Grand Piano To Be Used At Popular Concert

Two grand pianos have been loaned for the popular concert Thursday evening in the Auditorium, when an array of the Capital City's best musical talent will present the program. They were moved to the Auditorium today.

A change has been made on the program by Mrs. M. W. Roan being unable to fulfill her engagement and in her place Miss Flora Harmon will play. It is expected that the appearance of Miss Harmon as soloist will be one of the great drawing cards. She has not been heard in concert since her return from New York, where she studied under the famous Rudolph Ganz. She will play a Liszt number.

Another attractive feature will be the singing of Mrs. F. H. Luehe. She will sing Walzertraum, by O. Strauss and Fata Morgana, in German. Fata Morgana is one of the favorite numbers of Rigo, the great gypsy violinist.

George Humphreys, known as one of the best bass singers in this section, has consented to be one of the soloists and his appearance will be

of considerable interest. He is soloist in the Presbyterian church quartet. The program will begin at 8:15.

Five tables were in play for bridge and the honor for the game

was awarded to Mrs. J. A. Haney. Mrs. Murphy was presented with a remembrance. The guests included intimate friends of the honor guest.

The nurses of the Bismarck hospital were among the guests.

OUR HEARTS IN MERCEDES. Our hearts tonight in Mercedes. And the stars are shining bright. While the band is sweetly playing. Yes, we are with you there tonight.

We are standing on your camp grounds. And we hear the bugle blow. While the boys are softly singing. Some sweet song of long ago.

We can see your manly faces. Greeting us with a sweet smile. Quite forgetting all the dangers. That are threatening all the while.

Full well we know you'd greet us all. With the welcome of a king; No words could find expression. For the joy that we could bring.

We'd grasp your eager waiting hands. If we were with you there today. God bless our boys, our own brave boys. In Texas, so far away.

Look and Feel Clean, Sweet and Fresh Every Day

Drink a glass of real hot water before breakfast to wash out poisons.

Life is not merely to live, but to live well, eat well, digest well, work well, sleep well, look well. What a glorious condition to attain, and yet how very easy it is if one will only adopt the morning inside bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach.

The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleanses out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatism; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store which will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.
