New Orleans, La.—"I cannot praise Lydia E. Pinkham's Vegetable Compound enough, for I know my daughter never would have been so well if she had not taken it. For more than a year she had suffered agonies from irregularity, backache, dizziness, and no appetite, but is now well. I recommend Lydia E. Pinkham's Vegetable Compound to all mothers and daughters, and you can publish this letter."—Mrs. A. ESTRADA, 129 N. Galvez Street, New Orleans, La.
 Philadelphia, Pa.—"My daughter was feeling tired and all run down with no apparent cause. She had taken Lydia E. Pinkham's Vegetable Compound before and knew its value so she again purchased it and she was able to keep to work, her eyes became bright and natural, and her system was built up completely. We generally keep the Vegetable Compound in the house for it is to be relied on."—Mrs. E. J. PURDY, 6131 Race Street, Philadelphia, Pa.
