COUNTRY CLUB WILL BE CENTER OF ATTRACTION MONDAY, SEPTEMBER 4

Interesting Sport Events Outlined for Play on Labor Day; Club Members Urged to Invite a Guest for the Occasion.

By "GILL" Labor Day, next Monday, September 4, will be the big day of the season at the Bismarck Country club. Golfers, tennis devotees and baseball enthusiasts will be out in numbers for the occasion and a program of sports has been outlined by the committee in charge that promises to interest both young and old. The committee in charge of the Labor Day events have requested that the attention of club members be called to the fact that the privileges of the club are extended to members only during the season with the exception of one day, when members are not only privileged but requested to invite a friend to enjoy themselves in conjunction with those privileged in this way during the entire season. Labor Day has been designated as "open day" and "visitors' day" and members of the club are urged to invite a friend to share with them the good time that is in store for all attending, both day and evening. Each family membership is entitled to two guests and single memberships to one guest. Young and old will find ample entertainment in store for them at the local Country club next Monday. Golf and tennis will be played during the morning and afternoon. The tennis events will be posted on the bulletin board at the club and the golf events have already been outlined by Mrs. E. A. Hughes, chairman of the committee in charge. The men's two ball foursome and the women's two ball foursome will be played from 10 o'clock in the morning until 4 p. m. These events will attract followers of the great game of the Scots and practically every member of the club will enter. At 4 o'clock in the afternoon a baseball game that promises to surpass any exhibitions of the great national pastime staged by any big league nine, has been arranged. The Dackelors and Benedicts will cross bats and although both aggregations refuse to announce the personell of their teams, to date they have given assurance that they will be well represented. At 5:30 p. m. driving contests for men and women will take place and this event will also attract a deal of attention. In the evening a dancing party has been planned for the entertainment of club members and their guests. The party will commence at 9 o'clock. O'Connor's orchestra will furnish the inspiration for the dancers. Substitutes Announced. Drawings for the men's and women's two ball foursome have been mailed to each player and those unable to participate are requested to find a substitute. The following women are requested to act as substitutes: Mesdames Conklin, Copelin, Watten, F. Baker, Bradley, S. E. Bergeson, Hatley, Lenhart, Knowles, J. Graham, Folsom, Fields, Dobler, Arnot, Parsons and Tracy; The Misses Bolton, Shepard and Henry. Men substitutes are: Messrs. Shuman, Phillip Webb, Scotchorn, Robt. Webb, W. E. Parsons, Dan Bamberg, S. Clark, Findlay Baker, G. C. Russ, Bruce Jackson, J. W. Hintz, Harry Homan, M. J. Hiltner, E. B. Goss, S. W. Corwin, L. K. Thompson and R. A. Tracy. Any four in this list desiring to play are requested to make up their own matches. Each pair must place a fifty-cent golf ball as entrance fee with the committee in charge at the club house on Labor Day, between the hours of 10 a. m. and 4 p. m.

COLORADO'S ALTITUDE DOESN'T WORRY WHITE; CLIMBS TELEGRAPH POLES WHILE TRAINING!

Here's Charlie White, shinning up pole to break monotony of 10-mile hike over mountains.

By HAROLD JOHNSON. Colorado's justly celebrated altitude isn't worrying Charlie White in training for his 20-round battle with Freddie Welsh for the world's lightweight championship at Colorado Springs, Labor day. Pipe this picture for the proof. The Chicago knockerout is seen ascending to the heights of a telegraph pole which chanced to catch his eye during a hike over the mountain roads near his camp. Climbing has been a part of White's daily work ever since he donned fighting togs and a little thing like altitude is the least of his worries. Both principals in the big battle played safe by arriving upon the scene several days in advance of their titular scrap and both are fast becoming acclimated. White, having fought twice in Denver, says he never experienced any ill effects from the atmosphere. One of his engagements went 19 rounds before White's deadly left silenced Stanley Yoakum. In addition to climbing telegraph poles while on the road White is an enthusiastic bicyclist and occasionally takes a load off his feet to clamber into the saddle of a two-wheeler.

Clubs— Second Game. At Toledo 8 13 0 Columbus 7 11 0 Batteries—Pierce, Strand and Sweeney; Pich, Davis and Lalonge.

Clubs— At Indianapolis 8 11 0 Louisville 6 10 0 Batteries—Dawson and Schang; Middleton and Williams.

HILL'S FAMOUS HERD OF SHORTHORNS. St. Paul, Minn., Aug. 30.—The famous James J. Hill herd of 36 short-horn cattle, imported by Mr. Hill before his death for distribution among the farmers of the northwest as a part of a campaign for livestock improvement, has been sold to A. T. Cole, Wheaton, Ill., for approximately \$20,000, it was announced today. The sale by Louis W. Hill, an executor of the estate, was made necessary by the Minnesota law. Mr. Hill left no will and the law required that all his personal estate be turned into cash.

THIRDS JAILED AS DESERTER. Williston, N. D., Aug. 30.—Discharged from the state guard at the Mexican border, two guardsmen of Williston were compelled to ride the "blinds" and on top of coaches to reach their home, the federal government failing to provide transportation. Jailed three times as suspected deserters was part of the exciting experiences of the guardsmen. In each instance they were arrested by Texas authorities. Robert Barnhart and Leslie Grover, the militiamen, declare the North Dakota camp near Mercedes is in excellent condition.

Bismarck, Aug. 30.—Good news for the hard to fit. We have here in this city, Klein, the tailor, who claims he can fit and satisfy any size and shape, or the buyer is under no obligation to accept the garment. Come on, you hard to fit, here's your chance, and save money besides. Quality first, Klein says.—Adv.

F-M'S COMPELLED TO PLAY IN DARK

Unglaub's Nine Return From Winnipeg and Have Complaint to Register.

Fargo, N. D., Aug. 30.—The story of being compelled to play baseball while electric lights were turned on in surrounding streets in buildings, with automobiles and their glaring lights making life miserable for pedestrians, is brought to Fargo by Manager Robert Unglaub, of the Fargo-Moorhead Northern league club, from Winnipeg. That "after supper" baseball in Winnipeg means baseball till its so dark that it is impossible to see the ball, is Unglaub's complaint, and he lodged protests with President Burmeister on that score. "Say," said the colonel, "that ball that cleaned the bases in the last game the Peggers beat us," hasn't been found yet. So far as anybody knows, it was fouled over the grand stand.

FIVE RACES WILL FEATURE CYCLE MEET

Fargo, N. D., Aug. 30.—Five races will feature the motorcycle card to be staged in Fargo Labor day, with Espe of Crookston, Thompson of Moorhead, Slaby of St. Paul, Phalen of Crookston and others taking part. A three mile stripped stock, five mile touring, five mill stripped, ten mile touring machine, and eight mile open race are the events.

MARATHON STAR TO COMPETE IN MARATHON SWIM

Sidney Hatch isn't content to achieve fame as a marathon runner. The veteran distance hiker of the Illinois Athletic club, Chicago, is going to seek a "rep" as a marathon swimmer. He has entered the 10-mile Mississippi river swim for Labor day. Hatch is 34 years old and has been a runner 17 years.

SPORT DOPE

Manager Tinker fined Helms Zimmerman \$50 for trying to go from first to third on a sacrifice bunt. That's what a guy gets for being over-zealous! When Coveleskie pitches for them, the Tigers usually pole out a victory. That American pennant race looks more and more like a plate of beans every day. Alexander's pennant band appears to be playing ragtime music. Frank Moran isn't the speediest boxfighter in the world, but he's got something on Dutch Schaefer's phenom who could run all day on a thin dime. Fans in Brooklyn aren't a bit excited over the prospects of having a pennant winner. They're just as re-

served as a flock of lions when the red meat is being served. See where Tommy Ryan, former middle champ, is doing well with his boxing club in Syracuse. He's making money glove over glove. Labor Day has its advantages. For instance, it gives some of the star morning invaders a chance to butt into the fracas. We have it straight from Frank Gotch that speed, endurance and skill are essential to a wrestler who is successful. Naturally the size of the purse hasn't a thing to do with it.

One Minute Talks with Ballplayers

NAP RUCKER, BROOKLYN NATIONALS. "Jack Coombs, Sherrod Smith, a newspaper man and I were playing a foursome on one of the Pittsburgh golf links the other day and the caddy who had Smith in tow was greatly awed by his illustrious employer. "There's a thick wood to the right of the first tee, and Smith, who swings left-handed, just as he pitches, hooked his first ball into the woods. He tried again. Once more he smashed the ball into the woods. In rapid succession he drove eight balls into the tall and uncut. "The caddy was disgusted. He was no longer proud he was Sherod Smith's caddy. Finally he could keep silent no longer. "Gee! Mr. Smith," he shouted, "you're some woodpecker!" Frank Baker, New York Yankees: "I am not worried about my batting eye despite my long layoff, owing to injuries. I have been hitting them in practice and the ball looks as big as ever. Once I get into my stride in a season I never have much trouble, even if I am out for awhile. The trouble is in getting started in the spring. "It is the pitching that I rely on to carry the Yankees through this year. We have the best pitching staff in the league now, and it is pitching the best ball. In a close finish it's the pitching that counts the most. "I know how it used to count with us in Philadelphia, and we had a slugger team. But we depended on the pitchers." Fat Moran, Manager, Philadelphia Nationals: "Silence the players from kidding each other and you take some of the edge off baseball. I like to see a team fighting hot—not come to blows, but to feel that they would like to fight, then take it out in ripping playing. "I am sorry the teams in the future will not be allowed to sass each other as was decided at the recent National League meeting. I believe the umpires, being human, make mistakes, just the same as players. I think it is proper for the manager, the coach on the side lines or captain to make a kick if the umpire makes a mistake. "If we did not kick it would lead to the impression that we did not care or we didn't know the game." Larry Cheney, Brooklyn Nationals: "I pitched my first curve ball in the National league during our last trip to Pittsburg. I have never had a curve, and every player and manager in the majors knows it. "I have always depended on my fast one—my splitter—and using my head, but I have lately been working with a curve and think I will fool a lot of the wise boys. "I took a chance in the fifth inning against Pittsburg when Bob Harmon was up with two out and we were four runs to the good. I offered Bob as nice a curve as you ever saw. He came near making a hit off me but McCarty made a great play and retired him. I'll try the experiment again." "Red" Faber, Chicago White Sox: "Baseball would have been played generally in France this summer had it not been for the war. When the White Sox and Giants toured the world we found the citizens of Paris quite enthusiastic over the game. "I wouldn't be surprised to see France adopt baseball as the national game at the close of the hostilities. Look at the manner in which they took to boxing and the short time in which they produced good fighters of their own. "Canadian soldiers have been playing baseball during their spare time at the front and in several games they have opposed teams made up of French soldiers!" MORE FARM LANDS FLOODED. Buffalo Lake, in North Dakota, Out of Banks For First Time. Minior, N. D., Aug. 30.—Buffalo lake six miles south if here, is out of its banks and is flooding several thousand acres of the surrounding farm lands, the first time in the history of the district. Ordinarily, the lake is only about 60 acres in area, but it now covers several thousand. Continuous rains are responsible.

WHITE PLAYS PINOCHE TO SPEED HIS BRAIN FOR BATTLE WITH CHAMPION!

Colorado Springs, Colo., Aug. 30.—Charlie White is playing pinoche as a part of his training program for his battle with Champion Freddie Welsh. The Chicago knockerout claims the game makes him think fast and he figures that plenty of good meals of 100 aces or 80 kings show he is fast approaching fighting condition. White indulges in the classic pastime between training sieges. It takes the monotony off the hard slams he receives in the gym.

FARGO-MOORHEAD CLUB WINS 12-3

Fargo, N. D., Aug. 30.—Fargo-Moorhead stepped one rung nearer the Northern pennant today, when they defeated the Superior club, 12-3, while Winnipeg was breaking even with Duluth, the Peggers winning the first game, 2 to 1, and losing the second, 9 to 3. Fargo-Moorhead now rides a full game and a-half ahead of Winnipeg.

The local club has seven more scheduled games, one against Superior and six against Duluth, while Winnipeg has one more game against Duluth and five against Superior. Superior is in bad shape, with two of its best men out, while Duluth has been going good against Winnipeg. The shift in the clubs for the last series of the season is made Friday, the season closing Labor Day.

CATCHER AND SHORTSTOP MISSING AT SUPERIOR. Fargo, N. D., Aug. 30.—Superior during the 1916 season is under the handicap of having lost the services of Catcher Erickson and of Tony Burgwald, shortstop. Erickson is out with a spiked foot, while Burgwald jumped to the Hibbing semi-pro club.

WEIDELL WILL JOIN ST. LOUIS CARDINALS. Fargo, N. D., Aug. 30.—W. Weidell, member of the Fort Williams Northern league ball club during the present season, brother of Joe Weidell of the Fargo-Moorhead club, now playing semi-pro ball at Elmore, Minn., will join the St. Louis Cardinals tomorrow.

Weidell has been given a chance to show out with the Miller Huggins crew. Buy a Castellanos next time. A mild Havana 10c cigar. All dealers.

ROBBERS GET \$1,600. Rugby, N. D., Aug. 30.—Sixteen hundred dollars, concealed in his home, was obtained by robbers who beat up D. W. Snyder, 65, of Wolford.
