A Continual Strain.

They men and women are con-unfy subfeered to what they examinatly term "a continual strain" because of your disancial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves badly and bringing on Hver and kidney allments with the attendant evils of constipation, loss of appetite, sleeplessness, ow vitality and despondency. They cannot, as a rule, get rid of this "continual strain," but they can remedy its health-destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by "continual strain." Trial bottle of August Flower 25 cents; regular size 75 cents. At City Drug Store.
