CAPTURED AFTER 13 YEARS.

The Experience of an Indian Territory Man Supposed to Have Died.

Vinita, I. T., Feb. 12.—After an absence from Texas of thirteen years and being supposed to be dead, Charley Overton has been arrested on a charge of larceny. Thirteen years ago in Grayson county, Texas, it is alleged that Charles Overter was arrested for larceny. Prior to that time his character had been good and he had no trouble in giving bond for his appearance at the circuit court. The trial day came on and the case was continued. At the next term a man appeared and stated he had been with Overter when he died.

A few weeks ago the man was working with the Wybark camp on the Missouri, Kansas and Oklahoma extension from Wybark who knew Overter in Texas and was startled at meeting the man in Muskogee. He could hardly realize that the man he met was Overter, but communicated with Grayson county officials. Sheriff Deuer of Grayson county went at once to Overter's home and arrested him. The Texas officer was accompanied by deputies from the Western district of the Indian Territory. Overter was found at his home on Pecan creek, eight or ten miles in the country from Muskogee ,where he has led a quiet, industrious and law-abiding life.

The prisoner was taken before Judge Leekley, where he waived a preliminary examination and consented to go with the Texas officials and he tried, feeling confident that he would be acquitted. Much sympathy is expressed for Overter in this country on account of the exemplary life he lived during his residence in the Indian Territory.

SICKROOM PHILOSOPHY.

Never confine a patient to one room if you can obtain the use of two.

Never play the piano to a sick person if you can play on strings or sing.

Never stand and fidget when a sick person is talking to you. Sit down.

Never complain that you cannot get a feeding cup if there is a teapot to be had instead.

Never read fast to a sick person. The way to make a story seem short is to tell it slowly.

Never judge the condition of your patient from his appearance during a conversation. See how he looks an hour afterward.

Never put a hot water bottle next to the skin. Its efficiency and the patient's safety are both enhanced by surrounding the bottle with flannel.

Never allow the patient to take the temperature himself. Many patients are more knowing than nurses where there is a question of temperature.

Hot Cross Buns.

In its early days, when it is to be hoped, it was more toothsome than it is now, the hot cross bun played some part in converting the people of these islands to Christianity. Pagan England was in the habit of eating cakes in honor of the goddess of spring, and Christian missionaries found that though they could alter the views of the people in reference to religious matters they could not induce them to withhold from the consumption of confectionery. So they put the sign of the cross upon the bun of the Saxon era and launched it upon missionary enterprise which has extended through the intervening centuries and survived till now.—London Tit-Bits.

A Peculiar Accident.

El Reno, Ok., Feb. 12.—Albert Chapman of this city, died at the city sanitarium last night at 9 o'clock from the effect of an explosion which occurred in his tinshop a week ago.

The explosion was caused when Mr. Chapman went to take a bath. There was about a quart of gasoline in the tub which he supposed was water. On pouring in the hot water it ignited the gas, when the explosion took place burning him more than he realized. He hesitated to the last on going to the sanitarium, thinking that his burns were not so serious, as it did not seem to pain him to a great extent.

WEAK AND LOW SPIRITED.

A Correspondent Thus Describes His Experience.

"I can strongly recommend Herbine as a medicine of remarkable efficacy for indigenstion, loss of appetite, sour taste in the mouth, palpitation headache, drowsiness after meals with distressing mental depressions and low spirits. Herbine must be a unique preparation for cases such as mine, for a few doses entirely removed the complaint. I wonder at people going on suffering or spending their money on worthless things when Herbine is procurable and so cheap." 50c a bottle at W. B. Frame's.
