U. S. AUTHOR ADMITS HE WAS IN GERMAN PAY

Washington, Dec. 13.—Testimony that Edward Lyle Fox, a writer, was sent to Germany in 1915 by the German embassy to write German propaganda which was distributed by the Hearst International News service was given today at the hearing of the committee of the senate investigating the brewery industries.

In response to question, Captain Lester said there is nothing in the army intelligence record showing whether either Mr. Hearst or managers of the International News service knew that Fox was in the pay of the German government.

The witness read a telegram sent from the German embassy in Washington September 9, 1914, saying: "Chicago Tribune friendly paper." Captain Lester said that Fox confessed to him that while in Germany he had an understanding he would write anything he was told to write by the German publicity bureau at Berlin.

The witness said he obtained an admission from Mr. Fox with reference to an article appearing in 1915 telling of Russian atrocities. Captain Lester said that as a result of a request by President Wil-

son at a personal interview with Randall Hearst, changes were made in the film play "Patria" picturing Japan and Mexico in an alliance against the United States. The witness cited this film as one bearing earmarks of German propaganda.

The German government on July 19, 1914, informed about 150 German civilian employes at a conference in Berlin that a world war would be started soon. Captain John B. Lester, of the army intelligence service, testified today before the senate committee investigating the brewers' propaganda.

NO ACTION ON WARDEN UNTIL DECEMBER 18TH

"No action will be taken on the choice of a new warden for the state penitentiary earlier than next Wednesday, in all probability," said Secretary Poise of the state board of control last evening in response to a persistent rumor that Sheriff S. A. Smith of Beach had been given the plum. The public in the meanwhile is continuing to pick possibilities, among the late crop being mentioned R. J. J. Montgomery of Tappen, president of the North Dakota Farmers' union, vice chairman and a member of the executive committee of the state council of defense, and a close personal friend of President A. C. Townley of the National Nonpartisan League. Many are still inclined to believe that former Sheriff Charles F. McDonald of Morton county, now deputy warden, has the most likely lightning rods, but some of his friends question this.

2,000 AMERICANS CURED OF SHOCK

Washington, Dec. 13.—More than 2,000 American soldiers suffering from shell shock were cured by news of the signing of the armistice, Surgeon Ireland today told the senate military committee. Of 2,500 shell shock patients, the general said all except about 300 were well almost immediately.
