BIVENS & WILLIAMS

A DOUBLE MARRIAGE.

Husband With Two Wives and a Wife
With Two Husbands.

Lockport, N. Y., Nov. 14.—Mayor
Huston, a young bachelor, who blushes
like a girl when any of his friends
suggests that he ought to get married
himself, performed his first marriage
ceremony today. It was a double wed-
ding and he married each bridegroom
to the same woman.

Supervisor McParlin, re-elected
Tuesday, acted as best man for Joe
and Tony Scotch, of his ward. He
piloted them with their brides to the
mayor's office.

Mayor Huston said he was green
at the business, but when McParlin
urged that the two couples wanted a
civil marriage before going to the
priest, his honor sent the supervisor
for a copy of the Episcopal ritual. By
this time a large crowd had collected.

"Tying a double knot for a begin-
ner," he whispered to the sergeant-at-
arms before starting, "is no fool job."

But his honor read the preliminary
service bravely. Then addressing Joe
he asked the usual question, "Will
you take this woman?" nodding his
head toward Angelina, "to be your
wife?" Joe responded faintly "yes."

Then the mayor immediately turned
to Tony, saying, "Do you?" Al-
though Tony had come to wed Mary,
he also responded "Yes."

In the same manner the mayor, ob-
livious to his amusing mistake, al-
though the witnesses were bursting
with suppressed laughter, married
both brides to Joe. To cap the climax,
which made four souls happy, Mayor
Huston said impressively, "I pro-
nounce you four to be men and wives."

Bad luck has a tendency to make
a sensitive person raw.

Recommends it to Trainmen.
G. H. Hansen, Lima, O., Engineer L.
E. & W. R. R., writes: "I have been
troubled with backache. I was induced
to try Foley's Kidney Cure, and one
bottle entirely relieved me. I gladly
recommend it to any one, especially
my friends among the trainmen, who
are usually similarly afflicted." Bon-
ner & Bonner.

In our day we have heard keepers
of boarding houses complain of every-
thing except that the boarders have
poor appetites.

Seymour Webb, Moria, N.Y., writes:
"I had been troubled with my kidneys
for twenty-five years and had tried
several physicians but received no re-
lief until I bought a bottle of Foley's
Kidney Cure. After using two bottles
I was absolutely cured. I earnestly
recommend Foley's Kidney Cure."

EARTHQUAKE JARS MORMONS.

Considerable Damage Done in Some
Portions of Utah.

Salt Lake, Utah, Nov. 14.—Advises
today from more remote sections of
southern and southwestern Utah show
last night's earthquake shock was
very heavy in some localities and
considerable damage was done. The
shock was apparently heaviest at
Beaver City, where the Mormons
meeting house, court house and Bea-
ver City academy were badly damag-
ed, especially the last named build-
ing, the walls showing great cracks.
Chimneys were toppled over and
plate glass shattered. Hardly a house
in town escaped damage. No fatali-
ties are reported. Another slight
shock was felt at Beaver this morn-
ing.

Geo. A. Points, Upper Sandusky, O.,
Writes: "I have been using Foley's Hon-
ey and Tar for hoarseness and find it
the best remedy I ever tried. It stop-
ped the cough immediately and reliev-
ed all soreness." Take none but Fo-
ley's, Bonner & Bonner.

you have one now. Your children will
suffer too. For coughs, croup, bronch-
itis, grip and other winter complaints

George, Winchester, Ky., writes "Our

late one night and was so hoarse she

few doses of One Minute Cough Cure.
It relieved her immediately and she
went to sleep. When she awoke next
morning she had no signs of hoarse-
ness or croup. City Drug Store.

Some mortals are so selfish that
they are not loyal even to themselves.

If you have sore throat, soreness
across the back or side, or your lungs
feel sore or tender, or you are threat-
ened with diphtheria or pneumonia,
apply Ballard's Snow Liniment exter-
nally, and use Ballard's Horehound
Syrup. W. B. Frame, City Drug Store.

Infant mortality is something fright-
ful. Nearly one-quarter die before
they reach one year, one-third before
they are five, and one-half before they
are fifteen! The timely use of White's
Cream Vermifuge would save a major-
ity of these precious lives. Price 25c.

TERRIFIC MINE EXPLOSION.

Twenty-Five Men Injured and Several
Fearfully Burned.

Pocahontas, W. Va., Nov. 14.—At 2
o'clock this morning fire broke out
in the Baby mines near here, caused
by a defective electric wire. A great
portion of the mine fell in and a ter-
rific explosion followed. It is not
known how many men were in the
mines, but upon the fire alarm be-
ing given firemen and others rushed
to rescue those who might be caught.
Then another explosion followed.
As a result twenty-five men were
badly injured and many fearfully
burned, but no dead so far have been
found.

The mines are still on fire and oth-
er explosions are likely.

Deafness Cannot be Cured

by local applications, as they cannot
reach the diseased portion of the ear.
There is only one way to cure deaf-
ness, and that is by constitutional rem-
edies. Deafness is caused by an in-
flamed condition of the mucous lining
of the Eustachian Tube. When this
tube gets inflamed you have a rum-
bling sound of imperfect hearing, and
when it is entirely closed deafness is
the result, and unless the inflamma-
tion can be taken out and this tube
restored to its normal condition, hear-
ing will be destroyed forever; nine
cases out of ten are caused by catarrh
which is nothing but an inflamed
condition of the mucous surfaces.

We will give One Hundred Dol-
lars for any case of deafness (caused
by catarrh) that can not be cured by
Hall's Catarrh Cure. Send for circulars,
free.
