many warm friends here; also Captain Norman Marshall, an accomplished young man with great musical talent, being a splendid vocal soloist and a perfect wizard on the cornet.

Captain Murphy of the local corps plans on giving the commissioner and his staff a real welcome to Bismarck, and the newly organized band with most of the other members of the corps will be on hand when No. 3 arrives Wednesday.

A large crowd is assured for the evening meeting and those who wish to hear the commissioner had better come early to secure a seat. Selections by the newly organized band and songster brigade will be given. The meeting will commence promptly at 8 o'clock.

SAGE TEA BEAUTIFIES AND DARKENS HAIR

Don't Stay Gray! It Darkens So Naturally That Nobody Can Tell

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 50-cent bottle of "Wyeth's Sage and Sulphur Compound" at any drug store.

These whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.

Asks for Boat Landing Franchise.

L. A. Tavis, president of the associated banks of Mandan, sent an application of the Red Trail Ferry company for a franchise for a boat landing on the Missouri river banks, the application being made by Edmund Mackey, president of the Red Trail Ferry company.

The company asked to be granted an exclusive franchise for a landing at the foot of Rosser street and an exclusive lease for said landing place. It was explained that such landing was to be used in connection with the ferry to be operated and controlled by that company. It also asked that the approach to and from said landing and the public highway be kept in repair. The matter was referred to the city attorney to be reported at the next meeting.

The matter was brought to the attention of the commission that the water drainage on the corner of Rosser and Second street was not adequate and steps ought to be taken to remedy such. It was stated that the corner is always flooded in the spring.

Lights Are Needed. It was reported that a light is needed in the northeast end of the city. The recommendations will be made at the meeting next Monday.

A. O. U. W. MEETING. The A. O. U. W. lodge will meet this evening in the Knights of Pythias hall and will elect officers for the year. All members are asked to attend.

DEFER ACTION ON AWARDCITY CONTRACT

Deferring action on awarding the contract for the remodeling of the city post house, but allowing contracts for the furnace, metal work and the electrical wiring, passing on the bills for the month and returning the claim of Mrs. Hattie McBride of Halliday, against the city for \$5,000, constituted the main business acted on at the meeting of the city-commissioners last evening.

Four Bids Were Opened.

Four bids were opened for the remodeling of the post house. After a 30 minute recess during which time the bids were considered with the city engineer, the commissioners reported they had agreed upon requesting that the two lowest bidders consult with the engineers in regard to the figures submitted to comply with the specifications of Architect Keith. The figures will then be reported at the meeting next Monday and the contract awarded. Bids ranged from \$1,595 to \$1,998.

Contract for the sheet metal work was awarded to John Bortell and that for electrical wiring to P. K. Skeels. Bortell's figures were \$212 and Skeels' \$55.

Claim Against City Rejected. On the recommendation of City Attorney McCurdy, the claim of Mrs. Hattie McBride of Halliday, against the city for \$5,000 damages, sustained on the 28th of October, last, on the walk south of the McKenzie hotel, was rejected. According to the city attorney "the sidewalk might have not been perfectly smooth, yet in such a condition that a person in possession of all senses would be able to walk thereon in perfect safety."

Advertisement for Typewriter Service in Rural Communities. The typewriter is coming into more extended use in rural communities because of the assistance it renders to all classes of people. Here are a few examples of the possibilities of service: The Farmer: Think of the possibilities of selling produce by the means of typewritten letters sent out to customers? Typewritten letters give the sender a business standing with the people who receive them and also enable the keeping of carbon copies of the correspondence, which many times does away with misunderstandings and lawsuits. The General Store Merchant: More prompt and courteous treatment is likely to be accorded his orders and correspondence with the City jobber and manufacturer if his letters are typewritten. In The Home: The boy or girl who is intending to follow a business career can secure no better start than a knowledge of typewriter operating. Children who learn to use the typewriter learn spelling at the same time. The housewife finds it a great convenience in writing recipes and for general correspondence. The Minister: No Clergyman should be without a typewriter. It is of great assistance in preparing sermons and writing the many letters that a pastor has to write. Mail us the Coupon to-day. L. C.
