

WILSON WHEAT ACTION URGED BY TRAVELERS

Bismarck Body at Meeting Adopts Petition Which is Forwarded to Wilson

Members of the United Commercial Travelers, at a meeting held in Bismarck Saturday night, decided to petition President Wilson to use his power and prestige to immediately affect an adjustment in the grain market. The telegram to the president, signed by 212 Bismarck commercial travelers, through the committee, J. C. Oberg, W. J. Rechbald and J. D. Hea-low, follows:

"We, the Commercial Travelers of Bismarck, N. D., in behalf of the agricultural and commercial interests of the northwest, do hereby petition you to use your power and prestige to affect an immediate adjustment of the grain market.

"We feel it our duty to protest against so great an injustice being done industry. Conditions such as these are making men intolerant, and

has a tendency to break down the very fibre of which our government is constituted. 'Equality to all.' These people, in the past four years under adverse conditions, backed our government unflinchingly, with a spirit of patriotism that was a sacrifice. Now, we come to you, as head of our government in their behalf with a request that you put into immediate effect any law that will protect them from so great a loss."

PRAIRIE FIRE NEAR ARNOLD

Farmers north of Arnold were aroused yesterday by a prairie fire of considerable proportions. A spark started the dry tall grass and it was not long before there was a big blaze. Two automobiles in trying to dodge the flames which leaped across the road collided. One machine was put out of commission and the occupants bruised and badly shaken up. Their names could not be learned.

The fire was put out before it reached any grain or farm buildings.

YOUNG APPEALS FOR CAR HELP

St. Paul, Oct. 11.—P. E. Lee, of Grand Forks, secretary of the grain dealers association of North Dakota, and Congressman George M. Young, of North Dakota, in a telegram to O. E. Jacobson, of the Minnesota railroad and warehouse commission said the car situation is so serious in North Dakota that grain is being dumped on the ground.

North Dakota grain men are asking for assistance in obtaining assistance.

of an organized movement of growers to force the market up to a minimum of \$2.00 a bushel. When commission houses took the selling side something of a reaction ensued. Opening prices which range from one to 4 1/2 cents higher, with December at \$2.00 to \$2.03 and March at \$1.96 1/2 to \$1.99 1/2 were followed by market further gains before the market began to sag.

BISMARCK BOYS SERVE U. S. IN WESTERN POST

Four Are in Army Camp Lewis, Washington, and Are Pleased With It

(Special to The Tribune.)
Tacoma, Wash., Oct. 11.—Four former residents of Bismarck, now serving in Uncle Sam's peace time army, are stationed at Camp Lewis, Wash., near this city, being in the 31st Coast Artillery Brigade.

The men are Ralph J. Erickson, first class private and clerk of the supply company of the 59th C. A. C.; Orley Anderson, quartermaster's department attached to the camp fire department; Steve Yokem, battery E, 5th artillery, and Fred Keith, battery D, 5th artillery.

Erickson, Anderson and Yokem enlisted at Bismarck on May 9 and Keith joined them later. All four men enlisted for one year and some of them intended to remain in the army. On of them, Yokem, frankly admits he is homesick for his parents, home and Bismarck and does not intend to re-enlist.

Erickson while in Bismarck was employed by Frank C. Grambs. Anderson worked at Will's S. S. ed concern and also was delivery boy for The Tribune. Yokem was in the blue print department of the state highway commission. Keith is the
