GIANTS AND YANKS GET SETBACKS

As a Result of St. Louis Defeating Boston, They Now Occupy First Place

WILLIAMS' 25TH HOMER

Pittsburgh Wallops Giants for Second Time.—Detroit and Cleveland Win

(By the Associated Press) Chicago July 31.—The pennant chasing St. Louis Browns, without the services of George Sisler and Hank Severid but with able hurling by Wright and Ken Williams' 25th home run, have moved into first place again. Their fellow citizens, the Cardinals, nosed a game from Robinson's Dodgers and gained a length on the Giants, who dropped their second straight to Pittsburgh.

The upward movement of the Browns was due to the defeat of the Yankees by the White Sox six to five, as well as their own 4 to 1 victory over the Red Sox. Wait Hoyt, the Yankees' 1921 star, was ineffective in six innings against the Chicagoans who found his delivery for twelve hits.

Ty Cobb's men defeated the Athletics 7 to 2. Cleveland with Uble in hurling form and his team mates in a battling mood won from Washington 11 to 3.

Pittsburgh home runs again proved the undoing of the Giants. Morrison was in better pitching form than Douglas.

In Brooklyn the Cardinals took advantage of a couple of infield bobbles to win 3 to 2. The victory cost Brooklyn its hold on fifth place as the Pirates moved there.

Poor old Ty Cobb hit only .600 for the day, his team mates were rather good though and Detroit's total of 15 hits were enough for a 7 to 2 win from Philadelphia. Big Miller's homer over the left field fence was one of the Athletic's four hits.

How The Master Driver Became Master Tire Builder

IN 1903, driving the "999" racing car, Barney Oldfield started his career of victories that later earned him the title of "Master Driver of the World." To overcome the tire weaknesses that made racing difficult and dangerous, he studied tires—specified materials—supervised construction.

Today, Barney Oldfield is known as the "Master Tire Builder." Starting with the crude tires which carried the "999" one mile in sixty seconds, Oldfield gradually developed his famous Cords—a set of which covered 500 miles at eighty-eight miles an hour without a change.

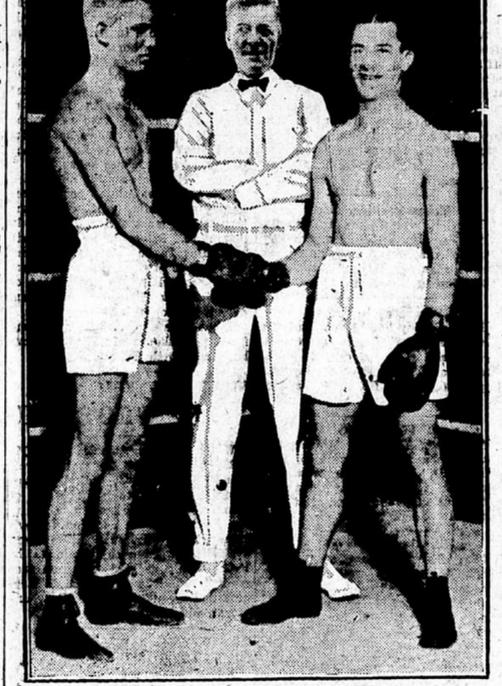

In three years Oldfield tires have won every important race on American speedways. They are the only American tires that have ever taken first place in the French Grand Prix. They have won for three consecutive years in the 500-mile Indianapolis Sweepstakes. So far in 1922, Oldfields have lowered four World's Records and seven track records.
