ARDMORE, MONDAY, APRIL 23.
NOTICE TO THE PUBLIC.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of the ARDMOREITE will be gladly corrected upon its being brought to the attention of the publisher.

BETTER SIDEWALKS would forgive many other kinks that strike the city.

If the merry-go-round is allowed to run on Sundays, why are stores closed in town?

If Dr. Wolverton would call a meeting of the commercial club we believe the members would meet. He is president.

Do you reckon that the foundation for a commercial club or business men's league is an open proposition in our city?

In Wyoming, Nebraska and some points in Colorado terrible snow storms have been raging and even deaths have been quite frequent.

The merry-go-round is no more a privileged institution than any grocery house in town. It should not be allowed to run on Sunday.

The Choctaw grade into Ardmore is heavy, but there are just any amount of women who don't understand why the road was not sent in here straight.

The oil excitement is still at white heat at Beaumont. Thousands are flocking to that point and many new companies have sprung into existence in the last few days.

Our new officers have given us their word that the program must be changed. They are men who will do their duty, and by the way, you must not expect anything else.

STREET lights, bad sidewalks, cranky crossings. Of course you can find all but the first in Ardmore. But there's a good time comin', and then 'll be street lights by-and-by.

MORE new building is what we want. The city demands them. We must have them. These are the incubators of trade and Ardmore can't grow without them. It's up to you, men with money.

SOPER said the Arkansaw and Choctaw would be the first road into Ardmore. We have always given Soper the length of our rope. There's a half cinch on this, however, and if Soper ain't there to take the kink out he had better be.

THE papers tell us that two young people in St. Louis have signed a written agreement to each contribute to a fund to be increased to \$15,000 before they marry. They are both working on a salary and between them will save \$1500 a year. It will take about ten years to fulfill the contract, but they are young yet, and when they marry will have a nice start in life. If there were more such sensible young people in the world, there would be less work for the divorce courts.

Fishing Party Returns.
Moran Scott and R. P. Poland have returned from the big Choctaw fishing tour, and the balance of the party, J. B. Spragins, Farley Richmond, W. O. Daston, W. G. W. Vernor, J. A. Bivens, Ed Roberts, Mike German, W. P. Poland, A. E. Fuller and H. H. Pennington and three others from Marshall and Dodd City Texas, will be in tonight.

A summary of their catch is as follows: One deer, five turkeys and plenty of fish. They found the waters of Boggy alive with the fluny tribe, and everybody enjoyed themselves to the fullest extent.

Get your screen doors from the Laidlaw Lumber Co. They put the fixtures to them.
Rev. W. M. Robinson, from Stephenville, Texas, will be at the Cumberland Presbyterian church tonight, and will conduct services each morning and evening through out the week.

I keep the best ice cream and purest soda water in the Territory and have the only electric carbonator in Ardmore. Fresh carbonated water made daily.

Indigestion is the direct cause of disease that kills thousands of persons annually. Stop the trouble at the start with a little Prickly Ash Bitters; it strengthens the stomach and aids digestion. W. B. Frame.

You have been in the power house of some great plant of machinery. Did it occur to you that your body was a more wonderful machine?

In the term of a natural life the heart beats three thousand million times and with a pressure of thirteen pounds to the stroke, lifts in that time, half a million tons

of blood. What care are you taking of this wonderful machine?

Shortness of breath, buzzing in the ears, dizziness, palpitation of the heart, sleeplessness, stomach trouble, indigestion are only some of the evidences that the machinery is undergoing a strain which sooner or later will break it down.

What the lubricant is to the machine of iron, Dr. Pierce's Golden Medical Discovery is to the machine of flesh and blood. It reduces friction to a minimum and keeps the great organs in proper running order. It does this by healing diseases of the stomach and organs of digestion and nutrition, and increasing the flow of pure and healthy blood.

I used ten bottles of Dr. Pierce's Golden Medical Discovery and several vials of his Pleasant Pellets a year ago this spring and have had no trouble with indigestion since.

Write Mr. W. T. Thompson, of Townsend, Brogden, Co., Montana. Write him to tell how thankful I am for the relief as I had suffered so much and it seemed that the doctors could do me no good. I got down in weight to 125 pounds and was not able to work at all. Now I weigh nearly 250 and can do a day's work on the farm. I have recommended your medicine to several, and shall always have a good word to say for Dr. Pierce and his medicine.

Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. Use them with the "Discovery" when a pill is required.

In speaking of the choking to death of little 2-year-old Lucian Mowyer in last Thursday's paper, the ARDMOREITE stated that the capsule was obtained from Dr. Higgins. Our informant must labor under a mistake, as the doctor writes us that he did not sell the medicine, nor did he administer it, but was simply called after the child was choked, and which was dead before he arrived.

The White Elephant buggies are value givers in every material point, wear, comfort, finish and style, and we guarantee them without reserve.

The Best Remedy for Rheumatism.

QUICK RELIEF FROM PAIN.

All who use Chamberlain's Pain Balm for rheumatism are delighted with the quick relief from pain which it affords. When speaking of this Mr. D. N. Sinks of Troy, Ohio, says: "Some time ago I had a severe attack of rheumatism in my arm and shoulder. I tried numerous remedies but got no relief until I was recommended by Messrs. Geo. F. Parsons & Co., druggists of this place, to try Chamberlain's Pain Balm. They recommended it so highly that I bought a bottle. I was soon relieved of all pain. I have since recommended this liniment to many of my friends, who agree with me that it is the best remedy for muscular rheumatism in the market." For sale by City Drug Store and F. J. Ramsey.

"Say, Pink Punk, let me make a Buffalo out of you?" "No, you don't make a Buffalo out of me, or a monkey, either."

You cannot enjoy perfect health, rosy cheeks and sparkling eyes if your liver is sluggish and your bowels clogged. DeWitt's Little Early Risers cleanse the whole system. They never gripe. City Drug Store, W. B. Frame, Prop.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's Prize Almanac. City Drug Store, Ardmore and Madill.

Scours in Colts and Calves.

For a young calf or colt from a day to a month old give one teaspoonful of Chamberlain's Colic, Cholera and Diarrhoea Remedy in half a gill of water as a drench after each operation of the bowels more than natural; usually one dose is sufficient. For older animals it may be given in the feed. Thousands of valuable animals are saved by it each year. This remedy is just what you should take yourself when troubled with diarrhoea.

For sale by City Drug Store and F. J. Ramsey.
