Cuthrie, Ok., Nov. 19.—(Herald) Speed, United States attorney for Oklahoma, favors greatly the appointment by President Roosevelt of a southern man to a cabinet position, and in speaking of whom he would suggest in this line he stated that Yerkes of Kentucky, the present chief of the internal revenue department, or E. H. R. Green of Texas, president of the Texas Midland railroad, and son of Mrs. Hattie Green of New York City.

Both men, according to Mr. Speed, on account of their business success, would make admirably cabinet officers.

**New Way of Using Chamberlain's Cough Remedy.**

Mr. Arthur Chapman, writing from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a cure suitable for old and young, I pen you the following: A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would get a bottle of Chamberlain's Cough Remedy and put some on the dummy teat the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the baby." This remedy is for sale by F. J. Ramsey, Ardmore Drug Co., W. B. Frame, Bonner & Bonner.

Nothing more irritating than constant backache—that dull, heavy, aching which bothers you all day and prevents sound sleep at night.

Backache makes you fretful and nervous—keeps you "on edge" all the time. It carves plain lines in the face and ruins a cheerful disposition.

Don't mistake the cause of backache. Overwork might tire your back, but should not make it ache and pain and throb. A man or woman with healthy kidneys can work hard, rest and sleep, and be ready to work hard again.

Backache is kidney ache. It tells you of an inflamed or congested condition of the kidneys, brought on by a cold, a strain on the back, or perhaps some other slight cause.

The danger is that kidney congestion never relieves itself and it so disturbs the blood-filtering process of the kidneys that uric acid and other poisons collect in the blood.

These poisons should pass off in

the urine, but instead are carried by the blood to every part of the body and cause painful and fatal diseases. Health can only be restored by restoring the kidneys to health. This can only be done with a kidney medicine. Doan's Kidney Pills relieve and heal diseased kidney tissues, set the kidneys filtering the blood, banish backache, dizziness, urinary troubles and restore strength and energy.

### WATCH THE URINE.

Kidney diseases are not always painful in the early stages. They frequently gain ground before the victim knows of their existence.

But an examination of the urine will always tell of the existence of any form of kidney trouble.

Allow a quantity of urine to stand in a vessel for 24 hours. If any of the following symptoms appear the kidneys are diseased:

Prickly sediment; whitish, cloudy or stringy settlement; offensive odor; high reddish color; or very pale watery appearance; oily scum on the surface.

Other urinary symptoms are too frequent or too scanty a flow; frequent desire to urinate; pain or stinging when passing.

### STRONG TESTIMONY.

J. W. Hubbard, U. S. Constable at Muskogee, I. T., says: "In the month of June, 1901, I gave for publication a statement recommending Doan's Kidney Pills after I had procured them at Lee Wilson's drug store, now Wagner Bros., and after they had been given a thorough test in my family. The results obtained from the preparation was decidedly satisfactory. I will be glad at all times to recommend such an effective remedy as Doan's Kidney Pills.

If you wish to try Doan's Kidney Pills free of expense, write to Foster-Mulburn Co., Buffalo, N. Y., for a trial box.
