The Sublime, and the Ridiculous

The great Napoleon said there was only one step between the sublime and the ridiculous. What I started out to say is this: That a man who pays from \$30 to \$40 a month rent and has nothing to show for his money except to have the landlord tell him that he must move next month because he has sold the house, should be pointed out as being ridiculous.

In my estimation, the **SUBLIME** is a man who will say, "Dear Wifey, we have a few hundred dollars in the bank and instead of throwing this money away by paying rent we will apply this bank account on the purchase price of a home and the balance we will pay monthly. In a few years I will put my arms around you in loving embrace and say, "This is **OUR HOME**. It is paid for. It is ours."

All nations and creeds are familiar with that deal old saying: "Home, Sweet Home, Be it ever so Humble, There's no Place Like Home."

I wish to inform you that I have several very desirable homes for sale—one on Washington avenue, four rooms and almost modern, in a very desirable neighborhood. Price, \$1800; \$600 cash and the balance to suit purchaser. Another nice home on 15th street, east front, nice trees, lot 100x150 feet, barn. This property is worth \$3,000 but for quick sale and spot cash will sell for \$2,200 on account of the owner moving onto his large farm near Bismarck. This home is especially desirable for a family with children. It is a very desirable suburban home.

I have a house on 6th street of 14 rooms, income of about \$100 per month, price \$10,000.

If you wish to purchase a house, a farm, or city property of any kind, I will be pleased to talk business with you. It is always a pleasure to show our properties.

AT ALL STAGES OF LIFE

The Woman's Medicine. Good for All Ages. Mrs. Harold Smith's Experience.

Clarksburg, W. Va.—"I am writing to tell you the good your medicine has always done me and I hope my letter may be the means of helping some other suffering woman. When I was 16 years old I caught cold and had suppression for two months. I got so weak I could scarcely drag myself up the stairs. I went to two doctors, then my mother got a bottle of Lydia E. Pinkham's Vegetable Compound and I took it. I never had any more trouble and got strong fast. Then I took it again before my little girl was born and it helped me a good deal and I give the Compound the credit for it. Then this spring I felt very badly again, but I took the Compound and have been well all summer. I cannot be grateful enough for your medicine." — Mrs. HAROLD M. SMITH, 470 Water Street, Clarksburg, W. Va.

For forty years it has been making women strong and well, and curing backache, nervousness, uterine and ovarian inflammation, weakness, displacements, irregularity and periodic pains.
