

TURKS SPURN OFFER OF CONFERENCE

INSIST TERMS OF PARIS NOTE OBJECTIONABLE

Want Great Britain to Suspend All Naval Movements In Dardanelles

ENGLISH DISSATISFIED

Nationalists Urge That Russia And Bulgaria Be Invited To Peace Parley

SATISFIED WITH MISSION (By the Associated Press)

London, Sept. 25.—The cabinet today considered the Near East situation with all the ministers, Admiral Earl Beatty, the Earl of Vavan and the other military and naval personages in attendance.

The incident of the invasion of the neutral zone and Chanak, when Turkish cavalry which entered the zone Saturday night retired Sunday after a meeting between the commanders of the Turkish and British forces, was looked upon as indicating there need be no fear of the repetition of such incidents.

A Reuter dispatch from Constantinople today says the meeting between General Shultze and the Turkish commander was of the friendliest nature, the Turkish officer in agreeing to withdraw his cavalry behind the neutral line, declaring the Kemalites did not wish to go to war with the British Empire.

(By the Associated Press) Constantinople, Sept. 25.—Hamid Bey, representative of the Angora government in Constantinople, declared today the allied invitation to the peace conference could not be accepted by the Turkish Nationalists on the terms laid down.

"We cannot accept the Allied terms because they propose to demilitarize the Sea of Marmora and part of Thrace, which would prevent us from bringing our troops from Asia to Europe," said Hamid Bey in a statement to the correspondents.

"Neither can we accept literally the condition that our army shall not advance while the peace conference is progressing. This would so circumscribe our movements that the enemy would have ample opportunity to prepare forces for a fresh attack and would give the Allies a chance to complete their land and naval reinforcements in the event the conference failed."

"We further insist that Great Britain shall suspend all naval and military movements in the straits during the course of the conference."

DEVELOPS COHESION Athens, Sept. 25.—Spurred to greater force by the popular clamor for his resignation, the cabinet of Premier Triantafyllakos is developing unexpected cohesion in strength and may even live out the present National crisis.

Meanwhile a note from the allied powers disclosing their communication to Mustafa Kemal Pasha, according to his conditions for peace reached the foreign office, and has had the effect of the Grecian people of a frigid and undesired showerbath. The powers in their communication merely informed the Greek government of their action.

Greece is not looking for more trouble, said one official today, but she intends to go right on with the task of building up her army in Thrace. In Thrace Greece is, in a Thrace Greece will remain, is the watchword today of the Greek people.

INVITED TO CONFERENCE. Paris Sept. 25.—Britain, France and Italy have sent a note to Mustafa Kemal opening the way for Turkey to re-enter Europe, receive back Constantinople and Adrianople and join the League of Nations.

This was done to avoid unforeseen consequences of war in the Near East. The Turks are offered the territory of Thrace, in Europe as far east as the Maritza river.

They are invited to send a plenipotentiary to Venice to "negotiate and conclude" a final peace treaty between Turkey, Greece and the Allies.

In return for concessions offered, the Turks must cease their war on Greece and agree to neutralization of the straits. This is regarded as an overwhelming victory for Turkey and for French policy in the Near East. The (Continued on Page 2)

Richberg, counsel for the railway shop crafts, indicated today that the next step in the shophmen's fight against the Daugherty injunction would be a petition to the United States circuit court of appeals for a review of Judge Wilkerson's order.

GANG RAID JAIL THEN ALL ARE CAPTURED

St. Paul Police Get Men Who Held-up Ramsey County Prison

RELEASED ONE BANDIT

But He Together With Accomplices Are Returned to Custody in 24 hours

St. Paul, Minn., Sept. 25.—Twenty-four hours after twelve heavily armed and unmasked bandits had stormed the Ramsey county jail Saturday night and effected the release of John C. Ryan, alleged leader of a shotgun bandit gang, in the most sensational jail delivery ever made in the state, Ryan was back in custody.

The capture of Ryan was effected by a squad of city and county police officials who raided a rooming house in the eastern part of the city and also arrested seven other men, believed to have been members of the jail breaking gang, and two women.

Those arrested with Ryan are: Francis J. Green 26 years, alias Jimmie Green, alias Wilson; Frank Allen, 48 years; Charles Callahan, 31 years; Charles Snyder, 34 years; Frank King 48 years; S. O. Burke, 40 years; George Ryder, 33 years, roommate of Francis Green; Mrs. Emma Powers proprietress of the rooming house; Olga Larson 19 years old, roomer at the house.

Police said several of the men arrested in the raid, which came as a result of a "tip" from a source they refused to divulge, were recognized as members of a Kansas City gang.

The first intimation the gang had of the police raid on the rooming house was the curt command of "hands up" of one of the officers who had entered the house while others surrounded the place.

None of the bandits attempted resistance and they were marched to the jail, shackled in fours. Frank Allen and Mrs. Emma Powers were recognized today by Detectives Bert Carr and Edward Murphree as a pair they arrested in 1919 on a statutory charge on complaint of John Powers of LaMoure, N. D. They were indicted, but on release of Mr. Powers later the indictment was nolle.

According to the evidence introduced at the time Allen and the woman were divorced in April, 1919, and the same day the woman married Mr. Powers. The same day also she left him and came to St. Paul where she joined Allen.

3 HERMITS FOUND DEAD ON FARMS

Hammer May Have Been Weapon Used to Kill Men—Examine Blood

Madison, Wis., Sept. 25.—Whether the hammer found on the farm of demented neighbor of Julius, William and Mary Blazer, is the instrument used by the slayer of the three reclusive Cassell prairie farmers will be determined late today by Dr. C. H. Bunting, University of Wisconsin Pathologist, when he completes his examination for blood stains.

It was this hammer with which the triple murder was committed on the night of August 8, in the belief of L. M. Shearer, special investigator for H. J. Bohn, district attorney of Sauk county. The owner of the hammer, now an inmate of the Mendota insane asylum, Mr. Shearer is convinced, is the slayer of the Balzer family and he has so reported to District Attorney Bohn.

Statements of the man now held in the asylum and his actions since the murder in the opinion of Mr. Shearer, show him to be linked with the slaying.
