

BAD BLOOD, BAD COMPLEXION.

The skin is the seat of an almost endless variety of diseases. They are known by various names, but are all due to the same cause, acid and other poisons in the blood that irritate and interfere with the proper action of the skin.

To have a smooth, soft skin, free from all eruptions, the blood must be kept pure and healthy. The many preparations of arsenic and potash and the large number of face powders and lotions generally used in this class of diseases cover up for a short time, but cannot remove permanently the ugly blotches and the red, disfiguring pimples.

Eternal vigilance is the price of a beautiful complexion when such remedies are relied on.

Mr. H. T. Shobe, 2344 Lucas Avenue, St. Louis, Mo., says: "My daughter was afflicted for years with a disfiguring eruption on her face, which resisted all treatment. She was taken to two celebrated health springs, but received no benefit. Many medicines were prescribed, but without result, until we decided to try S. S. S., and by the time the first bottle was finished the eruption began to disappear. A dozen bottles cured her completely and left her skin perfectly smooth. She is now seventeen years old, and not a sign of the embarrassing disease has ever returned."

S. S. S. is a positive, unfailing cure for the worst forms of skin troubles. It is the greatest of all blood purifiers, and the only one guaranteed purely vegetable.

Bad blood makes bad complexions.

SSS purifies and invigorates the old and makes new, rich blood that nourishes the body and keeps the skin active and healthy and its proper condition to perform its part towards carrying off the impurities from the body.

If you have Eczema, Tetter, Acne, Salt Rheum, Psoriasis, or your skin is rough and pimply, send for our book on Blood and Skin Diseases and write our physicians about your case. No charge whatever for this service.

FOSTER.

Special Correspondence.

Foster, I. T., April 28.—The health of this community is better than it has been for some time. Our sick are all improving.

Gentle spring has caused nature to put out her new robe in field and forest, and what a delightful change!

Corn looks well as a rule. Some of our people are plowing corn; others are planting cotton, and altogether our prospects are encouraging.

We were told the other day that a man named George Doffs, during a severe illness, lost his speech, but it is gradually returning to him.

Everybody is peaceful here now, and hard at work, unless we except a few, which exist in every community, and would not work if there was any way to keep from it. If Ardmore's city laws could be extended out here, they would be taken in as vagrants.

Many people suffer untold torture from piles, because of the popular impression that they cannot be cured. TABLER'S BUCKEYE PILE OINTMENT will cure them. It has met with absolute success. Price 50 cents in bottles; tubes, 75 cents. W. B. Frame, City Drug Store.

Every man who tries to convert others to his way of thinking labors under the delusion that he is a reformer.

Changes in the Weather. Mean slight "spells" of headache or affect your appetite. Irregularities in eating cause dyspepsia. Take Dr. Caldwell's Syrup Pepsin and feel good regardless of these elements or habits. Sold by W. B. Frame, Ardmore and Madill.

Any man who is unable to bear misfortune is truly unfortunate.

The surest and safest remedy for kidney and bladder diseases is Foley's Kidney Cure. Bonner & Bonner.

Nothing provokes a proud woman like the pride of some other woman.

Those horrid fits of depression, melancholy, low spirits and sudden irritability, that sometimes afflict even good-tempered people, is due to the blood being permeated with black bile. HERBINE will purify the blood, restore health and cheerfulness. Price 50 cents. W. B. Frame, City Drug Store.

The man who invests his money in a flying machine may live to learn that riches take unto themselves wings.

Dreadful Attack of Whooping Cough. Mrs. Ellen Harrison of 300 Park Avenue, Kansas City, Mo., writes as follows: "Our two children had a severe attack of whooping cough, one of them in the paroxysm of coughing would often faint and bleed at the nose. We tried everything we heard of without getting relief. We then called in our family doctor, who prescribed Foley's Honey and Tar. With the very first dose they began to improve, and we feel that it has saved their lives." Refuse substitutes. Bonner & Bonner.

It is often difficult to distinguish between a peacemaker and a busybody.

A Chattanooga Druggist's Statement.

Robert J. Miller, proprietor of the Reed House drug store, of Chattanooga, Tenn., writes: "There is more merit in Foley's Honey and Tar than in any other cough syrup. The calls for it multiply wonderfully, and we sell more of it than all other cough syrups combined." Bonner & Bonner.

SPEIGLE'S BAKERY.

a great deal. Purina "Brain

most health bread, it's deli-
cious to the taste. Our trade
