

M' CUMBER NOMINATED; FRAZIER RUNNING STRONG

CARRANZA WILL COMPLY WITH U. S. DEMANDS AND WILL RELEASE PRISONERS

Immediate Break Between United States and De Facto Government Has Been Narrowly Averted

ATTITUDE OF CARRANZA IS STILL UNKNOWN AT WASH.

Move of Mexican Leader Lessens Tension But Crisis Is Still Imminent--War Preparations To Go Forward

Washington, June 28.—An immediate break between the United States and de facto government of Mexico has been averted by compliance with the American demands for the release of the 23 troopers captured in the fight at Carrizal.

Whether a state of war has been prevented or merely postponed, no one would attempt to say tonight. Official information as to the attitude of General Carranza was lacking. Until his response to Secretary Lansing's note dispatched Sunday making two preemptory and distinct demands is received, there will be no decision on whether President Wilson will lay the crisis before Congress.

News of the release of the prisoners received early tonight in press dispatches brought undistinguished relief to high officials. Moreover it was assumed that Carranza, impressed with the urgency of the situation, had ordered the captured cavalrymen started for the border without waiting for his announcement of the action to reach Washington.

Move Lessens Tension. While it generally is conceded that this move lessens tension and makes the crisis less imminent, no one conversant with the grave problem is losing sight of the fact that the all-important question of Carranza's attitude toward the American expedition across the border to protect the territory and citizens of the United States from bandit outrages remains unsettled.

If the de facto government stands upon the orders of General Trevino to attack General Pershing's men when they move otherwise than toward the border, the situation actually is just what it was before, except that there now is a possibility of diplomatic negotiations that did not exist while the Americans were held prisoners at Chihuahua.

War Preparations Will Continue. The preparations of the United States for war will go steadily forward. There will be no interruption of the rush of national guardsmen to the border, and General Funston will continue disposing of the forces under his command as though he expected an immediate attack from the Mexicans.

The fact that Carranza has complied with one of the demands is accepted by the more optimistic officials here as an indication that he is striving to prevent a break. Even though he again should attempt to throw all blame for the Carrizal fight upon the American officers, and insist upon his rights to forcibly oppose any except northward movements of American troops, it is thought that possibly he will state his position in such a way as to make further discussion necessary.

During any negotiations, however, the United States will insist on freedom of movement of troops in Mexico, and any attempt to interfere with them will be met by such force as is necessary.

The possibility of Latin-American offers in the situation was widely discussed tonight. It is known that powerful influences have been brought to bear on Carranza in the last few days to make at least turn over the American prisoners. They all sent him the same warning—that the United States government meant business, and to hold the prisoners would mean war.

Secretary Baker Awaits Report. Secretary Baker waited at the war department until late tonight for a report from General Funston of General Trevino's announcement that he had sent the cavalrymen to Juarez to be set free. He finally went home without the report.

Communications Received. Secretary Lansing had not studied today the trio of communications submitted to the department within the last 24 hours by Elisio Arredondo, Mexican ambassador-designate. They protest against the alleged action of a large column of General Pershing's army toward Mexican citizens, against the arrest of Mexicans in the United States, and against the general embargo, effected without proclamation.

RUSH ORDERS ARE RECEIVED AT THE REGIMENT CAMP

Don't Wait for Physical Examinations, Wires Department

Officials MAY BE MUSTERED IN ENROUTE

Equipment Arrives: Men Spend Seven Hours Daily Drilling

Today's Menu At Camp Lincoln

Table with 2 columns: Meal and Food Items. Breakfast: Bacon, Fried Potatoes, Rolled Oats, Coffee, Bread and Butter, Oranges. Dinner: Roast Beef, Mashed Potatoes, Stewed Tomatoes, Dried Fruit, Coffee, Radishes, Bread and Butter. Supper: Pork and Beans, Potatoes, Boiled Rice, Coffee, Bread and Butter.

Every effort is being made by the United States war department officials in charge of the mobilization of troops to be sent to the border, to send the North Dakota regiment forward at the earliest possible moment.

Telegrams quickly have followed each other urging yesterday afternoon. Filling out of papers and the preliminary work of mustering in was nearly completed by night and the regiment was awaiting the arrival of the physician detailed from the regular army to make the final physical examination before the militiamen become United States soldiers.

Have Passed Examinations. All of the boys have passed rigid examinations by the various company physicians and it is believed that most of them will pass the tests of the federal officer.

Orders have been received that if it is impossible to have the men all examined immediately to send the troops on anyway and to have them examined while enroute. This indicates that the war department has confidence in the physical examinations made by the regiment's own physicians.

None of the officers would predict yesterday when the regiment would be entrained, although the general sentiment of the troops is that they will not be at Camp Lincoln more than ten days.

No Officers Mess. Officers have established no special mess. They take their meals with the men, who eat while sitting on the ground as they do when on the move.

Members of the machine gun company have been assigned to various companies under war department orders. Sentiment among the troops is of the best. While a few of the men may be homesick, the spirits are generally high and all are ready and willing to go to the border and finish the Mexicans.

Boys Have No Snap. But the boys have no snap. They drill hard and fast, seven hours a day and many, especially those from offices, are lame and sore when night comes.

But the band plays when they march back to camp and they forget the strenuous labor. Wrestling matches, boxing matches, medicine ball games and the evening band concerts make the evenings attractive and large crowds are at the camp every night. Good natured banter about the mahogany furniture shows how the boys are entering into the spirit of camp life.

Major Henry's Battalion Drills. Major Henry's battalion, consisting of the Valley City, Fargo, Hillsboro and Wahpeton companies, went through held maneuvers yesterday afternoon. Their own formation movements showed a good grasp of the arts of protecting themselves from the enemy. They advanced a few yards at double-quick, laid down and fired and repeated the movements, advancing across the field. Major Henry has a beautiful black charger that is a favorite.

Company A now has more than 90 men. Capt. A. B. Welch is enthusiastic.

LITTLE-KING CONTEST FOR SENATE CLOSE

With 34 Precincts Missing Bismarck Candidate Has Lead of 259

YOUNG, PRATER AND HUMAN IN LEAD

Yegen-Penwarden and McGurdy. Berndt Contests Very Close

With thirty-four precincts to be heard from, it is impossible to give decisive results on the county ticket at this writing. Returns outside of Bismarck came in slowly. It was impossible to get in touch with thirty-four precincts, either because of wire trouble due to yesterday's storm, or inaccessibility of polling places by wire.

The race for state senator is close. If C. D. King maintains his present lead in the country in his thirty-four precincts to be heard from, he will be able to overcome Col. C. B. Little's lead of 259. Country precincts went solid for Mr. King, the Non-partisan candidate, as they did for practically every candidate endorsed by the farmers' organization.

There seems to be evidences of a deliberate invasion of republican primaries by democrats. In one precinct practically every vote cast was republican, although the poll lists show a much smaller registered republican vote.

Bismarck gave Col. Little 721 to 217 for King, but precincts outside of Bismarck heard from gave King 353 to 98 for Mr. Little.

The Non-partisan league house legislative ticket is running up with King outside of Bismarck and if it maintains the present lead in country precincts, the candidates may overcome the lead of Young and Homan. Frank G. Prater will be nominated, as he secured 316 votes in Bismarck and is leading the ticket in the country precincts. Following are total votes on the legislative ticket in twenty precincts out of fifty-four heard from: Young 698, Prater 646, Homan 524, Blexrud 508, Bailey 487, Williams 462, Varnum 438.

Flaherty wins a fourth term with flying colors with 763 to 397 for Preston. Richard Penwarden is leading for county treasurer with 611, Yegen 520 and Mattis 212.

Keenan for register of deeds in the 20 precincts has 665 to Anderson's 458. He will be nominated.

The fight for states attorney is very close. Berndt is leading in the 18 precincts, and may be able to increase his lead over McGurdy. The incomplete returns are: Berndt, 548; McGurdy, 537; Davies, 118.

B. O. Ward has a lead over Louis Larson, but there are several more precincts to be heard from. The vote as it stands is: Ward, 216, and Larson, 178.

Line-up for Showers In Birthday Clothes

In the center of the streets between the tents, the boys of the First Regiment, North Dakota National Guard, lined up in a dress line, in their birthday clothes and simultaneously the 1300 yesterday indulged in a morning shower bath that proved to be one of the big hits of camp life.

The thunder shower was scheduled for just the right time. The boys had not yet been called out for drill and they quickly took advantage of the downpour. The old gymnasium was put in to shape yesterday and the shower baths there are ready.

PROBABLE WINNERS United States Senator—Porter J. McCumber, Wahpeton. Governor—Burdick running ahead in cities, but Frazier gaining on country vote. Secretary of State—Thomas Hall. State Auditor—Carl Jorgenson. State Treasurer—John Steen (unopposed). Attorney General H. J. Linde. Commissioner of Agriculture and Labor—Flint. Insurance Commissioner—Walter Taylor. Railroad Commissioners—Vote very close in scattered returns with Mann, Stutsman and Anderson leading.

AUSTRIANS ARE STILL HOLDING RUSSIAN WING

Kolma Is the Objective of the Army of the Czar

ITALIANS, GERMANS AND FRENCH REPORT GAINS

London, June 28.—Gains of additional ground by the Italians from the Austrians, by the French northeast of Verdun, and by the Germans from the Russians in Volhynia, are chronicled in the latest official communications issued by the Italian, French and Austrian war offices. In addition, it is stated that the Austrians are still holding back the wing of the Russian army, which is endeavoring to drive past Kutl, Bukovina, with Kolma as its objective.

In the Trentino region, the Italians continue to force back the Austrians, along the entire front.

In Champagne the Germans occupied French positions near Tahure, but were later driven out.

On the British fronts, the expected big offensive by King George's men apparently had not yet begun.

Germans Capture Linevka. Continuing their counter offensives against the Russians in Volhynia, the Germans have captured the village of Linevka, to the west of Sokul, and also have taken by storm positions to the south of the village.

Vienna reports that further Russian attacks near Kutl, in Bukovina, have been repulsed by the Austrian forces.

German Socialist Sentenced. A sentence of two years and six months of penal servitude and dismissal from the army has been imposed by court martial on Dr. Karl Liebknecht, the German socialist, for attempted high treason and resistance to the authorities.

MEETING WAS VERY PLEASANT

Hughes and Roosevelt Talk Over Party Issues in Private

New York, June 28.—Charles E. Hughes, republican presidential nominee, announced tonight at the end of an interview with Theodore Roosevelt, which lasted more than two hours and a half, that he and the former president were in complete accord. Mr. Hughes' statement follows: "I was pleased with Col. Roosevelt's letter of endorsement and he has expressed himself in a very firm way, in respect to my telegram to the Progressive committee. I wanted to talk with Colonel Roosevelt with respect to the issues of the campaign and asked him to dine, so we might have that opportunity. He dined with me tonight, and we had a very delightful interview, and all is in complete accord. The evening has been a very pleasant one."

TURNER LEADS IN DICKINSON

Dickinson, N. D., June 28.—Returns from 25 out of 34 precincts show the following number of votes polled for the various candidates for the House of Representatives: Turner 868, Mackoff 648, Blanchard 676, Brodel 618, Wanner 560.

NON-PARTISAN LEAGUE CANDIDATE FOR GOVERNOR WILL SECURE BIG VOTE IN RURAL PRECINCTS

Senior Senator's Victory Only Sure Thing About Scattering Returns From One Fifth of State

HALL AND JORGENSEN HAVE STRONG LEAD OVER OPPONENTS

Linde Is Maintaining Good Margin Over Langer, and Robert Flint Is Running Strong Against Hagan

Senator Porter J. McCumber of Wahpeton has defeated Governor L. B. Hanna for the Republican nomination for United States senator and, while Burdick is leading Frazier, his nomination is by no means sure, as the country vote is still to be heard from. Severe storms over the entire state have paralyzed wires, and made roads impassable at points.

The only assured results on the face of present returns is the nomination of McCumber. He is being supported generally by the farmers. With about one-fifth of the state heard from on United States senator, the vote is as follows: McCumber, 8,173; Hanna, 5,850; Nestos, 4,438.

Burleigh county in 19 precincts gives McCumber a majority of 210. Country precincts to be heard from will probably double this lead.

Forty-six precincts in Cass county give Hanna 1,093, as against 1,090 for McCumber. In Grand Forks county, 39 precincts gave McCumber 687 to Hanna's 597. The other results by counties are told in an adjoining column.

Frazier Running Strong. With the rural precincts standing solidly behind Frazier, Burdick in 480 precincts has a lead over the Non-partisan candidate of only a little more than 1,600 votes. Most of the returns are from towns where Burdick naturally polled his largest vote. Frazier's nomination is strongly indicated upon the face of the returns.

Fraime is third man with 4,641 votes in 480 precincts. Frazier has 7,957 and Burdick 9,644.

The rest of the ticket is more or less in doubt, with the exception of Thomas Hall and Carl Jorgenson. In this instance the Non-partisan league backed their candidate, but in the case of Kositzky the support seems to be lacking.

Flint is holding his own over Hagan, as is Walter Taylor, but a strong country vote can easily overturn any of the leads reported from scattering precincts.

Linde is maintaining a strong lead over Langer and indications are that he may be re-nominated. In 215 precincts Linde has 4,527 to 3,950 for Langer. Other state results are shown in the adjoining column.

Returns on the Non-partisan ballots are very meagre. In 47 precincts Flint, Burke and Goss are leading. The farmers' candidates, Birdsell, Grace and Robinson, however, are running strong and have outdistanced Spaulding and Adamson. It looks as though Flint, Burke and Goss would oppose Birdsell, Grace and Robinson at the primaries.

McDonald has slight lead over Hoover. The returns indicate that the Non-partisan league massed their efforts on the governorship, supreme court and legislative tickets.

MERCER COUNTY.

Stanton, June 28.—Five precincts give Hanna 106, McCumber 128, Burdick 97, Fraime 42, Frazier 116. Golden Valley, June 28.—Golden Valley and one country precinct give Hanna 32, McCumber 22, Nestos 14; Burdick 20, Frazier 33, Smith 14; (Continued on Page Two.)

Attorney General—215 precincts give Langer 3,950, Linde 4,527. Insurance Commissioner—50 precincts give Oinesen 1,122, Taylor 1,959.
