convention, after four days of tumult, with but one purpose in view, today nominated Colonel Theodore Roosevelt for president, and a few hours later listened, without protest, to a message from Oyster Bay that he would not accept at this time.

The significance of Col. Roosevelt's message with its announcement that if the progressive national committee found subsequent statements of Charles Evans Hughes, the republican standard bearer to its liking, his non-acceptance of the progressive nomination should stand as his last.

REFUSES TO COMMENT UPON JUSTICE HUGHES

Oyster Bay, N. Y., June 10.—When Col. Roosevelt summoned the newspaper correspondents at Sagamore Hill at 6 o'clock tonight, to tell them he had tentatively refused the nomination for the presidency, he had nothing to add to what he had said in his telegram to the convention at Chicago in regard to his present position.

At 4 o'clock this morning, one republican and two progressive conferences on the joint committee called him on the long distance telephone.

CONVENTION ADJOURNS AMID HARMONY DEMONSTRATIONS

Chicago, June 10.—The republican National convention today nominated Charles Evans Hughes of New York, and Charles Fairbanks, of Indiana for their choice as the president and vice president of the United States.

Mr. Roosevelt's provisional declination to accept the progressive nomination is believed by politicians to leave the door open for eventual withdrawal of the third ticket, in event Mr. Hughes' position on what the progressives feel the vital issues of the campaign meet with their approval.

LETTER OF RESIGNATION

Washington, June 10.—Charles Evans Hughes stepped down today from the supreme bench and as a private citizen accepted the Republican nomination for president.

"I have not desired the nomination," said the telegram. "I have wished to remain on the bench, but in this critical period of our national history, I recognize it is your right to summon and that it is my paramount duty to respond."

Within an hour after Chairman Harding had notified him of his nomination, Mr. Hughes had accepted. His resignation, a scant two-line letter without a superfluous word, was on its way to the White House from the Hughes home before the nominee had dispatched the message of acceptance, and called the waiting group of newspaper men into his study to tell them of his decision.

President Wilson accepted the resignation in a reply almost as brief. Apparently, the resignation was framed so that the president might be saved the embarrassment of expressing regrets or making more than a formal reply.

No Plans Made. No plans have been made by the nominee for the summer. In his telegram of acceptance Mr. Hughes announced his stand "for the firm and unflinching maintenance of all the rights of American citizens on land and sea."

Mr. Hughes will be notified of his nomination officially at a date to be fixed later by the committee headed by Senator Warren G. Harding of Ohio, chairman of the convention.

Delegations which on final ballot had cast votes for others than Mr. Hughes, made statements declaring their loyalty to the nominee.

"I am in receipt of your letter of resignation, and feel constrained to yield to your desire. I therefore accept your resignation as justice of the supreme court of the United States to take effect at once."

When it got to Colorado, the drift was so apparent that a proposal to make it unanimous or nominate him by acclamation was made, but Chairman Harding ruled that the balloting should take its regular course.
