

THIRTY-NINTH YEAR

BISMARCK, NORTH DAKOTA, SATURDAY, OCTOBER 9, 1920

PRICE FIVE CENTS

PICTURE BOARD IN STATE PLAN OF CLUB WOMEN

Other Resolutions Oppose Prohibition and Advocate Many New Laws

FEDERATION CLOSES

Fargo Chosen as Place of Next Meeting—Review of the Convention Week

Delegates to the twenty-fourth annual meeting of the North Dakota Federation of Women's clubs were departing for their homes today after the conclusion of the convention here last night.

After the selection of Mrs. L. N. Cary, of Mandan, as president, and the selection of Fargo as the place of meeting next year without opposition, the club women adopted resolutions, covering many subjects. They include:

Urges the extension of supervision of motion pictures through state boards of censorship, and calls on clubwomen to seek a law creating such a board at the coming session of the state legislature.

Urges the budget system for mother's pensions, and placing supervision of such aid to some especially designated worker, holding present system inadequate.

Urges next legislature to pass legislation to bring state prohibition law in accord with the federal law, known as the Volstead act, and says: "We are unalterably opposed to ever re-opening the question of national prohibition."

Praises Hazel Miner, the 15-year-old girl who perished in an endeavor to save the lives of her little brother and sister near Center on March 15, 1920, it directs a copy of the resolution of praise shall be sent to her relatives and that a portion of the scholarship loan fund be known as the Hazel Miner Memorial Fund.

Urges the home demonstration agents' work and urges the federation members' support of the movement.

Against New Party Regarding outrage the federation urges women to align themselves with the most capable and public-spirited men in the parties now in existence, demands that the schools be kept out of politics, and declares it the duty of every woman to inform herself on political matters and cast her vote conscientiously and intelligently.

Advocates in education "the teaching of Mothercraft or a definite health program" as of primary importance, and pledges aid in securing two ward buildings for the Grafton institution.

Endorses a proposal for the establishment of a department of education under a secretary in the president's cabinet, and the granting of federal aid as provided in the Smith-Towner bill. Would amend the present kindergarten law to make establishment of them easier.

Advocates state aid in making a survey and giving aid and assistance to the crippled children of the state, and endorsed the Shepard-Towner bill pending in congress.

Pledges support of the United States government's fight against venereal disease, and that one meeting of each constituent club, each year, be devoted to a discussion of the menace.

Declares the clubs will sell more Christmas seals this year than ever before. (The sales reported last year amounted to \$6,000, but it is stated many did not report total to public health chairman.)

There was no discussion in the adoption of the resolutions. In addition to those presented by the resolutions committee, the motion picture and home demonstrations agent resolutions were presented from the floor.

At the afternoon session representatives of Fargo tendered a welcome to hold the twenty-fifth federation meeting next year, and before any other city's invitation was offered the clubwomen accepted that of Fargo.

Tribute to Miss Nielson One of the features of the last afternoon was the demonstration given by Miss M. J. Nielson, state superintendent of public instruction, when she addressed the body. Women waved handkerchiefs and cheered her for nearly five minutes.

First in importance, in reviewing the sessions, must be mentioned the presence of many distinguished and talented persons, specialists in their lines, gathered to lend their talents to the pleasure and benefit of the federation. Professor Yoder, of the State university brought promise of many helpful finds in making out programs and finding material for club study. The head of the drama department of the Agricultural college, A. C. Arnold, assembled the very best working plan for promoting the pageantry in our communities that has ever been presented in this state while the plan for a more extended and satisfactory study of the Bible as literature was earnestly and learnedly presented by the Dean of the College of Arts of the

CLEVELAND WINS 5 TO 1 WITH COVELESKIE PITCHING FINE BALL

League Park, Cleveland, Oct. 9.—The Cleveland tribe sounded the tocsin today for a trial uprising against the foe, the Brooklyn Dodgers. Twenty-seven thousand persons jammed league park to see the American League pennant winners try to turn back the invading Brooklyn, who held the edge of an odd game over Chief Speaker's warriors. Stanley Coveleskie prepared to pitch for Cleveland.

"If I can get by 'spiter' breaking we can put this game in the bag," said Coveleskie. "I'm not sure, but I think we can." Just before the game was to begin (1 p. m. Bismarck time), Ricard (Rube) Marquard, one of the star left-handed pitchers of the Brooklyn National League pennant winners was arrested on a charge of ticket scalping.

First Inning Brooklyn—Olson went out, Gardner to Johnston. Johnston on, Sewell to first. Griffith popped to Gardner. No runs, no hits, no errors. Cleveland—Jamieson lined out to Cadore. Wambag walked, Speaker singled, Wambag taking second. Wambag scored on Smith's single to center. Speaker taking third. Gardner flied to Myers and Speaker scored on the catch. Johnston fanned. Two runs, two hits, two errors.

Second Inning Brooklyn—Wheat flied to Jamieson. Myers flied to Smith, Konetchy out, Wambag to first. No runs, no hits, no errors. Cleveland—Sewell singled, O'Neill singled through first, Sewell taking second. Cadore was taken out and Mammaux was put in the box for Brooklyn. Coveleskie fanned. Jamieson flied to Myers and Sewell was doubled at second, Myers to Olson to Kilduff. No runs, two hits, no errors.

Third Inning Brooklyn—Kilduff fanned. Miller out, Coveleskie to Johnston. Mammaux fanned. No runs, no hits, no errors. Cleveland—Wambag singled to right, Speaker singled to center and on the throw to third he went to second. Mammaux was taken out and "Rube" Marquard went in the box for Brooklyn. Burns batted for Smith. Wambag scored on Burns single to left, and Burns took second on an error, on which Speaker scored. Gardner fanned. Wood batted for Johnston and uted out to Myers. Sewell singled. Burns taking third. O'Neill walked. Coveleskie forced O'Neill at second. Kilduff unassisted. Two runs, four hits, one error.

Fourth Inning Brooklyn—Burns went to first for Cleveland and Wood to right field. Olson flied out to Speaker. Johnston singled into left field, Griffith hit a two-bagger into right, and Johnston scored. Wheat flied out to Speaker. Griffith took third. Sewell threw out Myers at first. One run, two hits, no errors.

Cleveland—Evans batted for Jamieson. Myers made a spectacular catch of Evans' line drive. Marquard threw out Wambag at first, Speaker went out Kilduff to Konetchy. No runs, no hits, no errors.

Fifth Inning Brooklyn—Konetchy walked. Kilduff fanned. Miller hit into a double play, Sewell to Wambag to Burns. No runs, no hits, no errors.

Cleveland—Burns struck out. Gardner lined out to Myers and threw out Wood at first. No runs, no hits, no errors.

Sixth Inning Brooklyn—Lamar batted for Marquard. He was out, Sewell to Burns, Olson singled into left field. Johnston forced in at second, Sewell to Wambag. Burns dropped Wambag's throw to first to catch Johnston. Wambag took Griffith's grounder and tossed to Sewell at second, who dropped the ball. Johnston dashed for third and was out. Sewell to Gardner. No runs, one hit, no errors.

Cleveland—Pfeffer went into the box for Brooklyn. Sewell popped to Johnston. O'Neill fanned. Coveleskie (Continued on Page Seven)

WILSON URGES HONOR TO DEAD

Washington, Oct. 9.—President Wilson today directed that on Sunday, Nov. 14, the American flag be displayed at half mast on all public buildings and naval and military posts "as a token of the nation's participation in the memorial services held for the heroic American soldiers, sailors, marines and others, who gave their lives to their country in the World war."

WHEAT SLUMPS

Chicago, Oct. 9.—Attempts to stiffen the wheat market failed at the opening of today's board of trade session. Wheat was active at 1-2 to 1-4 cents higher at the start. The movement brought out a flood of selling and the reaction was quick and sharp, to around yesterday's finish with December at \$1.93 1-2 and March at \$1.90 3-4.

MANAGERS

SPEAKER

ROBINSON

Tris Speaker, manager and star of the Cleveland team, and Wilbert Robinson, Brooklyn manager, were both keen for today's game. A victory for Brooklyn would make the count 3 to 1.

SWOOP DOWN ON POKER PLAYERS NORTH OF CITY

Deputy State Inspectors Make Arrests in Mountrail County

Two deputy inspectors of the state license department returned today from a trip through several counties north and northwest of the state capital, in which time they made several arrests for violations of law. With county officials, a great poker game was raided in Van Hook, Mountrail county, they said. The gambling room was in an upstairs room over a pool hall. One of the inspectors, who was invited in the game, won \$30, and then, after quitting, slipped out a rear door and invited the sheriff and state's attorney in. Frank Anstler, and H. D. Colman, the latter owner of the pool hall, were arrested. They will have a hearing Oct. 18.

John Bernel, proprietor of a pool hall at Plaza, Mountrail county, pleaded guilty to selling snuff and was fined \$500.

F. W. Welch, pool hall owner at Lost Wood, was arrested on a charge of running a pool hall without a license, also of having a gambling apparatus. He is said to have paid a fine. The state inspectors expect to make many arrests of men charged with running pool halls without licenses. B. P. Dean, of Lost Wood, was arrested on the same charge. M. C. Wilkes, of Bremen, was charged with selling snuff and asked for a trial.

SENATOR GRONNA URGES EMBARGO ON WHEAT INFLUX

Bankers' Association Also Asks Wilson to Stop Flooding of Country

Fargo, Oct. 9.—Senator A. J. Gronna, the Fargo Commercial club and the state bankers' association have wired President Wilson urging an immediate embargo on the shipment of Canadian wheat into the United States, which had depressed the market. Senator Gronna's message said: "Honorable Woodrow Wilson, President of the United States, Washington, D. C. It is true that the reduction in the price of wheat is caused by the dumping of Canadian grain into our markets, then I believe that without delay the anti-dumping clause of the present tariff law should be put into operation by placing an embargo against the importation of wheat and flour from Canada. If present prices continue very long it will ruin the farmers who have paid 70 cents an hour for labor in producing this year's crop. It will also cause innumerable failures among business. Kindly give this your careful attention. A. J. GRONNA."

ELKS DEPUTY FOR N. D. NAMED

Minot, N. D., Oct. 9.—John J. Coyle, of Minot, today was notified that he had been named district deputy of Elks for North Dakota. The appointment was made by William M. Abbott, of San Francisco, grand exalted ruler of the Elks in this country.

COAL PRIORITY RULE EXTENDED BY COMMISSION

Railroads Required to Furnish Cars to Mines in Preference to Others

MOVE TO LAKE PORTS

Movement of Coal Expected to Result in Satisfaction of Domestic Demands

Washington, Oct. 9.—Action to satisfy demands for domestic coal in various states was taken last night by the Interstate Commerce commission in an order requiring railroads east of Montana, Wyoming, Colorado and New Mexico to furnish coal cars to mines in preference to any other use.

Former orders of this character applied only to the east of the Mississippi river. The present order, the commission said would run until further notice, but would be relaxed as the situation warranted. The commission also ordered all outstanding permits for use of coal cars for other freight cancelled but announced that arrangements to continue the movement of certain essentials, such as sugar beets to factory, would be made.

2,100 Cars Daily

Working in conjunction with coal operators and railroads, a program has been formulated, the committee said, which is expected substantially to meet domestic coal needs. It is planned to transport approximately 2,100 cars daily for purpose, in Indiana, Ohio, Michigan, eastern Kentucky, eastern Tennessee, western Pennsylvania and West Virginia. Attention is also being given to needs of domestic consumers in other states, the commission added.

As public utilities and institutions have accumulated some stocks of coal under the commission's priority order, that order has been superseded by a new regulation which, the commission announced, will care for special cases of real emergency. After Oct. 14 the preferential car supply for public institutions will be affected only upon approval of the commission.

Lake Order Remains

Despite an increase in coal production which up to Sept. 25 exceeded that of last year by 51,000,000 tons, the commission said "there has not been a sufficient production of the sizes of coal for domestic purposes to satisfy all present demands." The existing order for the preferential movement of 4,000 cars of coal daily for the northwest was not changed.

A statement issued by the National Coal association said the increased car movement has already started and would meet immediate needs. After the lake movement was completed the statement said, there would be available ample coal for domestic winter storage.

HIGH PRICES UNJUSTIFIED

Washington, Oct. 9.—High bituminous coal prices are unjustified and eastern consumers who have as much as a month's supply on hand should buy only for immediate need, the American Wholesale Coal association advised today.

There is no danger of a bituminous coal shortage, the association said, indicated by bidding off buying consumers can cut prices. The statement of the association was prepared by the executive committee.

CANADA PROMISED MORE

Ottawa, Oct. 9.—The board of railroad commissioners announced last night they had received reports that the United States authorities had completed arrangements to increase the coal tonnage destined for Canada by way of lake ports before navigation closes, and that every effort would be made to keep coal cars moving between the lake ports and the mines.

WATER COMPANY SUIT IS TAKEN TO U. S. COURT

The petition of the Bismarck Water company for removal of the condemnation suit brought by the city of Bismarck against the company to the United States district court was granted today by Judge Nuesse. The company is incorporated under the laws of West Virginia, and as a foreign corporation, exercises its right of removal of the case to federal court. Bond was given by the company.

DISSOLUTION OF READING ORDERED

Philadelphia, Oct. 9.—The federal court here today handed down a decree ordering the Reading company to file within 90 days a plan of dissolution of the alleged combination of the Philadelphia and Reading railway company. The Philadelphia and Reading Coal and Iron company, the Central Railroad of New Jersey and the Lehigh and Wilkesbarre coal company in accordance with the decision of the United States supreme court.

FUR EXHIBIT

Ottawa, Oct. 9.—An exhibition of fur-bearing animals that are being "farmed" in Canada will be held in Montreal, November 24, 25 and 26. It is announced by the commission of conservation.

SURE, LET TAXPAYERS PAY FOR EDDIE'S PROPAGANDA—N. P. FOLLOWERS FOR IT

Chairman of Board of County Commissioners Evolves Neat Little Plan to Let County Pay Cost of Defending Him—Sets Nice Precedent, Too

Most people believe that when a man wants to insert in newspapers an advertisement for himself he should pay for it.

But "Whistling Eddie" apparently doesn't. Not while he controls the purse of Burleigh county. Let the county pay for it! And the taxpayers of the county are to pay for a statement in behalf of the whistling chairman of the Burleigh county board of commissioners. And two Nonpartisan members of the board cheerfully acquiesced to this method of getting rid of some of the taxpayers' money.

Last week Patterson found it advantageous to loan a county road engine, which had been placed under the direction of Commissioner Birlea Ward to do road work to the penitentiary to thrash Patterson's grain. Ward sought a restraining order. Judge Nuesse held that the manner of doing it was perfectly legal. He suggested that it was in bad taste for any commissioner to use county property in a way that would benefit himself, directly or indirectly, but held there was not sufficient grounds for granting a restraining order when the county loaned an engine to the penitentiary. He suggested that Ward who said he wanted the engine for road work, might bring an action in claim and delivery. All of which was duly chronicled in The Tribune.

Praise Me, Please But "Whistling Eddie" wanted a regular advertisement for himself. So he introduced a resolution in the board of county commissioners to have printed a long resolution which bore the earmarks of having been prepared by the faithful followers, El Allen, and Commissioners Swanson and Palms, with Patterson, voted to have it printed in Brinton's paper. Also in the other Nonpartisan league paper. And, on Ward's motion, on which Patterson did not vote "aye," to have it printed in The Tribune.

Makes Precedent The resolution defends "Whistling Eddie" and refers to "The Tribune's" editorial which said that the county commissioners should not delay in passing a rule that the road machinery is to be used later provision may come in hand solely for road work and not for private enterprises. The resolution further states "that the citizens and other public bodies should receive the benefit of the use of county property when not in the use by the county." The latter provision may come in handy for Patterson if he wants to loan some county property to some faithful voter to do his own private work or to loan it to himself—and if some taxpayer objects in court.

YOU FIGURE OUT THE RELATIONSHIP

JEFFERSON, Ind.—When Mrs. Eliza J. Gillespie, 39, married Ambrose Bierly, 43, it marked another chapter in a complicated matrimonial course. They had been married to each other before, when she became Bierly's third wife and he at that time became her second husband. She has just divorced George L. Gillespie's fifth wife, four others having died.

HARDING TRAIN IN KANSAS ON WESTERN TOUR

Will End at Oklahoma City, Tonight and Return to Marion Monday

On Board Senator Harding's Special Train, Oct. 9.—On the last lap of his mid-western speaking trip Senator Harding's schedule today added two more states, Kansas and Oklahoma to those in which he has carried his campaign.

The first stop today was at Wichita, Kan., where the train was due early this morning. Departing immediately after a forenoon meeting at the Wichita Forum he was to reach Oklahoma City for an address in the evening. Along the way many city crowds turned out to see him and rear platform speeches of only a few minutes were held.

The speaking trip ends at Oklahoma City and late tonight the nominee's train will head eastward for an almost continuous run, where it will arrive Monday noon.

LOTS OF FUN PROMISED AT STREET DANCE

Elks to Give Third of Series Here Tonight on Broadway

Lots of fun is promised at the Elks' band street dance to be given tonight. It is the third of the season—probably the last, and the Elks' band men would like to see it made a regular community affair.

The dance is to be held on Broadway, between Third and Fourth streets and dancing will begin at 8:30. Big crowds attended the first two dances given by the band.

Many out-of-town visitors from Mandan and other places are expected to attend. The pavement will be as smooth as a ballroom floor, those in charge of the dance assure.

ANTI-SOVIET UPRISING ON

Warsaw, Oct. 9.—A new insurrection against the Russian Soviet government has broken out in the district of Nizhni-Novgorod, 265 miles north-east of Moscow, according to information reaching the Russian colony in this city.

RUM AGENT IN RUNNER PLOT U. S. CHARGES

Robert B. Leedy, Chief Federal Agent in North Dakota, is Arrested

CONFESSION IN SO. DAK.

Man Caught at Sioux Falls Tells Story Implicating North Dakota Man

Fargo, Oct. 9.—Subpoenas were to be issued today in the United States district court summoning Theodore Musgjer, former clerk in the federal prohibition office in Fargo, and "E. O. Hougan, late of Fargo," to appear in Fargo next week at the hearing of Robert B. Leedy, prohibition group chief for North Dakota, arrested last evening on a commissioner's warrant. Leedy is a prisoner in the Cass county jail in lieu of \$5,000 cash bail.

He is charged with two counts, conspiracy and violation of the national prohibition act in transporting whiskey from Fargo to Sioux Falls, S. D.

Cries Frame-up

Leedy claims that he is the victim of a deliberate frame-up on the part of Musgjer whom Leedy, while prohibition chief at Sioux Falls, S. D., recommended for dismissal from the service, he says, but who was given another chance. Musgjer was arrested in Sioux Falls last night where he was in possession of a motor car load of whiskey, according to advice from that city. He told Sioux Falls police that he had been commissioned by Leedy to deliver the liquor to a private detective of Sioux Falls.

Paul D. Keller, of Minneapolis, northwest divisional prohibition chief, was advised by telephone last night of the arrest of Leedy and is on his way to Fargo today.

According to information received yesterday at the office of the United States district attorney in Fargo, Theodore Musgjer, one of the men who resigned a few days ago from the staff of prohibition officers, was arrested Thursday at Sioux Falls, having in his possession 125 quarts of whiskey which he had brought to that place from Fargo.

Musgjer implicated Leedy, who was taken into custody as soon as a telegram from the authorities in South Dakota reached Fargo. Leedy's bail was fixed at \$5,000, which he was unable to furnish last evening. He was remanded to the Cass county jail.

Musgjer maintained, it is said, that Leedy had ordered him to deliver the cargo of whiskey in Sioux Falls.

A preliminary hearing before United States Commissioner Philip Elliott was set for 2 p. m. Monday. It is understood the information against Leedy charges him with transporting intoxicating liquors in violation of the federal statutes, and conspiracy with Musgjer to violate the federal law.

Leedy was group chief at Sioux Falls for nine months before being transferred to the Fargo district.

Leedy was sitting in his office in the federal building yesterday afternoon when he was arrested. He is married, his wife also lives in Fargo.

TAKEN IN A. D.

Sioux Falls, S. D., Oct. 9.—Theodore Musgjer, formerly a federal prohibition agent here, who was arrested last night when he was found to be in possession of a motor car load of whiskey, told local police that he had been commissioned by Robert B. Leedy, federal prohibition agent for North Dakota, to deliver a quantity of liquor to a private detective of this city, who had assisted Leedy in several raids on "moonshiners" in this state.

Leedy was formerly federal prohibition director for South Dakota, but had asked for a transfer to Kansas City, Mo., shortly before he was sent to Fargo. Musgjer resigned here late in July.

JUDD MAN CAUGHT

Aberdeen, S. D., Oct. 9.—H. Wellman of Minneapolis and Jack Putnam of Judd, N. D., were captured with over 30 cases of Canadian whiskey in their car intended for Frederick and Aberdeen distribution. It was alleged. Early in the morning sheriff Elliott received advice from J. N. D. that Wellman and Putnam after running the gauntlet over the Canadian line passed through there and probably were headed in the direction of Aberdeen. When captured the deputies allowed the men offered \$1,000 cash to the sheriff to let them go.

ST. PAUL BEATEN BY BALTIMORE

Baltimore, Md., Oct. 9.—With Jack Bentley pitching, Baltimore drubbed St. Paul here this afternoon 9 to 2, in the "little world series." This makes the series stand 3 to 0 for Baltimore.

GOLD STILL AT BOTTOM OF SEA

LONDON—H. M. S. Racer, the Admiralty salvage ship, has concluded her operations for this year in connection with the recovery of bullion from the auxiliary cruiser Laurentic, mined in 1917, on her way to America with gold ingots. Results have been disappointing and little metal recovered. Operations will be resumed next spring.
