

## TRANS-MISSISSIPPI CONGRESS

Twelfth Annual Meeting Opens With Large Attendance.

Cripple Creek, Colo., July 17.—The twelfth annual meeting of the Trans-Mississippi Congress convened today with the largest membership in the history of the organization. Out of twenty-five hundred delegates appointed twelve hundred were in their seats today.

The session was called to order by President Walter Gresham of Galveston, Texas. The address of welcome was delivered by Gov. Gorman of Colorado. Responses were made by Governors Fishback, of Arkansas, Seay, of Oklahoma, and Prince of New Mexico.

President Gresham then delivered an address on the objects of the congress, after which resolutions were introduced in favor of the Louisiana Purchase Exposition and the Nicaragua canal.

A resolution was introduced by Senator Patterson of Colorado, favoring protection to beet sugar and a strong speech made by him in its support brought forth remarks by Congressman Long in favor of the resolution.

A resolution in favor of a department of mines in the president's cabinet was introduced.

The congress adjourned to permit the members and their wives to attend a reception and ball at the opera house tonight.

A strong fight for the next congress is being made by Oklahoma City.

In order that your bread tickets will give you a ticket to my soda fountain it is absolutely necessary that cash accompany all bread ticket orders. SPINGALE 15th

A dead ancestor is something to fall back on.

Considerable interest has been evinced in the forthcoming translation of the New Testament in broad Scotch by the Rev. William Wye Smith, who first registered his claim as an authority on "Scotch" as the Scottish expert on the Standard dictionary.

You can not teach a drone to love work.

**How is the Ticket.** Does it suit you? Well, we are not at all alike, you know, in this world, and it is hard to please everyone, but the favor is unanimously for Dr. Caldwell's Syrup Pepsin as it is guaranteed to cure constipation, indigestion, sick headache and stomach trouble. Sold by W. B. Frame.

No man liveth for himself alone. There are others.

**Foley's Kidney Cure** makes kidneys and bladder right.

Young America will make himself heard if he has to blow himself into strings and remnants to do it.

**Is your liver tired?** Does it fail to do its duty? If so, don't neglect its call for help. A few doses of Herbine may save you a spell of sickness. Herbine is the only perfect liver medicine. It cures chills and fever. Price 50c. City Drug Store, W. B. Frame.

If you would keep cool, rise high.

Science has found that rheumatism is caused by uric acid in the blood. This poison should be excreted by the kidneys. Foley's Kidney Cure always makes them well. Bonner & Bonner.

After the first six months a woman's idea of being happy is being made comfortable.

What among human ills are more annoying than piles? The afflictions that prevent active exercise are bad enough, but one that makes even rest miserable is worse. Women are among the greatest martyrs. Tabler's Buckeye Pile Ointment will cure the most obstinate cases. Price, 50 cts., in bottle, tube 75c. City Drug Store, W. B. Frame.

It takes a pointed remark to get into some heads.

Thos. W. Carter of Ashboro, N. C. had kidney trouble and one bottle of Foley's Kidney Cure effected a perfect cure, he says there is no remedy that will compare with it. Bonner & Bonner.

## BIXBY WILL NOT RESIGN.

Acting Chairman of the Dawes Commission Says He Will Stay.

There have been rumors galore that the acting chairman of the Dawes commission, Hon. Tams Bixby, had resigned or was about to resign, and that his recent visit to Washington was for that purpose.

Mr. Bixby returned to Muskogee yesterday from Washington. This morning he was seen by the Times representative and asked about the report.

"I have not resigned, nor do not intend to," said Mr. Bixby. "I cannot imagine how the report got into circulation. It certainly did not emanate from any one who knows anything about the situation and condition affairs are in. No, I have no intention of resigning, and my work is perfectly satisfactory."

Those who are acquainted with the work of the commission feel that Mr. Bixby's resignation at this stage would be calamitous to every interest in the territory. It would be next to impossible to find a man for his place who had all of the details so well in hand—in fact, unless one had been in the work all along he could not manage it at all. Mr. Bixby will finish up his work in the territory.—Times.

Imperfect digestion and assimilation produce disordered conditions of the system, which grow and are confirmed by neglect. Herbine gives tone to the stomach, and causes good digestion. Price 50c. City Drug Store, W. B. Frame.

In some places in Texas the boys learn first of all in public schools to break the panes out of the windows of the school house.

You can never cure dyspepsia by dieting. What you body needs is plenty of good food properly digested. Then if your stomach will not digest it, Kodol Dyspepsia Cure will. It contains all the natural digestants hence must digest every class of food and so prepare it that nature can use it in nourishing the body and replacing the wasted tissues, thus giving life, health, strength, ambition, pure blood and good healthy appetite. City Drug Store, W. B. Frame.

So far few of the Populists evince their willingness to bring forth any more "hot blossoms of a noble surrender."

**What Two Cents Will Do.** It will bring relief to sufferers from asthma or consumption, even in the worst cases. This is about what one dose of Foley's Honey and Tar cures. Isn't it worth a trial? Bonner & Bonner.

Lots of people keep up their honey moon long after all the honey has gone out of it.

**Prize Eating Contest.** They had an eating contest the other night at Pin Hook school house.

"Who won?"

"Ben Splutters—he ate nine head of cabbage."

"Didn't it make him sick?"

"No. He took a spoonful of Dr. Caldwell's Syrup Pepsin. That prevents stomach trouble of any kind they say." W. B. Frame.

"The Bluest Blue makes the whitest white; that's Red Cross Bag Blue. Refuse imitations."

Kokomo, Ind., Aug. 10, 1899.

Dear Sirs—For the past ten years I was troubled with my stomach. About four years ago was taken down with rheumatism; was not able to do a day's work for three years. All medicine seemed of no benefit to me. A year ago I was advised to take Dr. Caldwell's Syrup Pepsin. I truly believe I would have died but for this medicine. My rheumatism is entirely gone and my stomach is in a good condition. It has saved my life and I can not recommend it too highly.

Yours respectfully,

There is hope for a man if a woman begins hating him; but there is no chance on earth if she begins by trusting him.

Dr. Geo. Ewing, a practicing physician of Smith's Grove, Ky., for over thirty years, writes his personal experience with Foley's Kidney Cure. "For years I have been greatly bothered with kidney trouble and enlarged prostate gland. I used everything known to the profession without relief, until I was induced to use Foley's Kidney Cure. After using three bottles I was entirely relieved and cured. I prescribe it now daily in my practice and heartily recommend its use to all physicians for such troubles, for I can honestly state I have prescribed it in hundreds of cases with perfect success." Bonner & Bonner.

"Was your steamer fitted with water tight compartments?" asked Mrs. Staathome. "No, indeed," declared Mrs. Goabroad. "My stateroom was flooded several times."

"You never can tell what a woman will do next." "I can." "Well, what?" "That's it—A woman will talk and tell her friends of the wonderful cures made by Johnston's Sarsaparilla and the proprietors have to thank thousands of good noble women in this country for having made Johnston's Sarsaparilla a great household name."

If a man doesn't want to be robbed of his good name he'd better not have it engraved on his umbrella.
